Title to units may be taken in the name of an individual or in the names of two or more persons, as tenants in common or as joint tenants, or in the name of a corporation or partnership, or in the name of a fiduciary.

Section 4. Involved Property.

The property described in Paragraph II of the Master Deed, as located in Douglas County, Nebraska, has been submitted to the provisions of Sections 76-801 through 76-823, R.R.S. of Nebraska, known as the "Condominium Property Act" by the Master Deed recorded simultaneously herewith in the Office of the Register of Deeds of Douglas County, Nebraska, and which condominium shall hereinafter be referred to as the "Condominium".

Section 5. Application.

All present and future owners, mortgagees, lessees and occupants of condominium units and their employees, and any other persons who may use the facilities of the Regime in any manner are subject to these By-Laws, the Master Deed and the Rules and Regulations.

The acceptance of a deed or conveyance or mortgage, or the entering into of a lease or the act of occupancy of a condominium unit shall constitute an agreement that these By-Laws, the Rules and Regulations, and the provisions of the Master Deed, as they may be amended from time to time, are accepted, ratified, and will be complied with.

ARTICLE II. UNIT OWNERS

Section 1. Annual Members' Meetings.

Upon January 1, 1985; upon the closing of the sale of the twenty-second (22nd) unit; or as soon as the Developer, Medallion Homes, Inc., shall relinquish control of the Board of Administrators, whichever shall first occur, the initial meeting of the Association unit owners shall be held.

At such meeting, the original Board of Administrators shall resign as members of the Board of Administrators and as officers, and all the unit owners, including the Developer, shall elect a new Board of Administrators. Thereafter, the annual meetings of the unit owners shall be held on the second Monday of January of each succeeding year. ...shall be held, to each unit owner of record, at the address of such owner as such unit owner shall designate in writing to the Secretary. The service of notice of meeting in the manner provided by this section shall be considered proper service of notice.

Section 6.

...for Association unit owners' meetings shall be the presence, in person or by proxy, of unit owners owning a majority of the total basic value of the Condominium. The percentages set forth in Exhibit "D" to the Master Deed shall, unless otherwise provided in these By-Laws or the Master Deed, govern.

Section 1. Indemnification.

Each Administrator and officer of the Association shall be indemnified by the Association against all costs and expenses, including attorney fees, reasonably incurred by or imposed upon him in connection with or resulting from any action, suit, or proceeding to which he may be made a party by reason of his being or having been a member of the Board of Administrators or a principal officer of the Association (whether or not he continues to be a member of the Board of Administrators or principal officer at the time of incurring such cost or expense), except in relation to matters as to which a recovery shall be had against him by reason of his having been finally adjudged in such action, suit or proceeding to have been derelict in the performance of his duty as a member of the Board of Administrators or principal officer of the Association. The foregoing qualifications shall not, however, prevent a settlement by the Association prior to final adjudication when such settlement appears to be in the best interests of the Association. The right of indemnification herein provided shall not be exclusive of other rights to which any member of the Board of Administrators or principal officers may be entitled as a matter of law.

ARTICLE VI. DUES, ASSESSMENTS, AND OTHER FINANCIAL MATTERS

Section 1. Fiscal Year.

The fiscal year of the Association shall coincide with the calendar year unless otherwise directed by the Board of Administrators.

Section 2. Budget.

At the beginning of each fiscal year, the Board of Administrators shall prepare and file, in reasonably itemized detail, an annual budget showing the estimated anticipated expenses, expenditures and general operating costs of the Association for said upcoming fiscal year. Such budget may be amended by the Board of Administrators during the current fiscal year where necessary, but copies of the amended budget and proposed increase or decrease in assessment shall be mailed to each unit owner prior to the effective date of such increase or decrease.

Section 3. Annual Assessments.

The first annual assessment shall be levied against each unit and the owner thereof on January 1, 1985, or January 1 of the first fiscal year after relinquishment of control of the Association by Developer, whichever shall first occur. The annual assessment shall be divided as evenly into twelve (12) monthly payments as possible with the first payment to include the remainder after division. These monthly payments shall become due and payable upon the 15th of January and the 15th of each month thereafter during the fiscal year. Annual assessments for each fiscal year thereafter shall be levied and shall become due payable in the same manner. Annual assessments to be levied against each unit and the owner thereof shall be computed according to such unit's pro-rata share of the total annual budget for the fiscal year based upon the percentage of such unit's basic value as set forth in Exhibit "D" to the Master Deed; Provided that, as to units not yet under construction upon said dates or units then under construction but as then not yet completed, the assessment amount as to such units shall be five dollars (\$5.00) per month until a certificate of occupancy shall have been issued by the City of Omaha as to each such unit.

Section 4. Interim Assessments.

Until after January 1, 1985, or until the first levy of annual assessments accorded to Section 3 of this Article, after the Developer shall relinquish control of the Association, whichever shall first occur, the following interim assessments, subject to adjustment as set forth in this Article, shall be due and payable on the first day of each calendar month:

Until December 31, 1984, or until Developer shall relinquish control of the Association according to the provisions of the By-Laws, whichever shall first occur, Developer hereby agrees to pay, in lieu of paying interim assessments upon units owned by it, any deficiency between assessments collected and the actual expenses of the Association. This payment of

expenses shall not constitute a responsibility of Developer to supervise or control maintenance or operation of the Condominium Regime, which responsibility shall rest solely in the hands of the Board of Administrators. Developer does not assume any liability for extraordinary loss or liability but Developer's status shall be only that of any other owner who is a member of the Association. Interim assessments as to any unit purchased from Developer, shall be pro-rated from the date of closing.

Section 5. Increases and/or Decreases in Assessments.

Interim assessments in the amount shown in Section 4 of this Article shall not be increased more than ten percent (10%) during the first fiscal year after the filing of the Master Deed, and during each succeeding fiscal year thereafter, interim assessments may not be increased more than ten percent (10%) above the level of the immediately preceding year. Annual assessments may not be increased by more than ten percent (10%) above the level of the immediately preceding year except upon approval of owners holding more than fifty percent (50%) of the total basic value of the Regime as set forth on Exhibit "D" to the Master Deed.

Section 6. Special Assessments.

Special assessments may be assessed and levied against each unit, in addition to the annual or interim assessments provided for above, during any assessment year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, improvement, repair or replacement of a capital improvement of the common elements, including fixtures and personal property, subject to the owner approval provisions of the Master Deed and these By-Laws or for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, improvement, repair or replacement of a limited common element. Where no owner approval provision is applicable, the discretion of the Board of Administrators shall control. Special assessments with respect to common elements shall be levied upon an allocation formula based upon the percentage of each unit's basic value as set forth in Exhibit "D" to the Master Deed. Special assessments with respect to limited common elements may, at the discretion of the Board of Administrators, be levied upon an allocation formula based upon the percentage of each unit's basic value as set forth in Exhibit "D" to the Master Deed or may be levied pro rata against the unit or units to which the subject limited common element is appurtenant.

Special assessments shall be due and payable thirty (30) days after the assessment is levied against the applicable unit or units and notice thereof has been given to the respective owners, and special assessments not paid within thirty (30) days thereafter shall be treated according to the interest and lien provisions hereafter provided.

Section 7. Escrow of Assessments.

The administrators of the Association may require that all assessments set forth in this Article be paid into an escrow fund to be held and managed by a bank or savings and loan association. Unit owners may be required to execute transmatic or similar automatic withdrawal authorizations with respect to annual assessments. Failure of a unit owner thereafter to pay his annual assessments according to such a plan shall constitute default thereof entitling the Association to accelerate the due date of such annual assessments.

Assessment Liability.

