2.1 The Units. The Condominium Units shall be legally described as shown on the Plans attached hereto as Exhibits "B". The Condominium Project consists of Fifty Nine (59) Units located on floors 3 through 9 that will be used for residential purposes, and one (1) Unit located on the first floor that will be used for commercial/office purposes. Pursuant to Article XIII, the Declarant reserves the right to add additional Units on the second floor of the Condominium Regime that will be used for residential purposes. Each Unit includes an Allocated Interest that is appurtenant thereto. The Units are further identified on the Plans recorded pursuant to the terms of this Declaration and the Act. Each Unit's appurtenant percentage of undivided interest in the Common Elements shall be allocated as set forth in Exhibit "C" attached hereto and incorporated herein by this reference. The calculation of this allocation, shall be originally calculated by the Declarant based upon a fraction, the numerator of which is the total square footage of the Unit, and the denominator of which is the total square footage of all of the Units within the Condominium Regime; provided, however, the Declarant shall calculate any reallocation of the percentage interests upon the creation of any additional Units, the relocation of the boundaries of any Units, the conversion of Units into Common Elements or Limited Common Elements or the conversion of

Common Elements or Limited Common Elements into Units. For purposes of voting, each Unit is allowed one (1) vote, regardless of the number of Persons having an interest in such Unit. Each Unit may be described by its Identifying Number or symbol as shown on the Plans and as set forth in this Declaration and shall be deemed good and sufficient for all purposes and shall be deemed to convey, transfer, encumber or otherwise affect the Unit Owner's corresponding Allocated Interest even though the same is not expressly mentioned or described therein. Ownership of each Unit and the Unit Owner's corresponding share in the Common Elements shall not be separated. Other than the Declarant, no Unit Owner may relocate the boundaries of any Unit or further subdivide or combine any one or more the Units.

2.2 Dimension of Units. The Units and their dimensions are depicted on the Plans referred to hereinabove which Plans are incorporated herein by this reference. Except as otherwise provided herein, and as otherwise set forth in Article III, which describes the Common Elements, each Unit includes that part of the structure which lies within the following boundaries:

(a) Appurtenances. Each Unit shall consist of all space within the boundaries thereof, as hereinafter defined, and all portions of the building situated within such boundaries, including but not limited to all fixtures, facilities, utilities, equipment, appliances, and structural components designed and intended solely and exclusively for the enjoyment, use and benefit of the Unit wherein the same are located, or to which they are attached, but excluding therefrom that are designed or intended for the use, benefit, support, safety or enjoyment of any other Unit or which may be necessary for the safety, support, maintenance, use, and operation of any of the building or which are normally designed for common use; provided, however, that all fixtures, equipment, appliances, and cabinets designed or intended for the exclusive enjoyment, use and benefit of a Unit shall constitute a part of such Unit, whether or not the same are located within or partly within the boundaries of such Unit. Also, the interior sides and surfaces of all doors and windows in the perimeter walls of a Unit, whether or not located within or partly within the boundaries of a Unit, and all interior walls and all of the floors and ceilings within the boundaries of a Unit, are considered part of the Unit.

(b) Boundaries. The boundaries of each Unit shall be as shown on the Plans without regard to the existing construction measured between the interior unfinished surface of the floors,

roofs and perimeter walls of each Unit. In the event any horizontal or vertical or other boundary line as shown on the Plans does not coincide with the actual location of the respective wall, floor or roof surface of the Unit because of inexactness of construction, settling after construction, or for any other reasons, the boundary lines of each Unit shall be deemed to be and treated for purposes of ownership, occupancy, possession, maintenance, decoration, use and enjoyment, as in accordance with the actual existing construction. In such case, permanent appurtenant easements for exclusive use shall exist in favor of the Owner of each Unit in and to such space lying outside of the actual boundary lines of the Unit, but within the appropriate wall, floor or roof surfaces of the Unit.

ARTICLE III - COMMON ELEMENTS

3.1 Common Elements The Common Elements of the Condominium are as follows:

(a) The Real Estate upon which the structures containing the Condominium Units are located, and such structures themselves, including the foundations, parking structure, exterior walls, roofs, gutters, downspouts, chutes, chases, flues, ducts, wires, conduits, bearing walls, bearing columns, fire suppression and detection systems, whether situated partially within or outside the boundaries of any Unit, including without limitation all piping, fittings, valves and sprinkler heads, or any other fixtures which lie partially within and partially outside of the designated boundaries of a Unit and which serve more than one Unit and are not otherwise assigned or allocated to any one or more Units as a Limited Common Element.

(b) Except as may be shown on the Plans, the Common Elements shall include, without limitation, each and every stairway, elevator, service or utility area and facilities now or hereafter erected, constructed or installed on or in the Property and any adjacent public right-of-ways that the Association is responsible for maintaining, including without limiting the generality of the foregoing, trees, shrubs, lawns, decorative urns and planters, pavements, sidewalks, storm and water systems, sewage lines, and all utility installations, and pipes, wire and conduits and connections for television, electricity, light, water and plumbing and other utilities, except those items that are exclusively within or for the benefit of a particular Condominium Unit and not used to service any Unit other than that particular Condominium Unit.

1

(c) All other appurtenances not herein specifically designated which are not enclosed within the boundaries of a Condominium Unit as is hereinabove delineated in Article II of this Declaration.

3.2 Undivided Interest in Common Elements. The Owner of each Unit shall own an undivided interest in the Common Elements as a tenant (or tenants) in common with all the other Unit Owners, and, except as otherwise limited in this Declaration, shall have the right to use the Common Elements for the purposes incidental to the use and occupancy of said Unit, and such other incidental uses as may be permitted by this Declaration, which right shall be appurtenant to and run with such Person's or Persons' Unit. The extent and amount of percentage of such ownership shall be expressed by a percentage amount, the particular percentage amount, also sometimes referred to herein as "share", appertaining to each Unit being set forth in Exhibit "C" attached hereto and made a part hereof. The percentage interest appurtenant to the Unit may change in the event any Unit is converted to a Common Element, any Common Element is converted to a Unit or the boundaries of any Unit are relocated as authorized by the Act and this Declaration.

3.3 Allocated Share of Common Elements. The percentage interest or share allocated to each Unit shall be determined as set forth in Article II, above. In the event any portion of the Additional Property is added to the Condominium, then the percentage interest or share so allocated, being the Unit's undivided interest in the Common Elements appertaining to such Unit, shall be allocated and reallocated, respectively, in the same manner as the allocation of undivided interests was done for Units previously existing in the Condominium, to wit, each Unit in the Condominium shall be allocated a percentage interest, being an undivided interest in the Common Elements, determined by the method set forth in Article II hereinabove. Common Elements shall be deemed to include both Common Elements and Limited Common Elements, unless otherwise herein expressed. Each Owner, by acceptance of the deed to a Unit, expressly agrees to the allocation and reallocation of the percentage interest set forth hereinabove or by exercise of any other Special Declarant Right. Allocations and reallocations of the percentage interest may be subject to minor variations attributable to rounding off. The respective percentage interest shall be computed to five significant figures so the sum of the percentage interests of all Units equals one hundred (100%) percent.

3.4 Common Expense Liability. The Common Expense Liability shall be based on the operation and maintenance costs for these Common Elements and the amount of the assessment will change on a yearly basis according to these costs. The Common Expense Liability shall be allocated to each Unit as set forth in Exhibit "C".

ARTICLE IV - COVENANTS

4.1 No Partition of Common Elements. As long as the Property is subject to the provisions of the Act, the Common Elements shall remain undivided, and no Unit Owner or Owners shall bring any action for partition or division of the Common Elements; and any agreement to the contrary shall be null and void. Provided, however, nothing herein contained shall prevent partition of a Condominium Unit as between any Persons who are Co-Owners thereof, if such right of partition shall otherwise be available, but such partition shall not be in kind.

4.2 No Severance of Ownership. No Owner shall execute any deed, mortgage, lease or other instrument affecting title to his or her Unit Ownership without including therein both his or her interest in the Unit and his or her corresponding Allocated Interests, including his or her share in the Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other, shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

ARTICLE V - EASEMENTS AND LIMITED COMMON ELEMENTS

5.1 Encroachments. In the event that, by reason of construction, settlement or shifting of any building or structure, any part of the Common Elements encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Condominium Unit encroaches or shall hereafter encroach upon any part of the Common Elements, or if by reason of the design or construction of any Condominium Unit it shall be necessary to a Unit Owner to use or occupy, for normal uses and purposes, any portion of the Common Elements, consisting of an unoccupied space within the Property and adjoining his or her Unit, valid easements for the maintenance of such encroachment and for the use of such adjoining space are hereby established and shall exist for the benefit of such Condominium Unit and the Common Elements, as the case may be, so long as all or any part of the building containing such Unit shall remain standing; provided, however, that in no

event shall a valid easement for an encroachment be created in favor of any Condominium Owner or in favor of the Owners of the Common Elements if such encroachment occurred because of the willful conduct of said Condominium Unit Owner or the Owners of the Common Elements, as the case may be. In the event any structure is partially or totally destroyed and then rebuilt, minor encroachments of part of the Common Elements because of construction shall be permitted and valid easements for said encroachment and the maintenance thereof shall exist.

5.2 Limited Common Elements. Unless the context of this Declaration otherwise requires, Limited Common Elements shall be as provided in the Act and assigned and allocated exclusively to the Units so served. The Board shall be expressly empowered and authorized to allocate parking exclusively to a Unit as shown on the Plans, which if allocated, shall be deemed to be a Limited Common Element appurtenant to such individual Unit. Allocation of such Parking Spaces shall be done pursuant to a License Agreement, which shall be in a form acceptable to Declarant during the Period of Declarant Control and thereafter by the Association. In furtherance of the foregoing, a valid exclusive easement is hereby declared and established for the benefit of each Licensee consisting of the non-exclusive right to use and enjoy the Limited Common Elements hereby established, including, but not limited to, those portions of the Parking Facility, as shown on the Plans designated for the Unit Owners. Any Unit Owner may, with the prior written consent of the Association, which consent shall not be unreasonably withheld, reallocate, convey and transfer Parking Spaces among or between any Units by assignment, lease, easement or license; provided, however, any such assignment shall be subject to all rules and regulations adopted by the Association from time to time. Notwithstanding the foregoing, any Parking Space within the designated parking areas may be licensed, used or occupied by Licensee or their Authorized Users (as defined in the License Agreement). Neither the Board nor any committee shall have the right or authority to reassign or reallocate any Parking Space held by a Licensee without the prior written consent of the Licensee affected thereby.

5.3 Easement to Unit Owners. Except as to the use of any Unit or Limited Common Elements that are assigned and allocated to any Unit or that are assigned and allocated exclusively to any other Unit, perpetual easements are hereby established for all Unit Owners, their families, guests, invitees, mortgagees and servants for the use and enjoyment of all Common

13

Elements, subject to such rules and regulations as may from time to time be established by the Association herein provided. Except for the rights of the Declarant herein, no Owner of a Unit shall have any right to access, occupy or use any Limited Common Elements exclusively assigned and allocated to any other Unit.

5.4. Landscape Maintenance Easements. The Association shall have a non-exclusive easement over, under, across and through the Common Elements for purposes of installing, maintaining and repairing landscaping and landscape facilities therein. The costs thereof shall be included in the Association's budget for assessment against the Condominiums in the manner provided in Article VIII, below.

5.5 Utility Easements.

(a) The Association shall maintain all utility lines and facilities located in, on, or under the Common Elements, except for those lines and facilities maintained by utility companies (public, private or municipal) and those required to be maintained by the Owners pursuant to subsection (b), below, or the Master Association. The Association shall pay all charges for utilities supplied to the Condominium Property, except those metered or charged separately to the Condominium Units.

Accordingly, if any utility line or facility which the Association is required to maintain, repair or replace becomes clogged, stopped-up, damaged, destroyed or otherwise requires repair, the Association shall furnish such maintenance, replacement or repair, including repair of any collateral damage or loss in the Common Elements or any Improvements therein. However, if it can be determined that the cause of such clogging, stoppage, damage, destruction or repair originated in any particular Unit (or was caused by an act of an Owner or any of his/her agents, guests, or members of his/her family, whether or not such act was negligent or culpable), the Association may charge the Owner of the Unit the cost of the repair, replacement or maintenance. If one or more Owners fail to pay such costs, the Association may collect them by levying a special assessment upon the Unit or Units of the Owners who are responsible therefore under the provisions of this subsection. Except as otherwise provided herein, the Association shall not be responsible for damage to any Unit or personal property located therein caused by a damaged or defective utility line or facility.

14

The Association shall reimburse the Owner(s) for the reasonable and necessary costs incurred by the Owner(s) in making such maintenance, repair or replacement. If entry onto the Common Elements, Limited Common Elements or Units is required hereunder, the party making such entry must give reasonable notice to the Association and/or Owner of such Unit as applicable.

(b) Unless maintained by a utility company, an Owner shall be deemed to own the utility lines and facilities and outlets of all utility lines and facilities located within and serving only his/her Unit, and shall be responsible for the maintenance of such utility lines, facilities and outlets.

(c) Whenever such utility lines or facilities serve more than one Unit, the Owner of each Unit served by the lines or facilities shall be entitled to the full use and enjoyment of the portions of the lines or facilities as service his/her Unit.

5.6 Easements in Gross. The Property shall be subject to a perpetual easement in gross to the Association provided herein, its successors and assigns, for ingress and egress, to perform its obligations and duties as required by this Declaration. Should it be necessary to enter any Condominium Unit to repair a Common Element or Limited Common Element, the employees, agents, contractors, subcontractors, or workmen shall be entitled to entrance during reasonable hours with 24 hours prior written notice, unless it is reasonably believed by the Board that an emergency exists which requires such entrance without advanced notice, by exhibiting to the Condominium Owner or any Person or Persons occupying such Unit under authority of such Condominium Unit Owner, an order signed by any member of the Board of Directors or signed by the Managing Agent.

Outside parking associated with the building is currently leased and limited to the use of the commercial users of the building from Monday through Friday from 8 a.m. to 6 p.m. Visitors and Unit owners are prohibited from parking in that area, and are subject to the Association's right to tow away during those times. No vehicles shall be parked so as to obstruct the fire lanes or roadways as may exist within the Condominium. The Association is expressly authorized to tow away, at an offending Owner's expense, any vehicle which is in violation of this Section, or which is placed on the Condominium Property in violation of the rules and regulations governing parking as may be adopted by the Board of Directors. No boats, boat trailers, campers, canoes, recreational vehicles, vehicles used primarily for recreational purposes, vehicles

primarily used for commercial purposes, or vehicles with commercial writings on their exterior shall be stored, allowed to remain, or parked on any portion of the Condominium, except in an area, if any, designated by the Board of Directors or except as otherwise permitted by the Association's Board of Directors or Declarant. No Unit Owner shall display a "for rent" or "for sale" sign without the express written consent of the Board.