Each unit owner or, if more than one, owners, jointly and severally shall be personally liable for the payment of assessments under the preceding Sections. Upon the expiration of thirty (30) days from the due date of an assessment, if said assessment remains unpaid, the Association may bring suit against the owner or owners of said unit for recovery of the same. If the assessment is a monthly installment of an annual assessment, the default shall be payment of one installment within said thirty (30) days. At the option of the Association, cause the remainder of the installments for that annual period to become immediately due and payable. The defaulting unit shall be liable for the current assessment or assessments, interest thereon from the due date to the date paid at the highest legal rate chargeable to individuals in Nebraska, and attorney fees and expenses incurred in the collection of the same. No proceeding to collect defaulted assessments pursuant to this Section shall constitute a waiver of the lien of the Association against said defaulting owner's unit nor a waiver of the right of the Association to foreclose thereon.

The grantee of a unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor; provided, however, that upon payment of a reasonable fee and upon written request, any such prospective grantee shall be entitled to a statement from the Board of Administrators, or the manager, which shall be conclusive upon the Association in favor of all persons relying thereon in good faith. Unless such request for a statement of indebtedness shall be complied with within fifteen (15) days of the date of receipt of request by the Association, then such grantee shall not be liable for, nor shall the condominium unit conveyed be subject to, a lien for any unpaid assessments accruing prior to the date of such request. However, the grantor shall remain personally liable therefor.

The provisions set forth in this Section shall not apply to the initial sales and conveyances of the condominium units made by Developer, and such sales shall be free from all assessments to the date of conveyance.

Section 9. Assessment Lien.

If any unit owner shall fail to refuse to make any payment of an assessment when due, the amount thereof shall constitute a lien on the interest of the unit owner in his unit and the Administrators may record such lien in the office of the Registrar of Deeds; whereupon, said lien shall be privileged over and prior to all liens and encumbrances except assessments, liens and charges for taxes past due and unpaid on the unit and except prior duly recorded mortgage and lien instruments. Assessments delinquent more than thirty (30) days after the due date shall bear interest at the highest legal rate for individuals in Nebraska from the due date until paid. The delinquency of one installment of an annual assessment beyond the thirty (30)-day period shall cause all remaining installments, at the option of the Association, to immediately due and payable. The Board of Administrators shall have the right and duty to attempt to recover the common charges, together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action to enforce the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 76-817 of

the Condominium Act. In any action brought by the Board of Administrators to foreclose a lien on a unit because of unpaid assessments, the unit owner shall be required to pay a reasonable rental for the use of his unit from the date of institution of the proceeding and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Administrators, acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale, and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving the lien securing the same.

Section 10. Statement of Unpaid Assessments.

Upon payment of a reasonable fee, not to exceed Seventy-Five Dollars (\$75.00), and upon the written request of any owner, prospective purchaser or of any mortgagee of a condominium unit, the Board of Administrators, or the managing agent, shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to the subject unit, the amount of the current periodic assessment and the date that such assessment becomes due, any penalties due, and credit for advance payments or for prepaid items, which statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith.

Section 11. Nonwaiver.

The omission or failure to timely fix any assessments or deliver or mail a statement for any period shall not be deemed a waiver, modification or a release of the owners from their obligation to pay the same.

ARTICLE VII. INSURANCE

Section 1. Coverage.

The Board of Administrators shall obtain and maintain, to the extent obtainable, the following insurance: fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring the entire condominium improvements and any other property, whether or not a common element (including all of the appliances and fixtures therein initially installed by the Developer but not including furniture, furnishings, fixtures or other personal property supplied by or installed by unit owners), together with all service equipment contained therein in an amount equal to the full replacement value, without deduction for depreciation, and which shall contain a standard noncontributory mortgage clause in favor of each mortgagee of a condominium unit which shall provide that the loss, if any, hereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Administrators hereinafter set forth in Article XI; public liability insurance in such limits as the Board of Administrators may from time to time determine, covering the Association, each member of the Board, the Managing Agent, agents and employees of the Association and each unit owner; and such additional coverage as the Board of Administrators may from time to time determine is appropriate. Such public liability coverage shall also cover cross liability claims of one insured against the other and shall contain waivers of subrogation.

originals of all policies of physical damage insurance and renewals thereof, together with proof of payment, shall be delivered to all mortgagees of units at least (10) days prior to expiration of the then current policy. The cost of such policies shall be a common expense.

The Board of Administrators shall determine, at least annually, the replacement value of the condominium buildings and, in so doing, may employ such experts as the Board may feel necessary.

Section 2. Provisions.

All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on insurance or of invalidity arising from any acts of the insured and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice to all of the insureds, including mortgagees.

Section 3. Insurance by Unit Owners.

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and provided, further, that no unit owner shall have the right to insure any of the common elements individually.

Insurance coverage on furnishings and other items of personal or other property belonging to an owner and public liability coverage within each unit shall be the sole and direct responsibility of the unit owner thereof, and the Board of Administrators and the Association shall have no responsibility therefor.

ARTICLE VIII. MAINTENANCE AND ALTERATIONS

Section 1. Maintenance.

The unit owner shall have the obligation to maintain and keep in good repair the interior surfaces of walls, ceilings and floors (including carpeting, tile, wallpaper, paint or other covering) as well as all fixtures and appliances, located within each owner's unit. An owner shall not be responsible to the Association for repair to common elements or limited common elements by casualty, unless such casualty is due to the act or negligence of the owner, his guests, invitees or tenant. All maintenance, including lawn maintenance and snow removal, repairs and replacements to the general and limited common elements, shall be made by the Association and be charged to all the unit owners as a common expense, unless such maintenance, repair, or replacement is necessitated by the negligence, misuse or neglect of a unit owner, in which case, such expense shall be charged by the Association to such unit owner. All maintenance, repairs and replacements to the limited common elements shall be made by the

Association and the Board of Administrators, in its sole discretion, shall determine if the cost of such maintenance, repair, or replacement is to be charged to all the unit owners as if a common expense or if such cost is to be charged to the unit or units to which said limited common element is appurtenant as shown on Exhibit "C".

Section 2. Alterations by Unit Owner.

No unit owner shall make any structural addition, alteration or improvement in or to his unit, or the limited common elements pertaining thereto, including any exterior painting or exterior alteration or addition (including awnings, grills, etc.) without the prior written consent thereto of the Board of Administrators. The Board of Administrators shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Administrators to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Administrators only, without, however, incurring any liability on the part of the Board of Administrators or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this Section 2 shall not apply to units owned by the Developer until such units shall have been initially sold by the Developer and paid for.

Section 3. Alterations or Enlargement of Common Elements by Association.

There shall be no improvement nor enlargement of the common elements nor additions thereto if such improvement, enlargement or addition shall cost more than One Thousand Dollars (\$1,000.00) during any single fiscal year, unless and until such proposal is approved in writing by owners holding at least seventy-five percent (75%) of the total basic value of the Condominium Regime, using the percentages set forth in Exhibit "D" to the Master Deed, and until a proper amendment of the Master Deed, if required, has been duly executed, acknowledged and recorded pursuant to law.

The cost of the alteration or enlargement and of amending the Master Deed shall be a common expense and shall be collected by special assessment against all unit owners.

ARTICLE IX. RESTRICTIONS AND RESERVATIONS

Section 1. Use Restrictions.

In order to provide for congenial occupancy of the Condominium Regime and for the protection of the value of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

- (a) The units shall be used for residences only by the owner or owners thereof, their families, guests, invitees, lessees, and licensees. This restriction shall not apply to units owned by the Developer until such units shall have been initially sold by the Developer and paid for.

- (b) The common elements and facilities, including the limited common elements and facilities, shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of the units.
- (c) No nuisances shall be allowed on the Regime nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Regime.
- (d) No improper, offensive or unlawful use shall be made of the Regime or any part thereof, and all valid laws, zoning laws and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Regime shall be corrected, by and at the sole expense of the unit owners or of the Board of Administrators, whichever shall have the obligation to maintain or repair such portion of the Condominium Regime.