(f) Miscellaneous Prohibited Uses. No Unit shall be occupied, operated or maintained in an unsanitary or hazardous condition.

6.3 Security and Frozen Pipes. Should a Unit become vacant, the Owner is responsible for securing the Unit while it is unoccupied, including engaging all locks, providing security lighting, and heating the interior sufficient to keep pipes from freezing. Insurance claims or costs incurred by the Association or the Board for frozen pipe damage in unheated Unit may be offset by a special assessment levied against the Unit in an amount equal to the damage claim.

6.4 Unsightly Appearances. No offensive or unsightly appearance shall be maintained or allowed to exist on those portions of any Unit visible from the exterior of the Condominium or Common Areas, i.e., the halls, etc. All equipment, garbage cans, and storage areas shall be kept in a manner so as to conceal them from view of neighboring Units and streets, unless otherwise authorized by the Association's Board of Directors; provided, however, exterior personal patio furnishings, such as chairs, grills and swings, located within a Unit's balcony, patio, porch, terrace, or deck shall be permissible, subject to the rules and regulations of the Association. Provided further, however, that nothing shall be permitted which in the opinion of the Association's Board of Directors jeopardizes the structural integrity of any deck or other part of the Condominium, or which presents risk of damage to adjacent Property shall be permitted.

6.5 Acts Affecting Insurance. An Owner shall not permit or suffer anything to be done or kept in his or her Unit which will increase the rate of insurance acquired by the Association or which will otherwise obstruct or interfere with the rights of other Owners.

6.6 Trash Containers and Collection. No garbage or trash shall be placed or kept on the Condominium except in covered containers of a type, size and style which are approved by the Board. The Board shall have the right to subscribe to a trash service for the use and benefit of the Association and all Owners; and to adopt and promulgate rules and regulations regarding garbage, trash, trash containers and collection. No incinerators shall be kept or maintained in any Unit. All rubbish, trash, and garbage shall be regularly removed from the Property and shall not be allowed to accumulate thereon. If trash dumpsters are used to facilitate trash, rubbish and garbage removal, all such trash, rubbish and garbage shall be placed therein for removal from the Property

6.7 Machinery and Equipment. Except on the first (1st) floor of the Condominium Regime, no machinery or equipment of any kind shall be placed, operated or maintained upon the Condominium, except such machinery or equipment as is usual and customary in connection with the Declarant's sales, marketing, maintenance or construction of the Improvements which are within the permitted uses of such Property, or any machinery or equipment of any kind as is usual and customary in connection with the operation and maintenance of the Common Elements and Units by the Declarant or the Association.

6.8 Leasing of Units. A Unit Owner may lease his or her Unit and/or Parking Space(s) (but not less than his or her entire Unit) at any time and from time to time provided that:

- (a) No Unit may be leased for transient or hotel purposes or for an initial term of less than 180 days, unless such tenancy exists prior to the recordation of this Declaration.
- (b) No Unit may be leased or subleased without a written lease or sublease.
- (c) A fully executed copy of such lease or sublease shall be furnished to the Board for approval not less than ten (10) days prior to the date the lessee or sublessee obtains possession of the Unit. In the event the Board does not approve the lease in writing within five (5) days after the lease has been furnished to the Board, the lease shall be deemed to have been approved by the Board.

(d) Seventy (70%) percent or more of the Units used for residential purposes shall be owner occupied.

(e) The rights of any lessee of a Unit shall be subject to, and each such lessee shall be bound by, the covenants, conditions and restriction set forth in the Declaration, By-Laws and Rules and Regulations, and a default thereunder shall constitute a default under the lease or sublease; provided, however, that the foregoing shall not impose any direct liability on any lessee or sublessee of a Unit to pay any Common Expenses or special assessments on behalf of the Owner of that Unit.

6.9 Lawful Use. No improper or unlawful use shall be permitted on any part of the Condominium. All valid laws, zoning ordinances, and regulations of all government bodies having jurisdiction over the Condominium shall be observed. Any violation of such laws, zoning ordinances or regulations shall be a violation of this Declaration.

6.10 Nuisances and Offensive Activity. No Owner, lessee, occupant, or other Person shall create a nuisance within the Condominium Regime, or use any portion of the Condominium Regime for any activity or purpose which is considered by the Board, its sole and absolute discretion, to be objectionable due to sound, odor, visual effect or physical impact and which in the opinion of the Board will disturb or tend to disturb other Owners or lessees in the Condominium, or which is deemed by the Board to constitute a nuisance. Included among the uses or activities prohibited because of their detrimental effect upon the general appearance, enjoyment and use of the Condominium are, without limitation, the following:

2

No nuisance shall be permitted to exist or operate upon the Condominium and no activity shall be conducted upon the Condominium which is offensive or detrimental to any portion of the Condominium or any Owner or Occupants of the Condominium. No exterior speakers, horns, whistles, bells or other sound devices except security or other emergency devices used exclusively for security or emergency purposes shall be located, used or placed on or in the Condominium.

6.11 Enforcement. This Declaration, including all restrictions set forth herein, and the rules and regulations may be enforced by injunctive relief, specific performance or the imposition of reasonable monetary fines as provided in the Act and suspension of use and voting privileges. These powers, however, shall not be construed as limiting any other legal means of enforcing the use restrictions or rules and regulations of the Association. Any fines so imposed shall be considered an assessment against the Unit and may be collected in the manner provided for collection of other assessments. In addition to the foregoing, if any Person shall fail to maintain its Unit in a reasonably safe and sanitary condition, the Association may, at the Board's option, and after ten (10) days written notice to the Unit Owner, perform any clean-up, repair and/or replacement to cure any such condition, and all cost and expenses reasonably incurred by the Association, plus interest thereon at the rate of sixteen (16%) per annum, shall be reimbursed to the Association by such Unit Owner within thirty (30) days after work has been completed. The Association may levy a special assessment against any such Unit, which may be enforced in accordance with Section 10.9, below.

ARTICLE VII - MAINTENANCE

7.1 Maintenance of Condominium Units and Limited Common Elements.

(a) By the Owner. Except as provided in subsection (b) of this Section, each Owner shall have the obligation to maintain, keep attractive, keep in good repair, and replace (subject to applicable and available insurance proceeds) all portions of the Unit and any Limited Common Elements exclusively allocated to such Unit. Any maintenance, repair, replacement or upkeep required to be performed by an Owner hereunder shall be in conformance with the standards as set forth by the Board.

In explanation of the foregoing and not to be construed as a limitation, each Owner shall maintain, repair, and keep in good condition (subject to the Association's obligations hereinafter set forth), his or her Unit.

(b) By the Association. The Association shall maintain, keep in good repair and upkeep, and replace (subject to available insurance proceeds), as a Common Expense assessed in accordance with this Declaration, all of the Condominium property not required to be maintained and kept in good order by a Unit Owner and as otherwise set forth in this Section. The Association shall, by way of explanation and not limitation, be responsible to maintain, keep attractive, keep in good repair and replace all of the Common Elements. The Association shall, also, be responsible for the repair, upkeep and maintenance of all roofs and foundations in respect to Improvements containing the Units or otherwise and the parking garage. In the event the need for maintenance, repair or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, then, the Association shall give the Owner written notice of the repair, replacement or maintenance work needed and an estimated cost to accomplish such repair, replacement or maintenance work. The Owner shall have fifteen (15) days within which to pay the Association such estimated costs, and in the event of a failure to pay, such costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

Despite any provision herein contained to the contrary, the Association shall not be liable for injury or damage to any Person or property: (i) caused by the elements or by any Unit Owner or by any other Person; (ii) resulting from any rain, water, snow or ice which may leak or flow from any portion of the Common Elements; or, (iii) caused by the leaking, failure or disrepair of any pipe, plumbing, drain, conduit, appliance, equipment or utility lines or facilities, the responsibility for the maintenance of which belongs to the Association.

In addition, the Association shall be responsible for the maintenance of sewer lines within the Units as extended from each Unit to the main sewer line connecting on to the Condominium Property.

(c) Failure to Maintain. If the Board of Directors of the Association determines that any Owner has failed or refused to discharge his or her obligations with regard to the maintenance, repair, upkeep or replacement of any items for which he or she is responsible hereunder, including, but not limited to, a failure to maintain, repair or replace a condition which may increase the possibility of fire or other loss or damage to the Condominium, then the

2

Association (except no notice shall be required in an emergency situation in which case the Association may proceed immediately) shall provide the Unit Owner with written notice specifying the nature of the maintenance, repair or replacement and the estimated costs thereof with reasonable particularity. The Owner shall have fifteen (15) calendar days to complete any such repairs, maintenance or replacements; provided, however, the Unit Owner shall have more than fifteen (15) days if such performance cannot reasonably be completed within fifteen (15) days and the Unit Owner is diligently pursuing the completion. In the event the Owner fails, neglects or refuses to repair, maintain or replace any such items within fifteen (15) days after the receipt of the notice, then the Association, through its Board, shall have the right to cause the repairs, maintenance or replacements to be made, and the Unit Owner shall, within thirty (30) days after the completion of such work, reimburse the Association. In the event any such repair or replacements are to the Common Elements the Association shall complete all such work, and the Unit Owner responsible for such repairs, maintenance or replacements shall have thirty (30) days after demand is made to reimburse the Association. Any costs incurred by the Association under this Section shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

ARTICLE VIII - ASSOCIATION AND BY-LAWS, ASSESSMENTS

8.1 General Information. The Association will administer the Condominium pursuant to the terms and conditions set forth in this Declaration and the By-Laws. The fiscal year of the Association shall be the calendar year. All Unit Owners, by virtue of their ownership of a Unit in the Condominium, are automatically mandatory Members of the Association and shall be entitled to vote on all matters upon which Members of the Association are entitled to vote, pursuant to this Declaration and in accordance with the By-Laws. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Subject to the provisions of the Condominium Documents, the Owner or Owners of each Unit shall be entitled to one (1) vote for such Unit in which the interest required for membership is held. Each Unit is allocated a vote equal in weight to each other Unit. Provided however, if a Unit Owner shall have, in the sole opinion of the Board, an unresolved

financial delinquency with respect to the Association, such Owner's vote shall not be eligible and shall not be entitled to be cast or counted.

8.2 Meetings and Voting. Annual and Special Meetings of the Association, including all notice and quorum requirements and voting of the membership shall be set forth in the By-laws. .

8.3 Directors. During the Period of Declarant Control, the business of the Association shall be managed by a Board of Directors comprised of at least three (3) Directors who shall be appointed by the Declarant and shall serve without compensation. Without regard to the time when the Period of Declarant Control terminates, the Association shall hold a First Transitional Election not later than sixty (60) days after the conveyance of twenty-five (25%) percent of the Units to Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. A Second Transitional Election shall be held by the Association not later than sixty (60) days after the conveyance of fifty (50%) percent of the Units to Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. The qualification, election, term, removal, resignation and replacement of each Board member shall be determined in accordance with the By-laws. The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of the foregoing. In that event, the Declarant may require, during the Period of Declarant Control, that the actions of the Association or Board of Directors, as might be described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective. At end of the Period of Declarant Control, the membership of the Board shall always be comprised of five (5) Persons.

8.4 Director's Meetings. Regular and Special Meetings of the Board of Directors, including the notice and quorum requirements and voting of the Board, shall be set forth in the By-laws.

Compensation of employees of the

Association shall be fixed by the Directors. A Director may be an employee of the Association and a contract for management of the Condominium may be entered into with a Director or the Declarant.

8.6 Officers. The executive officers of the Association shall consist of a President, who must also be a Director, a Vice-President, Treasurer, and Secretary. The By-laws shall provide for: (i) the election of officers; (ii) the resignation; (iii) removal; (iv) vacancy; and (v) powers, duties and responsibilities of the officers of the Association.

8.7 Assessments.

(a) All Owners shall be obligated to pay the estimated assessments imposed by the Board of Directors of the Association to meet the Common Expenses. The Common Expenses of the Association shall be assessed among all of the Condominium Unit Owners in accordance with the Owner's share in the Common Elements or Limited Common Elements as set forth in Article II of this Declaration. Assessments for the estimated Common Expenses of the Association shall be due in advance of the first day of each calendar month or less frequently as may be determined by the Board of Directors.

(b) Each Unit Owner's obligation of payment of assessments shall begin on the first day of the month in which the closing of the purchase of the Condominium Unit occurs. Each Unit Owner shall pay two (2) months of assessments in advance on the date the closing of the Condominium Unit occurs to fund the reserve account of the Association.

(c) In the event the ownership of a Condominium Unit, title to which is derived from Declarant, commences on a day other than the first day of the assessment period, the assessment for that period shall be prorated.

(d) Assessments shall be based upon the cash requirements deemed to be such aggregate sum as the Board of Directors of the Association shall from time to time determine and is to be paid by all of the Condominium Unit Owners to provide for the payment of all estimated expenses growing out of or connected with the maintenance, repair, operation, additions, alterations and improvements of and to the Common Elements and those Limited Common Elements which are the responsibility of the Association, and the Property and Improvements owned thereby, which sum may include, but shall not be limited to: management fees, expenses and liabilities incurred by the Managing Agent, taxes and special assessments (until separately assessed), snow removal, road and

26

sidewalk repair, premiums for insurance, landscaping and care of grounds, common lighting and heating, repairs and renovation, trash and garbage collections, wages, common water and sewer charges, legal and accounting fees, management fees, expenses and liabilities incurred by the Managing Agent, if any, on behalf of the Unit Owners under or by reason of the Declaration and By-Laws of the Association for the creation of a reasonable contingency, reserve, working capital and sinking funds as well as other costs and expenses relating to the Common Elements or Limited Common Elements which are the responsibility of the Association.

(e) Pursuant to the provisions of the Declaration and By-Laws, the Board of Directors may levy such assessments for the purpose of defraying the cost of repair or reconstruction of the Improvements in the event of their damage.

(f) The Association by its Board of Directors may levy a special assessment against any individual Unit or any Unit Owner for the reasonable expense incurred in the reconstruction or repair to the Common Elements, Limited Common Elements or the individual Unit for damage or destruction caused by the misconduct, negligence or infraction of the published rules and regulations of the Association by the Unit Owner, his guests or invitees.

(g) The omission or failure to fix the assessment or deliver or mail a statement for any period of time shall not be deemed a waiver, modification or release of the Owner's obligation to pay the same.

(h) The Board shall, pursuant to Section 76-873(c) of the Act, have the power and authority to assess any Common Expenses benefiting fewer than all of the Units exclusively against the Units benefited thereby as contemplated in the Act.