Section 2. Rules of Conduct.

Rules and regulations concerning the use of the units and the common elements and facilities, including the limited common elements and facilities, may be promulgated and amended by the Board of Administrators with the written approval of a majority of the unit owners. Copies of such rules and regulations shall be furnished by the Board of Administrators to each unit owner prior to the time when the same shall become effective. The original rules and regulations, effective until amended by the Board of Administrators with the approval of a majority of the unit owners, are annexed hereto and made a part hereof.

Section 3. Right of Access.

A unit owner shall grant a right of access to his unit to the Board of Administrators or to the manager and/or managing agent or any other person designated by the Board of Administrators, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or a common element or facility, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other facilities in his unit or elsewhere in the Buildings, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 4. Abatement and Enjoining of Violations.

The violation of any rule or regulation adopted by the Board of Administrators or the breach of any of these By-Laws contained herein, or the breach of any provisions of the Master Deed, shall give the Board of Administrators the right, in addition to any other rights set forth in these By-Laws:

- (a) To enter into the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Administrators shall not thereby be deemed guilty, in any manner, of trespass.
- (b) To enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.
- (c) To deny partially or wholly access to, benefit from, or use of all or any facilities, functions, or services, or suspend, partly or wholly, all or any rights or privileges of membership, or to take any other disciplinary action directed by the Board of Administrators.

ARTICLE X. MORTGAGES

Section 1. Notice to Board of Administrators.

A unit owner who mortgages his unit shall notify the Board of Administrators of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Board of Administrators. The Board shall maintain such information in a book entitled "Mortgagees of Units".

Section 2. Notice of Default.

The Board of Administrators, when giving notice to a unit owner of a default in paying assessments or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has therefore been furnished to the Board of Administrators.

Section 3. Examination of Books.

Each unit owner, each mortgagee of a unit and each prospective purchaser designated in writing by an owner shall be permitted to examine the books of account of the Association at reasonable times, upon a business day and during normal business hours as determined by the Board of Administrators, but in no event more often than once every three (3) months. Special requests for such examinations upon days other than those designated shall be granted or denied at the sole discretion of the Board of Administrators.

ARTICLE XI. DESTRUCTION, DAMAGE OR OBSOLESCENCE ASSOCIATION AS ATTORNEY-IN-FACT

Section 1. Association Attorney-In-Fact.

These By-Laws, as a part of the Master Deed, hereby make mandatory and irrevocable the appointment of the Association as attorney-in-fact to deal with the property and any insurance proceeds upon the damage of the property, its destruction, obsolescence, repair, reconstruction, improvement and maintenance,

to the provisions of this Article XI. Title to any unit is declared and expressly made subject to the conditions hereof, and acceptance by a grantee of a mortgage or other instrument of conveyance from the Association or from any owner or grantor shall constitute and bind the Association his true and lawful attorney in his name, place, and stead for the purpose of dealing with the property upon damage or destruction or obsolescence as is hereinafter provided. As attorney-in-fact, the Association, by its President and Secretary or Assistant Secretary or its other duly authorized officers or agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a unit owner which are necessary and appropriate to exercise the powers granted in this Article. Repair and reconstruction of the improvements, as used in the succeeding Sections of this Article mean restoring the improvements to substantially the same condition in which they existed prior to the damage, with each unit and the general and limited common elements having substantially the same vertical and horizontal boundaries as before.

Section 2. Damage or Destruction-Repair and Reconstruction Mandatory.

In the event of damage or destruction due to fire or other disaster, which damage or destruction is determined by the Board of Administrators to be less than seventy five percent (75%) of the total replacement cost of all the condominium units in this Regime, not including land, such damage or destruction shall be promptly repaired and reconstructed by the Association as attorney-in-fact, and the Association shall have full authority to deal with insurance proceeds in such repair and reconstruction.

In the event that insurance proceeds are insufficient to repair and reconstruct the improvements, the Association shall levy a special assessment upon all units of the Regime to provide an amount sufficient to conduct said repair and reconstruction along with insurance proceeds. Such assessment shall be levied and collected according to Section 6 of Article VI, and the Association shall also have the rights noted in Section 9 of Article VI. The owner approval provisions of Section 6 of Article VI or other similar provision contained herein shall not apply.

Section 3. Damage or Destruction-Repair and Reconstruction Optional.

In the event of damage or destruction due to fire or other disaster, which damage or destruction is determined by the Board of Administrators to be seventy-five percent (75%) or more of the total replacement cost of all of the condominium units in this Regime, not including land, the Board shall forthwith, within thirty (30) days of the occurrence of said damage or destruction, call a special members' meeting for the purpose of presenting to the unit owners the alternatives of repair and reconstruction or sale, pursuant to Section 4 or 5 of this Article. At such meeting, the Board shall present estimates of repair and reconstruction costs, the amount of insurance proceeds available, the projected necessity for, and amount, if any, of special assessments necessary to cover any deficiency in insurance proceeds, the projected sale price of the property as is, and projected distribution of all funds, including insurance proceeds, should the owners choose sale rather than repair and reconstruction. In arriving at such figures to be presented to the owners, the Board may employ such experts as deemed advisable. After presentation of all relevant financial information available to the Board, the owners may adopt either a plan of repair and reconstruction or a plan of sale. At the meeting, if a quorum is

present, either plan may be adopted by a majority vote, as defined in Section 7 of Article II. After the adoption of the plan, the Board of Administrators shall use all diligence to obtain the written approval of all unit owners who favor the plan adopted. Either plan shall require the written approval of owners of at least seventy-five percent (75%) in number of the units in the Regime prior to such plan becoming effective. If such approval is not obtained within one hundred (100) days from the date of damage or destruction, the plan will fail and the provisions of Section 76-821 of the Condominium Act shall control. In addition to the owner approval requirement, in the event of the adoption of a plan of sale, the mortgagees and other lienholders of record upon each unit in the Regime must likewise approve, in writing, the plan of sale within the time period provided. No such mortgagee or lienholder approval shall be required for the effectiveness of a plan of repair and reconstruction.

Section 4. Plan of Repair and Reconstruction-Damage or Destruction.

In the event that a plan of repair and reconstruction is adopted by the owners and subsequently approved by the required number of owners, as above set forth, the Board of Administrators shall forthwith proceed to repair and reconstruct the improvements as set forth in Section 2 of this Article.

Section 5. Plan of Sale-Damage or Destruction.

In the event that a plan of sale is adopted and approved by the required number of owners and approved by the mortgagees and lienholders of record, as above set forth, then the Board of Administrators shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice with the Register of Deeds of Douglas County, Nebraska, by the Association's President and Secretary or Assistant Secretary, the entire remaining premises shall be offered for sale and sold by the Association pursuant to the provisions of this Article, as attorney-in-fact for all of the owners, free and clear of the provisions contained in the Master Deed, the Articles of Incorporation and these By-Laws. The insurance settlement proceeds shall be collected by the Association, and such proceeds shall be divided by the Association according to each owner's interest in the general common elements, and such divided proceeds shall be paid into separate accounts, each sum account representing one of the condominium units. Each such account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. Thereafter, each such account shall be supplemented by the apportioned amount of the proceeds obtained from the sale of the entire property and any available funds of the Association. Such apportionment shall be based upon each condominium unit owner's interest in the general common elements. The total funds of each account shall be used and disbursed, without contribution from one account to another, by the Association, as attorney-in-fact, as set forth in Section 12 of this Article.

Section 6. Obsolescence of Buildings.