(i) The Association shall have all of the powers of the Association enumerated in the Act.

(j) Within thirty (30) days after adoption of any proposed budget for the Condominium, the Board of Directors shall provide a summary of the budget to all the Unit Owners, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget, which date shall not be less than fourteen (14) no more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all the Unit Owners, reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget

last ratified by the Unit Owners shall be continued until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors.

8.8 Owner's Personal Obligation for Payment of Expenses. The amount of the Common Expenses assessed by the Association against each Condominium Unit shall be the personal and individual debt of the Owner thereof. No Owner may exempt themselves from liability for this contribution towards the Common Expenses by waiver of the use or enjoyment of any of the Common Elements, the Property and Improvements owned by the Association or by abandonment of their Unit. The Board of Directors shall have the responsibility to take prompt action to collect any unpaid assessments which remain unpaid for more than ten (10) days from the date for payment thereof. The failure to make payment of any assessments or installment thereof related to any Unit before the tenth (10th) day after the due date shall constitute a default and such Unit Owner shall: (a) pay a late charge of five (5%) percent on the outstanding balance; and (b) all amounts that are delinquent shall bear interest from the due date at a rate equal to sixteen (16%) percent per annum or the maximum interest rate allowed by law, whichever is less, and all costs and expenses incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees and costs, shall be part of the assessment past due and the full assessment shall be a lien against such Unit. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing the lien nor shall such suit be construed to be a waiver of the lien.

8.9 Association Lien for Non-Payment of Common Expenses.

(a) All sums assessed by the Association but unpaid for the share of Common Expenses chargeable to any Condominium Unit shall constitute a lien on such Unit superior to all other liens and encumbrances, except for (i) taxes and special assessment liens of the Condominium Unit in favor of any assessing entity, and (ii) all sums unpaid to any Eligible Mortgagee of record, including all unpaid obligatory sums as may be provided by such encumbrances. To evidence such lien, the Board of Directors shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of the accrued interest and late charges thereon, the name of the Owner of the Condominium Unit and a description of the Condominium Unit. Such notice of lien shall be signed by one of the members of the Association's Board of Directors or by one of the officers of the Association on behalf of the Association and shall

be recorded in the Office of the Register of Deeds of Douglas County, Nebraska. Such lien shall attach and be effective from the due date of the assessment until all sums, with interest and other charges thereon, shall have been fully paid.

(b) Such lien may be enforced by the foreclosure of the defaulting Owner's Condominium Unit by the Association in the manner of a deed of trust or mortgage on real property upon the recording of a notice of claim thereof. In any such proceedings, the Owner shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure, all additional costs, all expenses and reasonable attorney's fees incurred. The Owner of the Condominium Unit being foreclosed shall be required to pay the Association the monthly assessment for the Condominium Unit during the period of foreclosure, and the Association shall be entitled to a receiver during foreclosure. The Association shall have the power to bid on the Condominium Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey and otherwise deal with the same.

(c) Any Qualified Lender holding a lien on a Condominium Unit may pay, but shall not be required to pay, any unpaid Common Expenses payable with respect to such Unit, and upon such payment, such Qualified Lender shall have a lien on such Unit for the amount paid of the same rank as the lien of its mortgage or encumbrance without the necessity of having to record a notice of claim of such lien. The Association shall report to the Qualified Lender of a Condominium Unit any assessments remaining unpaid for longer than sixty (60) days after the same are due; provided, however, that a Qualified Lender shall have furnished to the Association notice of its encumbrance.

(d) The recorded lien may be released by a Release of Lien signed by one of the members of the Association's Board of Directors or by one of the officers of the Association on behalf of the Association and recorded in the Office of the Register of Deeds of Douglas County, Nebraska.

(e) Notwithstanding any of the foregoing provisions, any Qualified Lender who obtains title to a Condominium Unit pursuant to the remedies set forth in its mortgage or deed of trust shall take title to the Unit free and clear of all Common Expense assessments levied thereon prior to such transfer of title and free and clear of all liens created as a result of such assessments.

8.10 Ascertainment of Unpaid Common Expenses.

(a) The Unit Owners and their mortgagees, prospective mortgagees or prospective grantees, upon ten (10) days written notice to the Board of Directors and upon payment of a reasonable fee, shall be furnished a statement of their account. The statement of account shall include the amount of any unpaid Common Expenses, the amount of the current assessments, the dates that assessments are due, the amount for any advanced payments made, prepaid items such as insurance policy premiums and reserves therefor and any deficiencies in reserve accounts such statement shall be conclusive upon the Association in favor of all persons who rely therein in good faith. Unless such request shall be complied with within twenty (20) days after receipt of such written request, all unpaid Common Expenses which become due prior to the date of such request will be subordinate to the rights of an Eligible Mortgagee requesting such statement.

(b) The provisions set forth in this Section shall not apply to the initial sales and conveyances of the Condominium Units made by Declarant, and such sales shall be free from all unpaid Common Expenses to date of conveyance made or to a date as agreed upon by Declarant and Declarant's grantee.

8.11 Priorities of Association and Recreational and Maintenance Association Lien for Common Expenses. The Owner of a Condominium Unit may create junior deeds of trust or mortgages (junior) to the lien, deed of trust or other encumbrances of an Eligible Mortgage or other liens or encumbrances of the Condominium Unit; provided, however, that any such junior mortgage, deed of trust, lien or encumbrance will always be subordinate to the prior and paramount lien of the Association for Common Expenses, and subject to all of the terms, conditions, covenants, restrictions, uses, limitation and obligations under this Declaration and By-Laws, and, provided, further, that the holder of any such junior encumbrance shall release its security interest in any Unit for the purposes of restoring any Improvements upon the encumbered Condominium Unit and all of the Unit Owner(s) rights, title and interest in and to the proceeds under all insurance policies upon said premises by the Association. Such release shall be furnished forthwith by a junior mortgagee upon written request of the Association, and if such request is not granted, such release may be executed by the Association as attorney-in-fact for such junior mortgagee.

ARTICLE IX - INSURANCE - DAMAGE, DESTRUCTION AND RECONSTRUCTION

9.1 Scope of Coverage. Commencing not later than the date of the first conveyance of a Unit to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

(a) Property insurance on the Common Elements, Limited Common Elements and Units, exclusive of any improvements and betterments installed in Units by the Owners thereof, and other than the original improvements and betterments installed or constructed within any Unit by the Declarant (which shall be covered by the Association's insurance), insuring against all risk of direct physical loss commonly insured against in an amount equal to the maximum insurable replacement value of the Common Elements, Limited Common Elements and Units, as determined by the Board of Directors; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy.

(b) Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board of Directors, but not less than One Million Dollars (\$1,000,000.00) *per injury or injuries, including death, arising out of a single occurrence*, and Fifty Thousand Dollars (\$50,000.00) property damage; or, in the alternative, a liability policy affording coverage for bodily injury and property damage with a combined single limit in an amount not less than One Million Fifty Thousand Dollars (\$1,050,000.00). The policy or policies shall cover the Association, the Association's Board of Directors and the officers of the Association, committee members, all agents and employees of the Association and all Owners and other Persons entitled to occupy any Unit or other portion of the Condominium Unit for occurrences commonly insured against, arising out or in connection with the use, ownership or maintenance of the Common Elements, Limited Common Elements, or other portion of the Condominium which the Association has the responsibility to maintain and shall also include hired automobile and non-owned automobile coverage with cost liability endorsements to cover liabilities of the Owner.

(c) Fidelity insurance coverage for anyone who either handles (or is responsible for handling) funds that it holds or administers, regardless of whether that individual receives

compensation for services. Such policy shall provide that it may not be cancelled or substantially modified without at least ten (10) days prior written notice to the Association and any Eligible Mortgagees.

(d) Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners.

(e) The insurance policies purchased by the Association, to the extent reasonably available, shall contain the following provisions:

- (i) Each Owner shall be an insured under the policy with respect to liability arising out of his ownership of an undivided interest in the Common Elements or their membership in the Association.
- (ii) There shall be no subrogation with respect to the Association, its agents, servants, and employees, or with respect to the Owners and members of their household. Each party hereby waives, releases and discharges any right of subrogation against the other for any loss arising out of damage to or destruction of all or any portion of the Property or contents thereof when such loss is caused by any perils included within either party's insurance provisions.
- (iii) No act or omission by any Owner, unless acting within the scope of their authority on behalf of the Association, shall void the policy or be a condition to recovery on the policy.
- (iv) The coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased separately by Owners or their mortgagees or beneficiaries under deeds of trust.
- (v) A "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners.
- (vi) Statement of the name of the insured as Park Plaza Condominium Association, Inc., for the use and benefit of the individual Owners (designated by name if required by the insurer).

(vii) For policies of hazard insurance a standard mortgagee clause providing that the insurance carrier shall notify the Qualified Lender named in the policy at least ten (10) days in advance of the effective date of any reduction or cancellation of the policy.

(viii) "Agreed Amount" and "Inflation Guard" endorsements.

It shall be the duty of the Board at least annually to conduct an insurance review to determine if the policy enforced is adequate to meet the need of the Association and to satisfy the requirement of this Declaration and the Act. Such responsibility may be performed and shall be deemed reasonably performed, by the Board's Managing Agent requesting the Association's insurance agent to verify that the insurance policies in existence meet the needs of the Association as set forth herein and satisfies the requirements of this Declaration and the Act. In all events, each Owner shall have the right to obtain additional coverage for such improvements, or betterments or personal property within the Unit as its own expense. Each policy may contain reasonable deductibles and the amount thereof shall be added to the face amount of the policies in determining whether the insurance equals at least full replacement cost.

9.2 Certificate of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each Eligible Mortgagee in the insurance policy.

9.3 Payment of Premiums. Premiums for all insurance obtained by the Association pursuant to this Article shall be Common Expenses and shall be paid for by the Association.

9.4 Insurance Obtained by Owners. The issuance of insurance policies to the Association pursuant to this Article shall not prevent an Owner from obtaining insurance for their own benefit and at their own expense covering their Unit, personal property and providing personal liability coverage.

3

9.5 Payment of Insurance Proceeds. Any loss covered by property insurance obtained by the Association in accordance with this Article shall be adjusted by the Association and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. The Association shall hold any insurance proceeds in trust for Owners and lienholders as their interests may appear. Subject to the provisions of Section 9.6 and 9.7 of this Article, the proceeds shall be disbursed for the repair or restoration of the damage to Common Elements, Limited Common Elements and Units. Owners and lienholders shall not be entitled to receive payment of any portion of the proceeds unless there is a surplus of record after the Common Elements, Limited Common Elements and Units have been completely repaired or restored, or the Declaration terminated.

9.6 Use of Insurance Proceeds. In the case of fire or any other casualty, the insurance proceeds, if sufficient to reconstruct any Improvements so damaged or destroyed, shall be applied to such reconstruction. Reconstruction of the Improvements, as used herein, means restoring the insured Improvements to substantially the same condition in which it existed prior to the fire or other disaster, with each Unit and the Common Elements having the same vertical and horizontal boundaries as before.

9.7 Procedure where Insurance Proceeds are Insufficient. In case of fire or other casualty, if the insurance proceeds are insufficient to reconstruct the Improvements and the Condominium Unit Owners and all other parties in interest do not voluntarily make provision for reconstruction of the Improvements within 180 days from the date of damage or destruction, the Association may record a notice setting forth such facts; and upon the recording of such notice:

(a) The Property shall be deemed to be owned as tenants-in-common by the Condominium Unit Owners;

(b) The undivided interest in the Property owned in common of each Condominium Unit Owner shall be the percentage of undivided interest previously owned by such Unit Owner in the Common Elements;

(c) Any liens affecting any of the Condominium Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Condominium Unit Owner in the Property as provided herein; and

(d) The Property shall be subject to an action for partition at the suit of any Condominium Unit Owner, in which event the net proceeds of such sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund, and shall be divided among all the Condominium Unit Owners in a percentage equal to the percentage of undivided interest owned by each Unit Owner in the Property, but only after first paying out of the respective share of each Condominium Unit Owners, (to the extent sufficient for the purpose) all liens on the undivided interest in the Property owned by such Condominium Unit Owner.

9.8 Insurance Deductibles. If maintenance is required as a result of an insured loss, the amount of the deductible shall be considered a maintenance expense to be paid by the Person or Persons who would be responsible for such repair in the absence of insurance. If the loss affects more than one (1) Unit, or a Unit and Common Elements, the cost of the deductible may be apportioned equally by the Board of Directors among the parties suffering loss in accordance with the total cost of repair.

ARTICLE X - MORTGAGES

10.1 Requirements.

(a) Any mortgage or other lien on a Unit and the obligations secured thereby shall be deemed to provide, generally, that the mortgage or other lien instrument and the rights and obligations of the parties thereto shall be subject to the terms and conditions of the Act and this Declaration and shall be deemed to provide specifically, but without limitation, that the mortgagee or lien holder shall have no right (i) to participate in the adjustment of losses with insurers or in the decision as to whether or not, how to repair or restore damage to or destruction of the Property, or (ii) to receive or apply the proceeds of insurance to the reduction of the mortgage debt or otherwise, except in the event and to the extent either of a distribution of such proceeds to Unit Owners pursuant to Section 76-871 of the Act or of insurance proceeds in excess of the cost of repair or restoration being received by the Owner of the Unit encumbered by such mortgage; or (iii) to accelerate the mortgage debt or to have any other remedies by virtue of waste or alleged waste or other conditions occurring anywhere on the Property other than within the affected Unit, and the obligation secured shall be pre-payable, without penalty, upon the happening of any termination of the Condominium or determination not to restore or replace the affected Unit. Nothing contained in

3

Section 10.1(a) hereinabove or elsewhere in this Declaration shall give a Unit Owner, or any other party, priority over any rights of the mortgagee of a Unit pursuant to its mortgage in case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for loss to or a taking of one or more Units and/or Common Elements.

(b) No Unit Owner or purchaser of a Unit shall deliver any mortgage or other lien instrument secured by a Unit, or any obligation to be secured thereby, unless it has first notified the Board of the name and address of the proposed mortgagee or lien holder, the amount of the debt proposed to be so secured, and has submitted to the Board a copy of the form of the proposed mortgage and note or other instrument of obligation. When a mortgage other than (i) a first mortgage or (ii) a junior mortgage to the Declarant or Seller of a Unit is delivered to the Board, the Board shall promptly notify the proposed mortgagee whether such mortgagee has been approved by the Board as a Qualified Lender.