Upon request of the Board of Administrators or upon receipt of a written request signed by owners holding a majority of the total basic value of the Condominium Regime, the Secretary shall, pursuant to the provisions of Article II, issue notice of a special members' meeting to consider the question of obsolescence of the condominium buildings. At such meeting, owners holding eighty percent (80%) or more of the total basic value of the Condominium Regime, voting in person or by proxy, may agree that the condominium buildings are obsolete. In the event that the owners agree that the buildings are obsolete, the Secretary shall

...notice of a special meeting of the members to be held within sixty days from the date of the members' meeting at which the owners agreed upon the obsolescence of the buildings. Within this sixty (60)-day period, the Board shall make such estimate, with the aid of such experts as deemed advisable by the Board, as may be necessary to present estimates as to the costs of remodeling or reconstructing the buildings, the amount of reserves accumulated or accrued by the Association to date and the amount, if any, of special assessments necessary to cover any deficiency between available reserves and remodeling or reconstruction expenses, the projected sale price of the property as is, and the projected distribution of all funds, including reserves and other funds of the Association, should the owners choose sale rather than remodeling or reconstruction. At the subsequent special meeting of the members, the Board shall present these estimates to the owners and the owners may adopt either a plan of remodeling or reconstruction, pursuant to Section 7, or a plan of sale pursuant to Section 8 of Article XI. At the meeting, if a quorum is present, either plan may be adopted by a majority vote, as defined in Section 7 of Article II. After the adoption of the plan, the Board of Administrators shall use all due diligence to obtain the written approval of all unit owners who favor the plan adopted. Either plan shall require the written approval of owners of at least eighty percent (80%) in number of the units in the Regime prior to such plan becoming effective. If such approval is not obtained within sixty (60) days from the date of the adoption of the plan, the plan will fail and no plan under this Section shall be adopted by the unit owners for a period of one calendar year from the date of adoption of the plan failing to obtain the required approval. In addition to the owner approval requirement, in the event of the adoption of a plan of sale, the mortgagees and other lienholders of record upon each unit in the Regime must likewise approve, in writing, the plan of sale within the time period provided. No such mortgagee or lienholder approval shall be required for the effectiveness of a plan of remodeling or reconstruction.

Section 7. Plan of Remodeling or Reconstruction-Obsolescence.

In the event that a plan of remodeling or reconstruction is adopted by the owners and subsequently approved by the required number of owners, as above set forth, the Board of Administrators shall forthwith proceed to remodel or reconstruct the improvements, applying reserves as set forth for insurance proceeds in Section 2 of this Article, with the same rights as to special assessments as set forth therein.

Section 8. Plan of Sale-Obsolescence.

In the event that a plan of sale is adopted and approved by the required number of owners and approved by the mortgagees and lienholders of record, as above set forth, then the Board of Administrators shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice with the Register of Deeds of Douglas, Nebraska, by the Association's President and Secretary or Assistant Secretary, the entire premises shall be offered for sale and sold by the Association pursuant to the provisions of this Article, as attorney-in-fact for all of the owners, free and clear of the provisions contained in the Master Deed, Articles of Incorporation and these By-Laws. The funds and reserves established and held by the Association and the proceeds from the sale of the entire Regime shall be divided by the Association according to each owner's interest in the several common elements, and such divided proceeds shall be paid into separate accounts, each account representing one of the condominium units. Each sum account shall be in the name of the Association, and shall be further identified by the condominium unit designation and the name of the owner. The total funds of

each account shall be used and disbursed, without contribution from one account to another, by the Association, as attorney-in-fact, as set forth in Section 12 of this Article.

Section 9. Condemnation.

In the event of a taking by condemnation or eminent domain of all or part of the common area, the award made shall be paid to the Board of Administrators. If owners holding eighty percent (80%) or more of the basic value of the Condominium Regime do not, within sixty (60) days from the date of the award, approve the use of the proceeds from the award for use in repairing, expanding or restoring the common area, the Board of Administrators shall forthwith disburse the net proceeds of the award for the same purpose and in the same order as is provided in Section 12 of this Article.

Section 10. Power of Sale.

In the event of sale of the entire Regime pursuant to this Article, or upon adoption of such a plan upon termination of the Condominium Regime pursuant to Section 1 of Article XII, or otherwise, the Association shall have all the powers set forth herein in dealing with a purchaser or purchasers as attorney-in-fact.

Section 11. Sale of Unit-Default in Special Assessment Under Article _____.

The special assessment provided for in this Article shall be a debt of each owner and a lien on his condominium unit and may be enforced and collected as is provided in Article V. In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the condominium unit of any owner refusing or failing to pay such deficiency assessment within the time provided, and if not so paid, the Association shall cause to be recorded a notice that the condominium unit of the delinquent owner shall be sold by the Association, as attorney-in-fact, pursuant to the provisions of this Section. The delinquent owner shall be required to pay to the Association the costs and expenses for filing the notices, interest at the highest legal rate on the amount of the assessment and all reasonable attorney's fees. The proceeds derived from the sale of such condominium unit shall be used and disbursed by the Association, as attorney-in-fact, in the order set forth in Section 12 of this Article. Any deficiency of funds to pay the unpaid assessments shall remain the personal obligation of the delinquent unit owner. Any such sale shall require the approval of all priority mortgagees and lienholders upon the unit if the proceeds of sale will not be sufficient to pay the indebtedness secured by said encumbrances after the deduction of sales expenses and costs.

Section 12. Application of Proceeds.

Proceeds received as set forth in the preceding Sections and as applicable to each unit, shall be used and disbursed by the Association as attorney-in-fact, in the following order:

- (a) For payment of taxes and special assessments liens in favor of any assessing governmental entity and the customary expense of sale;
- (b) For payment of the balance of the lien of any mortgage or other encumbrance having priority over the lien of items set forth in (c), below, in the order of and to the extent of their priority;

- (c) For payment of unpaid assessments and all costs, expenses and fees incurred by the Association;
- (d) For payment of junior liens and encumbrances in the order of and to the extent of their priority; and
- (e) The balance remaining, if any, shall be paid to the condominium unit owner.

Section 13. No Abatement of Assessments.

Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction; remodeling or reconstruction; nor prior to sale of any unit for delinquent unpaid assessments unless a resolution to such effect shall be adopted by the Board of Administrators.

Section 14. Approvals.

As used in this Article, the percentage voting requirements of unit owners shall be based upon the percentage values set forth in Exhibit "D" to the Master Deed. Unless otherwise explicitly stated, those percentages shall refer to total percentages and not merely to percentages of owners in attendance, in person or by proxy, at meetings where votes are conducted.

ARTICLE XII. TERMINATION OR AMENDMENT

Section 1. Termination.

Except as otherwise provided, owners holding eighty percent (80%) or more of the basic value of the Condominium Regime, using the percentages set forth in Exhibit "D" to the Master Deed, shall have the right to terminate this Condominium Regime, or to merge this Condominium Regime with another condominium regime duly organized and existing under the laws of this state, all subject to the conditions of Section 76-812 of the Condominium Act.

Section 2. Amendment by Owners.

There shall be no amendment to these By-Laws unless owners holding seventy-five percent (75%) or more of the basic value of the Condominium Regime, using percentages set forth in Exhibit "D" to the Master Deed, shall have voted therefor in the affirmative at a special or annual meeting; provided, however, that percentage voting requirements contained in these By-Laws shall not be amended by a lesser percentage vote than that sought to be amended; and provided further that any amendment shall have the approval of more than fifty percent (50%), in number, of the first mortgagees of record upon the date of adoption of said amendment.

Section 3. Amendment by Developer.

Nothing contained in these By-Laws or in the Master Deed, to the contrary notwithstanding, Developer, so long as it has control of the Association, shall have the right to amend these By-Laws for the clarification hereof or for the benefit of unit owners without the requirement of unit owners approval, provided that it obtains the prior written consent of more than fifty percent (50%) in number, of all first mortgagees of record upon the date of adoption of said amendment; and further, that if such modification is for the benefit of unit owners and leads to the condominium regime pursuant to the provisions of the Master Deed, the prior approval of more than fifty percent (50%) in number, of all first mortgagees shall not be required.

ARTICLE XIII. RECORDSSection 1. Records and Audit.

The Board of Administrators or the managing agent shall keep detailed records of the actions of the Board of Administrators and the managing agent, minutes of the meetings of the Board of Administrators, minutes of the meetings of unit owners, and financial records and books of account of the Association and the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account for each unit which, among other things, shall contain the amount of each assessment of common charges against such unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. A written report summarizing all receipts and expenditures of the Association and Condominium shall be rendered by the Board of Administrators to all unit owners at least annually. In addition, an annual report of the receipts and expenditures of the Association and Condominium, certified by an independent certified public accountant, shall be rendered by the Board of Administrators to all unit owners and to all mortgagees of units who have requested the same, promptly after the end of each fiscal year.

ARTICLE XIV. MISCELLANEOUSSection 1. Notices.

All notices to the Association required herein shall be sent by registered or certified mail to the Board of Administrators c/o the managing agent, or if there is no managing agent, to the office of the Board of Administrators or to such other address as the Board of Administrators may hereafter designate from time to time, by notice in writing to all unit owners and to all mortgagees of units.

All notices to any unit owner shall be sent by mail to his unit address or to such other address as may have been designated by him from time to time, to the Board of Administrators. All notices shall be deemed to have been given when mailed, except notices of change of address which shall be deemed to have been given when received.

Section 2. Services Provided.

The Association shall be responsible for and shall pay for: exterior maintenance of all buildings and maintenance of all common elements; lawn, tree and shrub care and replacement; snow removal; trash removal; casualty, liability and other insurance coverage required or permitted hereunder; and pool maintenance. The air conditioning compressor supplying coolant for each unit is not a common element but is a part of each unit and shall be maintained and replaced as needed by each owner. If any owner fails to repair, maintain or replace the exterior portions of his unit as set forth in this Amended Master Deed and Declaration and the Amended By-Laws described below, the Association may perform such work, invoice the owner therefor and secure and enforce a claim and lien therefor against the owner and his unit in like manner as a delinquent assessment for common element or limited common element expense.

VI. ALLOCATED INTERESTS

The total basic value of the condominium regime is One Million, Six Hundred Thirty-Eight Thousand, and Twenty and no/100 Dollars (\$1,638,020.00), and the total basic square footage of the living space in the condominium regime (excluding garages) is 26,665 square feet. The manner in which each unit shall share in the expenses of and rights in the common elements and votes in the Shadow Run Association, Inc., an association as described in Section VII below, shall be determined and/or re-allocated as the case may be by taking the total basic square footage of the living space in the condominium (excluding garages), determining the basic square footage of living space for each unit, excluding garage, and ascertaining therefrom the percentage attributable to each unit.

VII. COVENANTS, CONDITIONS AND RESTRICTIONS

The following covenants, conditions, and restrictions relating to this condominium regime shall run with the land and bind all owners, tenants of such owners, employees and any other persons who use the property, including the persons who acquire the interest of any owner through foreclosure, enforcement of any lien or otherwise:

Each unit owner shall automatically be deemed a member of said Association. The Amended By-Laws of said Association are also the Amended By-Laws of this condominium regime and are attached hereto as Exhibit E, and by this reference incorporated herein.

b. All general common elements are for the use and enjoyment of all owners. The limited common elements are for the exclusive use of the owner of the unit to which they are appurtenant, his family, guests, servants and invitees. The ownership of the common elements shall remain undivided, and no person or owner shall bring any action for the partition or division of the common elements. The Executive Board of the Association shall from time to time establish rules and regulations for the use of the common elements, and all owners and users shall be bound thereby. The Executive Board of the Association shall have the sole jurisdiction over and responsibility for alterations, improvements, repairs and maintenance of the common elements, subject to the provisions of Amended By-Laws. The share of an owner in the common elements is appurtenant to the owner's unit and inseparable from unit ownership. Assessments against owners for insurance, common element expenses and reserves, and for other expenses incurred by the Association shall be made pursuant to the Amended By-Laws. Assessments paid within thirty (30) days after the date when due shall not bear interest, but all sums not paid within said thirty (30)-day period shall bear interest at the highest legal rate chargeable to individuals under the Uniform Condominium Act from the due date until paid.

c. Each owner shall be responsible:

- (1) To maintain, repair and replace, at his expense, all portions of his unit or apartment which are not included in the definition of general or limited common elements.
- (2) To refrain from painting, decorating or changing the appearance of any portion of the exterior of the unit building, whether a part of the common elements, the limited common elements, or his apartment, unless approved by the association in writing.

d. Each unit shall be used and occupied only as a single family residence and for no other purpose. No unit may be subdivided into a smaller unit nor any portion thereof be sold or transferred without the owner thereof first amending this Amended Master Deed and Declaration. This restriction shall not apply to units owned by Declarant and used as "model" units or sales or management offices for sales purposes.

e. No practice or use shall be permitted on the condominium property or in any unit which shall be an annoyance to other owners or residents of the area or which shall interfere with their peaceful use and enjoyment of their property. All portions of the property and of the units shall be kept clean and sanitary and no use thereof shall be made which constitutes a violation of any laws, zoning ordinances, governmental regulations or regulations of the Association.

f. Owners representing seventy-five percent (75%) or more of the total basic square footage of living space of the condominium, as reflected in Paragraph VI of this Amended Master Deed and Declaration, may at any time in writing duly acknowledged and recorded, effect an amendment to this Amended Master Deed and Declaration and to the Amended By-Laws and plans attached hereto; provided that such modification shall not be binding upon any existing mortgage holders of record unless said modification has the approval of all first mortgagees of record upon the date of adoption of said modification.

g. This condominium regime may be terminated, waived or merged with another duly constituted condominium property regime only in accordance with the provisions applicable thereto as provided in the Amended By-Laws attached hereto as Exhibit E.

h. Household pets within the condominium will be subject to regulation, restriction, exclusion or special fees as may be determined by the Executive Board of the Association from time to time. Awnings, outside T.V. antenna, storage of boats, campers, trailers or similar items shall all be subject to regulations, restrictions, exclusion or special fees by the Executive Board of the Association. Use of the common elements for other than recreational purposes is prohibited. The keeping of livestock or poultry upon the common elements, limited common elements or in any unit is prohibited. All garage doors must remain closed at all times except when cars are entering or exiting the garage space. Individual garbage cans or trash receptacles are to be permitted outside only in areas designated therefor by the Executive Board of the Association. Private barbecue grills may not be used in the general common areas, and outside use or storage of barbecue grills will be subject to regulation, restriction or exclusion by the Executive Board of the Association. Automobile parking will be subject to regulation and restriction by the Executive Board of the Association.

i. No owner may lease his or her unit or any interest therein unless he or she shall have given to the Association at least five (5) days prior to closing of such lease, a written notice specifying the names and current address of such lessees and the terms of such lease, together with a copy of the proposed lease. The above provisions regarding approval of transfers shall not apply to acquisitions of ownership through foreclosure of a mortgage upon a unit.

VIII. SEPARATE TAXATION

Declarant shall give written notice to the County Assessor of the amendment of the condominium property regime so that each appurtenant thereto shall be deemed a parcel and subject to separate assessment and taxation.

IX. EASEMENTS

Easements are hereby reserved and granted from and to Declarant and each owner of a condominium unit for encroachment if any part of a condominium unit encroaches upon any other unit, the limited common elements, or the common elements or if any such encroachment shall hereafter occur due to the settling or shifting of a building or for any other reason, or if such building is repaired or rebuilt after damage or destruction. The Association shall have an easement in and upon each apartment for the performance of repairs upon the common elements or the limited common elements, and for emergency repairs to any part of the condominium property.