10.2 Qualified Lenders.

(a) When a mortgage is delivered to a Qualified Lender or other lien holder, the Unit Owner shall simultaneously provide executed or conformed copies to the Board. Upon receipt of such copy of a mortgage or other lien, the Secretary of the Board shall instruct the insurer of the property to add the name of the Qualified Lender or other lien holder to the mortgagee loss payable provision of the hazard insurance policy covering the property and to provide such Qualified Lender or other lien holder with a Certificate of Insurance showing that the Qualified Lender's or other lien holder's name has been so added.

(b) The Secretary shall maintain a register of Qualified Lender showing the names and addresses of the Qualified Lender, the amount secured by each Qualified Lender, and whether such amount secured is a first mortgage.

10.3 Rights of Qualified Lenders.

(a) Upon the specific written request of an Eligible Mortgagee on a Unit or its servicer to the Board, the mortgagee shall be entitled to receive some or all of the following as designated in the request;

- (i) Copies of budgets, notices of assessment, or any other notices or statements provided under this Declaration by the Board to the Owner of the Unit covered by the mortgage;
- (ii) Any audited or unaudited financial statements of the Board which are prepared for the Board and distributed to the Unit Owners. The holder of any mortgage on a Unit shall be entitled to obtain an audited statement at its own expense, if one is not otherwise available;
- (iii) Copies of notices of meetings of the Unit Owners and the right to be represented at any such meetings by a designated representative;
- (iv) Notice of substantial damage to or destruction of any Unit or Units that are subject to any mortgage (in excess of \$1,000) or any part of the Common Elements (in excess of \$10,000);
- (v) Notice of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Property;
- (vi) Notice of any default of the Owner of the Unit which is subject to the mortgage, where such default is not cured by the Unit Owner after the giving of notice by the Association to the Unit Owner of the existence of the default within any applicable cure period;
- (vii) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;
- (viii) Notice of any decision by the Executive Board to terminate professional management and assume self-management of the Property;
- (ix) Any condemnation or casualty loss that affects either a material part of the Condominium or the Unit securing the Qualified Lender's mortgage;
- (x) Such other financial data as such Qualified Lender shall reasonably request; or
- (xi) Any proposed action which would require the consent of a specified percentage of first mortgagees as set forth in Section 12.2, below.

(b) The request of a Qualified Lender or its servicer shall specify which of the above items it desires to receive and shall indicate the address to which any notices or documents shall be sent by the Board. The Board need not inquire into the validity of any request made hereunder by a Qualified Lender. The Board may refuse to honor any request where, after reasonable inquiry, it shall determine that the person making such request is not entitled to the material so requested and may establish reasonable rules to implement this Section 10.3(b).

(c) Failure to comply with the requirements set forth above shall in no way invalidate the otherwise proper actions of the Association and the Board.

(d) Any Qualified Lender shall have the right, exercisable upon written request to the Board, to examine the books and records of the Association at any reasonable time and with the payment of a reasonable fee established by the Board from time to time.

(a) To create additional Units, Common Elements, Limited Common Elements within all or any part of the Condominium or Additional Property, which Additional Units may be designated on the Plans as Additional Units or as "Reserved" or "Reserved for Future Development"; and to add Additional Property to the Condominium, provided, however, that the maximum number of Units which the Declarant reserves the right to create shall not exceed Twenty (20) additional

The Declarant shall exercise this option by its adoption, execution or recordation of an Amendment to this Declaration by recording such certificates and plans as required by the Act. Such amendment shall be adopted by the Declarant pursuant to the terms hereof without the consent of any Unit Owners. From time to time, as the Declarant shall file permitted amendments to this Declaration adding portions of the Additional Property to the Condominium and additional common elements and each then Owner and each Person or entity thereafter becoming an Owner and its successors in title shall, upon the reallocation of such Common Elements or Limited Common Elements automatically be vested with his or her appropriate Allocated Interest computed

EXHIBIT D
BY-LAWS OF PARK PLAZA CONDOMINIUM
ASSOCIATION, INC.

ARTICLE I
NAME AND LOCATION

The name of the Corporation is PARK PLAZA CONDOMINIUM ASSOCIATION, INC., hereinafter referred to as the "Association". The principal office of the corporation shall be as designated by the Board of Directors from time to time, and meetings of Members and Directors may be held at such places within Douglas County, Nebraska, as may be designated by the Board of Directors.

ARTICLE II
DEFINITIONS

All terms shall be defined in accordance with the definitions contained in the Declaration and Master Deed of Park Plaza Condominium Property Regime and By-Laws and any amendments thereto (the "Declaration").

ARTICLE III
PROPERTY RIGHTS: RIGHTS OF ENJOYMENT

Each Member shall be entitled to the use and enjoyment of the Common Elements and facilities as provided in the Declaration. Any Member may assign his rights of enjoyment of the Common Elements and facilities to the members of his family or his or her tenants who reside on the Property, or any contract purchasers.

ARTICLE IV
MEMBERSHIP

Section 1: Membership. The membership of the Association shall consist of all Owners of Condominium Units in the Park Plaza Condominium Property Regime. Membership in the Association shall be mandatory and no Owner during his ownership of a Condominium Unit shall have the right to relinquish or terminate his membership in the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation.

Section 2: Succession. The membership of each Condominium Unit Owner shall terminate when they cease to be an Owner of a Condominium Unit, and their membership in the Association shall automatically be transferred to the new Owner succeeding to such ownership interest.

ARTICLE V
MEMBERSHIP MEETINGS

Section 1: Annual Meeting. The annual meeting of the Association shall be held at the office of the Association or at such other suitable place convenient to the Unit Owners as may be designated by the Board at least forty-five (45) days before the beginning of each fiscal year. Each annual meeting shall be for the purpose of electing Directors and transacting any other business authorized to be transacted by the Members. If the date set for the annual meeting of the Membership is a legal holiday, the meeting will be held at the same hour on the first day following such legal holiday.

Section 2: Special Meetings. Special meetings shall be held whenever called by the President or Vice-President or by a majority of the Association's Board of Directors, and must be called by such officers upon receipt of a written request from Members entitled to cast one-third of the votes of the entire membership.

Section 3: Notice of Meetings. Notice of all meetings, stating the time, date, place and purpose for which the meeting is called, shall be given by the President or Vice-President or Secretary, unless waived in writing. Such notice shall be in writing to each Member at the last known address shown on the records of the Association and shall be mailed at least ten (10) days but no more than sixty (60) days prior to the date of the meeting. Proof of such mailings shall be made by affidavit, duly executed by the Person giving the notice. Notice of meeting may be waived before or after any such meeting.

Section 4: Quorum. A Quorum at any meeting shall consist of twenty (20%) percent of those Persons entitled to cast all votes of the Association. If any meeting of the Members cannot be organized because a quorum has not attended, the Members present either in Person or by proxy, may adjourn the meeting for at least ten (10) days, and adequate notice of the new date shall be given as described in Section 3 of this Article.

Section 5: Voting.

(a) Unless specifically required by the Declaration, each Member shall be entitled to cast one vote for each Unit owned by that Member. If a Unit is owned by one person, his/her right to vote shall be established by the record title to the Unit. If a Unit is owned by more than one Person, or if a Unit is owned by a corporation, limited liability company, partnership, trust or any other organization, the vote for such Unit shall be exercised as such multiple Owners or representatives thereof, between or among themselves, determined; provided in no event shall more than one (1) vote be cast with respect to any Unit. In the event of disagreement among such multiple Persons or representatives of such corporation, limited liability company, partnership, trust or any other organization and an attempt by two (2) or more of them to cast such vote or votes, such Persons shall not be recognized, and such vote or votes shall not be counted. No Owner shall be eligible to vote, either in person or by proxy, if that Owner is shown in the books or management accounts of the Association to be more than sixty (60) days delinquent in any payment due the Association or is under suspension for the infraction of any provision of the Declaration or any rule or provision of the Condominium Documents.