X. SPECIAL DECLARANT RIGHTS

- a) The Declarant reserves the right to use any units and any number of said units owned by Declarant as a model unit and/or a sales closing facility or management office in Phase II and any land for purposes of same in Phase III of this condominium until completion of sales of all units to be constructed or constructed by Declarant within this Condominium Regime. Said model unit(s), sales closing facility(ies) or management office(s) shall be no larger than, and may be smaller than, any unit in the condominium and shall be at the location of or relocated at any area of Phase II and any area of Phase III as selected or chosen by Declarant. Declarant shall have the right to remove any of the model units, offices or facilities whether or not designated as a unit by the Amended Master Deed and Declaration when and if Declarant ceases to be a unit owner in both Phases II and III, and Declarant shall remove said unit, facility or office promptly at such time.
- b) Declarant may maintain signs on the common elements of this condominium advertising the condominiums.
- c) Declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant's rights.
- d) Declarant expressly reserves for itself and its successors and assigns, the right to prepare, execute and record on behalf of all contract purchasers, unit owners, mortgagees, other lien holders, and parties claiming any legal or equitable interest in this condominium regime or in any unit or any other person or party, and without the approval of any of the above, including any of the unit owners, any amendments to this Amended Master Deed and Declaration which:
- (i) will annex the land of Phase III or any portion thereof to the Shadow Run Condominium Property Regime (portions of Phase III are indicated on Exhibit F attached hereto and incorporated herein by this reference);
 - (ii) will permit Declarant to create and add additional units and improvements and any common elements and any limited elements thereby created, to that portion of this condominium referred to as Phase III. The total number of units created or added hereby together with the units in Phase I and Phase II of this condominium shall not exceed thirty-two (32). Declarant will have the right and obligation in any and all such amendments without approval of any of the above to reallocate the allocated interests among the units pursuant to the provisions of Section VI of this Amended Master Deed and Declaration;
 - (iii) will permit Declarant to subdivide or convert a unit created in Phase III of this condominium into additional units, common elements or both. If the Declarant converts the unit entirely to common elements, Declarant will have the right and obligation in any and all such amendments without approval of any of the above to reallocate all the allocated interests of that unit among the other units as if that unit had been taken by eminent domain as provided in Section 76-831 of the Uniform Condominium Act, and if the Declarant subdivides the unit into two or more units, whether or not any part of the unit is converted to common elements, Declarant will have the right and obligation in any and all such amendments without approval of any of the above to reallocate all the allocated interest of the unit among units created by the subdivision in any reasonable manner prescribed by the Declarant;
 - (iv) will permit Declarant to withdraw the land in Phase III or any portion thereof, from this condominium prior to the conveyance to a purchaser of any unit in that portion of Phase III; and

(v) will permit Declarant to annex the land of Phase III or any portion thereof previously withdrawn pursuant to Declarant rights under d)(iv) of this Article X as described above.

By this Amended Master Deed and Declaration, all present and future unit owners or owners of the property consent to the above described Declarant's rights.

XI. DECLARANT CONTROL

Declarant shall control the Association and may appoint and remove the officers and members of the Executive Board until the earlier of:

- a) Sixty (60) days after conveyance of ninety percent (90%) of the units which may be created to unit owners other than a Declarant; or
- b) Two (2) years after Declarant has ceased to offer units for sale in the ordinary course of business.

Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the units which may be created to unit owners other than a Declarant, at least one member and not less than twenty-five percent (25%) of the members of the Executive Board shall be elected by ballot exclusively by unit owners other than the Declarant. 76-827. Terms, defined. In the declaration and bylaws, unless specifically provided otherwise or the context otherwise requires, and in sections 76-825 to 76-894:

(1) **Affiliate of a declarant** means any person who controls, is controlled by, or is under common control with a declarant. A person controls a declarant if the person (i) is a general partner, officer, director, or employer of the declarant, (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing more than twenty per cent of the voting interest in the declarant, (iii) controls in any manner the election of a majority of the directors of the declarant, or (iv) has contributed more than twenty per cent of the capital of the declarant. A person is controlled by a declarant if the declarant (i) is a general partner, officer, director, or employer of the person, (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing more than twenty per cent of the voting interest in the person, (iii) controls in any manner the election of a majority of the directors of the person, or (iv) has contributed more than thirty per cent of the capital of the person. Control does not exist if the powers described in this paragraph are held solely as security for an obligation and are not exercised.

(2) **Allocated interests** means the undivided interest in the common elements, the common expense liability, and votes in the association allocated to each unit.

(3) Association or unit owners' association means the unit owners' association organized under section 76-859.

(4) Common elements means all portions of a condominium other than the units.

(5) Common expenses means expenditures made by or financial liabilities of the association, together with any allocations to reserves.

(6) Common expense liability means the liability for common expenses allocated to each unit pursuant to section 76-844.

(7) Condominium means real estate, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real estate is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

(8) Conversion building means a building that at any time before creation of the condominium was occupied wholly or partially by persons other than purchasers and persons who occupy with the consent of purchasers.

(9) Declarant means any person or group of persons acting in concert who (i) as part of a common promotional plan, offers to dispose of his, her, or its interest in a unit not previously disposed of, or (ii) reserves or succeeds to any special declarant right.

(10) Declaration means any instruments, however denominated, that create a condominium, and any amendments to those instruments.

(11) Development rights means any right or combination of rights reserved by a declarant in the declaration to (i) add real estate to a condominium; (ii) create units, common elements, or limited common elements within a condominium; (iii) subdivide units or convert units into common elements; or (iv) withdraw real estate from a condominium.

(12) Dispose or disposition means a voluntary transfer to a purchaser of any legal or equitable interest in a unit, but does not include the transfer or release of a security interest.

(13) Executive board means the body, regardless of name, designated in the declaration to act on behalf of the association.

(14) Identifying number means a symbol or address that identifies only one unit in a condominium.

(15) Leasehold condominium means a condominium in which all or a portion of the real estate is subject to a lease the expiration or termination of which will terminate the condominium or reduce its size.

(16) Limited common element means a portion of the common elements allocated by the declaration or by operation of subsection (2) or (4) of section 76-839 for the exclusive use of one or more but fewer than all of the units.

(17) Master association means an organization described in section 76-857, whether or not it is also an association described in section 76-859.

(18) Offering means any advertisement, inducement, solicitation, or attempt to encourage any person to acquire any interest in a unit,

other than as security for an obligation. An advertisement in a newspaper or other periodical of general circulation, or in any broadcast medium to the general public, of a condominium not located in this state, is not an offering if the advertisement states that an offering may be made only in compliance with the law of the jurisdiction in which the condominium is located.

(19) Person means a natural person, corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision or agency, or other legal or commercial entity. In the case of a land trust, however, person means the beneficiary of the trust rather than the trust or the trustee.

(20) Purchaser means any person, other than a declarant or a person in the business of selling real estate for his or her own account, who by means of a voluntary transfer acquires a legal or equitable interest in a unit other than (i) a leasehold interest including renewal options of less than twenty years, or (ii) as security for an obligation.

(21) Real estate means any leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements and interests which by custom, usage, or law pass with a conveyance of land though not described in the contract of sale or instrument of conveyance. Real estate includes parcels with or without upper or lower boundaries, and spaces that may be filled with air or water.

(22) Residential purposes means use for dwelling or recreational purposes, or both.

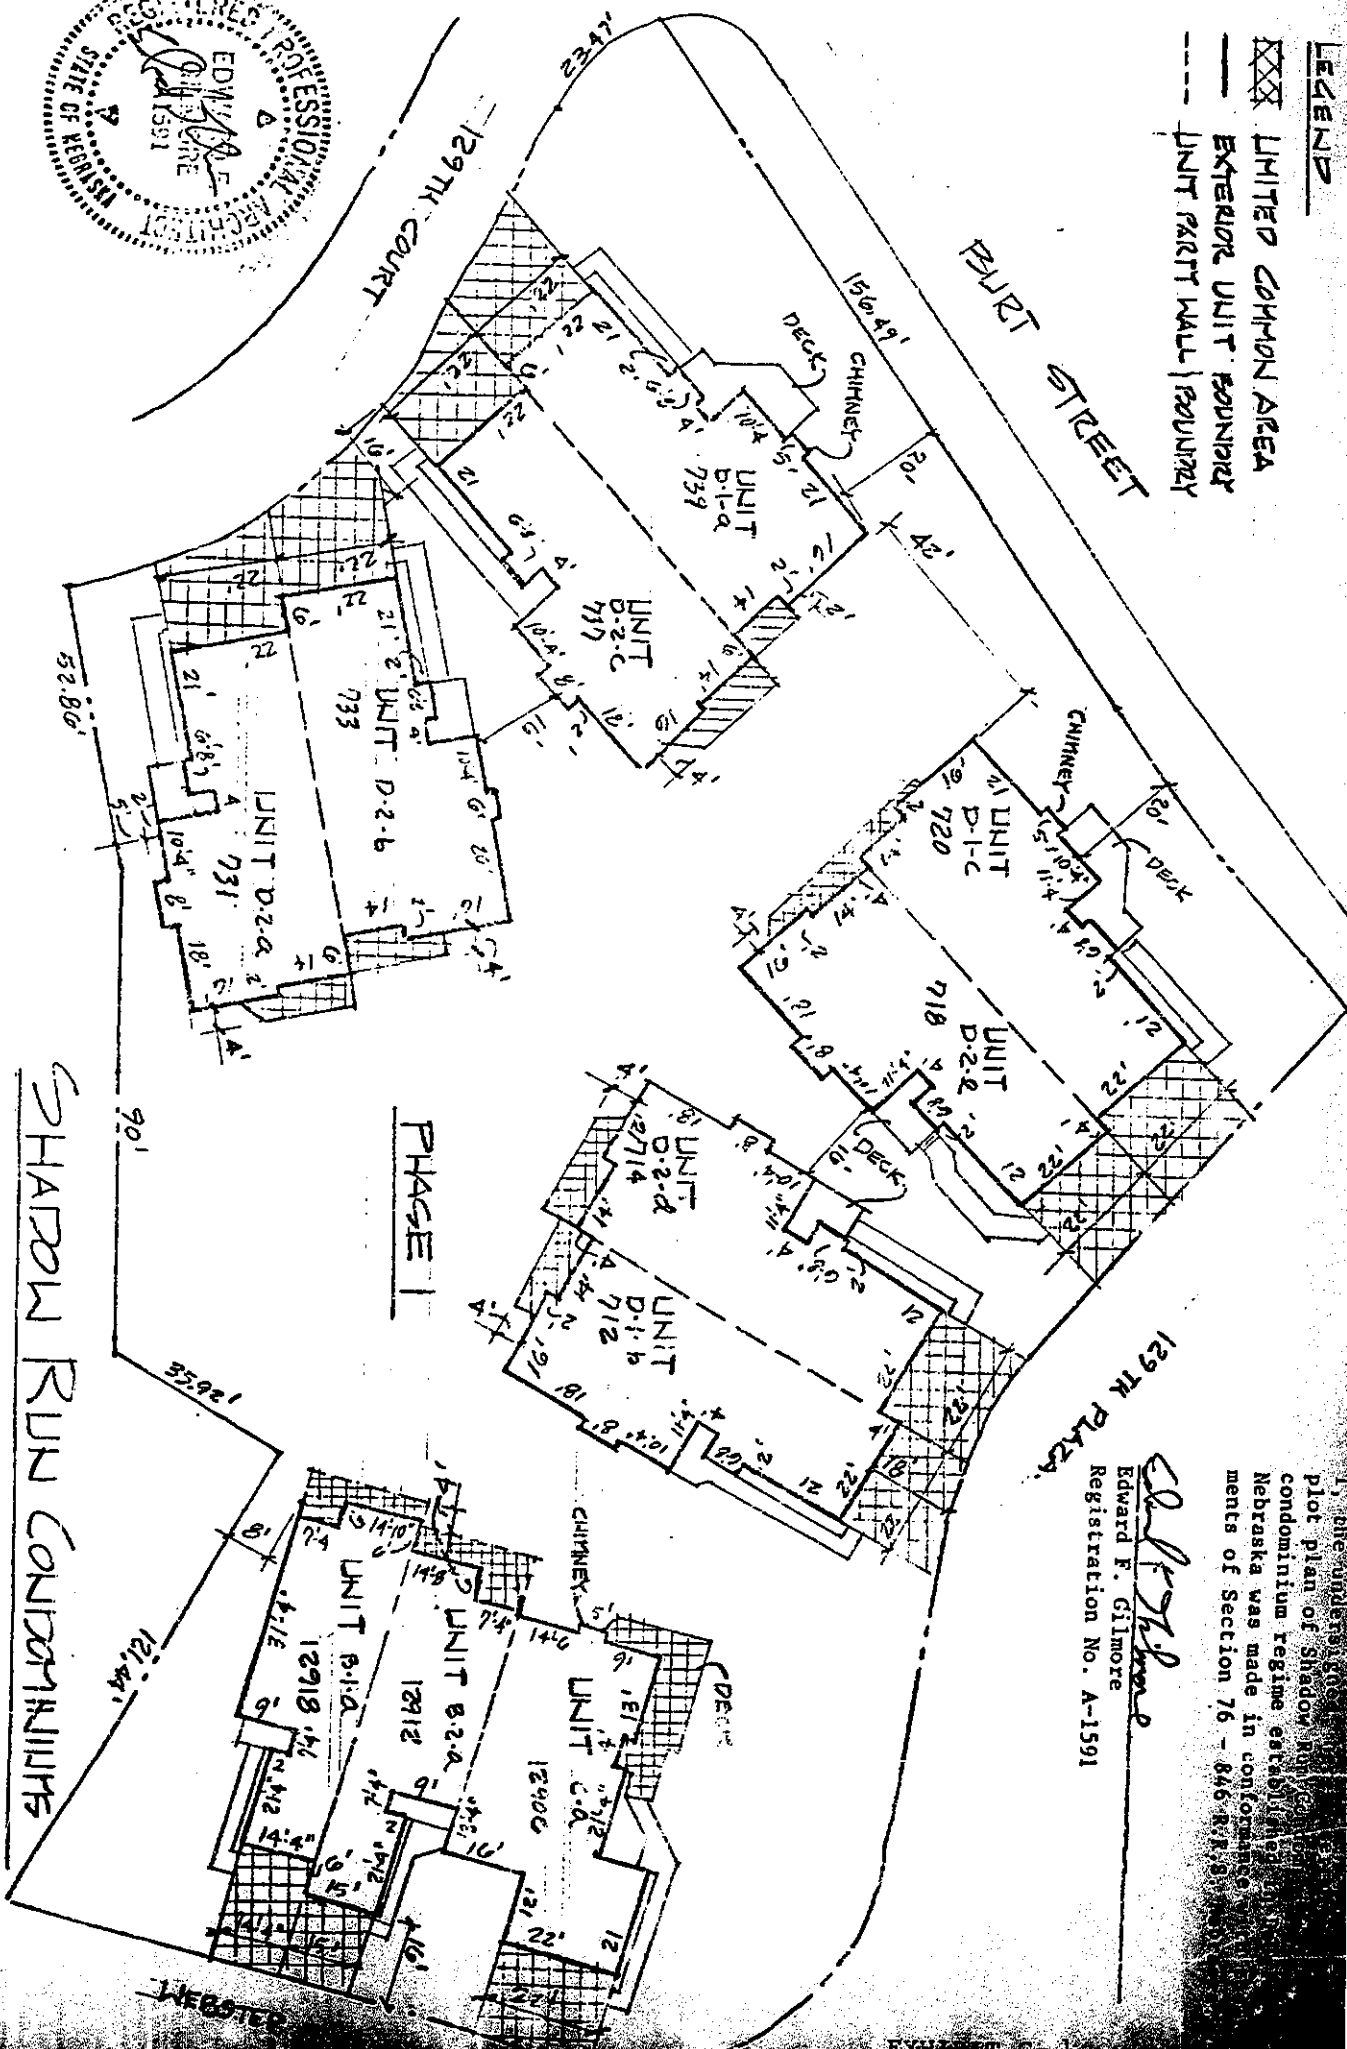

(23) Special declarant rights means rights reserved for the benefit of a declarant to (i) complete improvements indicated on plats and plans filed with the declaration as provided in section 76-846; (ii) exercise any development right pursuant to section 76-847; (iii) maintain sales offices, management offices, signs advertising the condominium, and models pursuant to section 76-852; (iv) use easements through the common elements for the purpose of making improvements within the condominium or within real estate which may be added to the condominium pursuant to section 76-853; (v) make the condominium part of a larger condominium or a planned community pursuant to section 76-858; (vi) make the condominium subject to a master association pursuant to section 76-857; or (vii) appoint or remove any officer of the association or any master association or any executive board member during any period of declarant control pursuant to subsection (d) of section 76-861.

(24) Unit means a physical portion of the condominium designated for separate ownership or occupancy, the boundaries of which are described pursuant to subdivision (a)(5) of section 76-842.

(25) Unit owner means a declarant or other person who owns a unit, or a lessee of a unit in a leasehold condominium whose lease expires simultaneously with any lease the expiration or termination of which will remove the unit from the condominium, but does not include a person having an interest in a unit solely as security for an obligation.

THE SHADOW RUN
ASSOCIATION, INC.

ARTICLE I. BY-LAWS.

Section 1. Description.

The vote on behalf of a unit shall be in person by the record owner thereof, or by proxy, but if a unit is owned by more than one person or by a corporation or other entity, such vote shall be cast, or proxy executed, by the person named in a certificate signed by all of the owners of the unit and filed with the Secretary of the Association. Title to units may be taken in the name of an individual or in the names of two or more persons, as tenants in common or as joint tenants, or in the name of a corporation or partnership, or in the name of a fiduciary.

Section 4. Involved Property.

The property described in Paragraph II of the Amended Master Deed and Declaration, as located in Douglas County, Nebraska, has been submitted to the provisions of Sections 76-825 through 76-894, R.R.S. of Nebraska, known as the "Uniform Condominium Act" by the Amended Master Deed and Declaration recorded simultaneously herewith in the Office of the Register of Deeds of Douglas County, Nebraska, and which condominium shall hereinafter be referred to as the "Condominium".

Section 5. Application.

All present and future owners, mortgagees, lessees and occupants of condominium units and their employees, and any other persons who may use the facilities of the Regime in any manner are subject to these Amended By-laws, the Amended Master Deed and Declaration and the Rules and Regulations.

The acceptance of a deed or conveyance or mortgage, or the entering into of a lease or the act of occupancy of a condominium unit shall constitute an agreement that these Amended By-Laws, the Amended Rules and Regulations as attached hereto, and the provisions of the Amended Master Deed and Declaration, as they may be amended from time to time, are accepted, ratified, and will be complied with.

ARTICLE II. UNIT OWNERSSection 1. Declarant Control.

All sections of this Article II are subject to the provisions of Declarant Control as stated in Section XI of the Amended Master Deed and Declaration of Shadow Run Condominium Property Regime attached hereto and incorporated by reference herein.

The annual meeting of the unit owners of the Shadow Run Association, Inc. (hereinafter referred to as the "Association"), shall be held on the second Tuesday of January of each year. At such meetings the Executive Board shall be elected by ballot, subject to 1) the provisions of Declarant's Control as described in Section XI of the Amended Master Deed and Declaration for the Shadow Run Condominium Property Regime, and in accordance with 2) the requirements of Section 4 of Article III of these Amended By-Laws. So long as the Declarant or its successors shall own one or more of the units, the Declarant or its successors shall be entitled to elect at least one member of the Executive Board who shall serve for a term of one (1) year. The unit owners may also transact, at each such annual meeting, such other business as may properly come before them.