(b) Except where a greater number is required by Act or the Declaration, a majority vote is required to adopt decisions at any meeting of the Association. If the Declarant owns or holds title to one or more Units, the Declarant shall have the right at any meeting of the Association to cast one vote for each Unit it owns.

(c) As to any decisions or issues relating to the Units or the Limited Common Elements, the Association shall vote as follows: (i) with respect to any matters relating to the Residential Unit(s) or Limited Common Element(s) relating thereto, only the Residential Units shall be entitled to vote; (ii) with respect to the Commercial/Office Unit(s) (or any portion thereof) or any Limited Common Element(s) relating thereto, only the Owner(s) of the Commercial/Office Unit shall be entitled to vote; and (iii) with respect to the Common Elements, including, but not limited to, the roof, structure, exterior walls and exterior appearance of the Condominium, exterior appearance of the Condominium, or utilities from the right-of-way to the Condominium and sidewalks, shall be the combined majority vote of the Residential Unit Owners Committee and the Commercial/Office Unit Owners Committee.

Section 6: Proxies. Votes may be cast in Person or by proxy as provided in the Act.

ARTICLE VI
BOARD OF DIRECTORS

Section 1: Original Number. During the Period of Declarant Control, the business of the Association shall be managed by a Board of Directors of at least three (3) Directors who shall be appointed by the Declarant and shall serve without compensation. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties as a Director. At end of the Period of Declarant Control, the membership of the Board

shall always be comprised of five (5) Persons, two (2) of which must be elected by the Commercial/Office Unit Owners and three (3) of which must be elected by the Residential Unit Owners.

Section 2: Term of Office. Other than the three (3) Directors appointed by Declarant during the Period of Declarant Control, the Directors shall be elected as provided in the Declaration and these By-Laws. The Directors appointed by the Declarant shall be elected for terms staggered on a one (1), two (2) and three (3) year basis. After the initial term of each such Director, all thereafter, Directors shall be elected for two (2) years terms. Without regard to the time when the Period of Declarant Control terminates, the Association shall hold a First Transitional Election not later than sixty (60) days after the conveyance of twenty-five (25%) percent of the Residential Units to the Residential Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. A Second Transitional Election shall be held by the Association not later than sixty (60) days after the conveyance of a total of fifty (50%) percent of the Residential Units to Residential Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. The transitional Directors shall be elected for two (2) year terms. At the first annual meeting of the Association following the transition election, if the Period of Declarant Control is still in effect, the Declarant shall appoint three (3) members of the Board and the Unit Owners other than Declarant shall elect the remaining Board members. If the Period of Declarant Control has ended, the Residential Unit Owners shall elect three (3) members to the Board and the Commercial/Office Unit Owners shall elect two (2) members to the Board. Each Director shall serve for the term set forth hereinabove and until his or her successor is duly elected and qualified, or until removed from office as provided herein.

Section 3: Qualifications. The Directors appointed by the Declarant or elected by the Commercial/Office Unit Owners need not be resident of the State of Nebraska nor members of the Association. The Directors elected by the Residential Unit Owners need not be resident of the State of Nebraska, but must be members of the Association. If a Director shall cease to meet such qualifications during their term, he will thereupon cease to be a Director, and his place on the Board shall be deemed vacant. The requirements of this Section shall not apply to Directors appointed by the Declarant.

Section 4: Removal. Other than the Directors appointed by the Declarant, any Director may be removed from the Board, with or without cause, by concurrence of a Super-Majority Vote of the Members.

Section 5: Vacancies. In the event of the death, resignation or removal of a Director, their successor shall be selected by a majority of the remaining members of the Board and shall serve for the unexpired term of their predecessor.

ARTICLE VII NOMINATION AND ELECTION OF DIRECTORS

Section 1: Nomination. After the termination of the Period of Declarant Control, nomination for election to the Board shall be made by any Unit Owner. Nominations may also be made from the floor at the annual meeting by a Member in good standing.

Section 2: Election. The election shall be by ballot (unless dispensed with by unanimous consent) and by a plurality of votes cast. Each person entitled to vote may cast his vote for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting.

ARTICLE VIII MEETING OF DIRECTORS

Section 1: Regular Meeting. Regular meetings of the Board of Directors shall be held at such times and places which are determined, from time to time, by a majority of the Association's Board of Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or equivalent service, at least five (5) days prior to the date of any regular meeting. Notice of meeting may be waived before or after any such meeting.

Section 2: Special Meetings. Special meetings of the Board of Directors may be held at the request of the President, Vice-President or Secretary, and must be held at the written request of two-thirds (2/3) of the Directors. Notice of special meetings shall be given to each Director, personally or by mail, telephone or equivalent service, at least five (5) days prior to the date of any special meeting. Such notice shall state the time, date, place and purpose of the special meeting. Notice of meeting may be waived before or after any such meeting.

Section 3: Quorum. A quorum at Director's meetings shall consist of fifty (50%) percent of the votes (in person or by proxy) thus represented of the entire Association's Board of Directors present at the beginning of a meeting. The acts approved by a majority of those Directors present at any meeting at which a quorum is present shall constitute the acts of the Association, except where approval by a greater number of Directors is required by the Declaration of Condominium or these By-Laws. If at any meeting of the Board of Directors less than a quorum is present, the majority of those present may adjourn the meeting until a quorum is present. Upon reconvening an adjourned meeting, any business called may be transacted without the necessity of providing any further notice. Directors may attend any such meeting in person or by proxy or by telephonic or video conference call.

Section 4: Action Taken Without A Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

Section 5: Common or Interested Board Members. Each Director shall exercise such Director's powers and duties in good faith and with a view to the interests of the Condominium. No contract or other transaction between the Association and any of its Board members; or between the Association and any corporation, firm or association (including the Declarant) in which any of the Board members of the Association are directors or officers or are pecuniarily or otherwise interested, is either void or voidable because any such member is present at the meeting of the Board or any committee thereof which authorizes or approves the contract or transaction, or because such Director's vote is counted for such purpose, if any of the conditions specified in any of the followings subsections exist:

(a) The fact of the common directorate or interest is disclosed or known to the Board or a majority thereof or noted in the minutes, and the Board authorizes, approves or ratifies such contract or transaction in good faith by a vote sufficient for the purpose;

(b) The fact of the common directorate or interest is disclosed or known to at least a majority of the Unit Owners, and the Unit Owners approve or ratify the contract or transaction in good faith by a vote sufficient for the purpose; or

(c) The contract or transaction is commercially reasonable to the Association at the time it is authorized, ratified, approved or executed.

Any common or interested Board members may be counted in determining the presence of a quorum of any meeting of the Board or committee thereof which authorizes, approves or ratifies any contract or transaction, and

may vote at the meeting to authorize any contract or transaction with like force and effect as if such Board member of the Association were not an officer or director of such other corporation, firm or association or not so interested.

ARTICLE IX POWERS AND DUTIES OF THE BOARD OF DIRECTORS

Section 1: Powers. The Board of Directors shall have the power to:

- (a) Elect and remove the officers of the Association;
- (b) Adopt and publish rules and regulations governing the use of the Common Elements, Limited Common Elements and related facilities, and the personal conduct of the Members and their guests thereon, and to establish penalties for the infraction thereof;