Section 3. Special Members' Meetings.

Special meetings of the Association may be called by the President, a majority of the Executive Board or by unit owners having twenty percent (20%), or any lower percentage specified in the By-Laws, of the votes in the Association.

Section 4. Place of Meetings.

Meetings of the Association unit owners shall be held at the registered office of the Shadow Run Association or at such other suitable place convenient to the unit owners as may be designated by the Executive Board.

Section 5. Notice of Meetings.

Not less than ten (10) nor more than fifty (50) days in advance of any meeting, the Secretary shall cause notice to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address such unit owner shall have designated by notice in writing to the Secretary. The notice of any meeting must state the time and place of the meeting and the items on the agenda, including the general nature of any

proposed amendment to the Amended Master Deed and Declaration or Amended By-Laws, any budget changes, and any proposal to remove a director or officer. The mailing or hand-delivery of a notice of meeting in the manner provided by this Section shall be considered proper service of notice.

Section 6. Quorum.

A quorum for Association unit owners' meetings shall consist of the presence, in person or by proxy, of unit owners holding a majority of the total basic square footage of living space of the Condominium Regime, using the percentages set forth in Exhibits to the Amended Master Deed and Declaration, and subject to the provisions of Section VI of said Deed, unless otherwise provided in these Amended By-Laws or the Amended Master Deed and Declaration.

Section 7. Voting.

The owner or owners of each unit, or some person designated by such owner or owners to act as proxy on his or their behalf, and who need not be an owner, shall be entitled to cast the votes appurtenant to such unit at all meetings of unit owners. The designation of any such proxy shall be dated, made in writing and delivered to the Secretary prior to or at the commencement of the meeting at which the proxy is to be exercised, and shall be revocable at any time by written notice to the Secretary by the owner or owners so designating. No proxy shall be valid for longer than eleven (11) months from the date thereof unless otherwise stated in the proxy. In instances of other than individual ownership, any or all of such owners may be present at any meeting of the unit owners and (those constituting a group acting unanimously) may collectively vote to take any other action as an individual unit owner either in person or by proxy. The total number of votes of all unit owners shall be no more than 10,000, and each unit owner shall be entitled to cast one vote at all meetings of the unit owners for each one-hundredth percent (.01%) of interest in the common areas and facilities applicable to his or their unit and as shown on Exhibits in the Amended Master Deed and Declaration and subject to the square footage of living space and allocated interests as defined in Section VI of the Amended Master Deed and Declaration. A fiduciary shall be the voting member with respect to any unit owned in a fiduciary capacity.

Section 8. Majority Vote.

Upon termination of the Declarant's control, the vote of unit owners holding a majority of the square footage of living space, pursuant to Article VI of the Amended Master Deed and Declaration and Exhibits thereto, at a meeting at which a quorum shall be present shall be binding upon all unit owners for all purposes except where in the Amended Master Deed and Declaration or these Amended By-Laws, a higher percentage vote is required.

Section 9. Procedure.

The President shall preside over members' meetings, and the Secretary shall keep the minute book wherein the resolutions and minutes shall be recorded.

Section 10. Adjournment.

If any meeting of the unit owners cannot be held because a quorum has not attended, a majority of common interest of the unit owners who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than twenty-four (24) hours from the time the original meeting was held, and no further notice shall be required.

ARTICLE III. EXECUTIVE BOARD

Section 1. Number and Qualification.

The affairs of the Association and the Condominium Regime shall be governed by an Executive Board and the Declarant shall control the Association and may appoint and remove the officers and members of the Executive Board until the earlier of the applicable provisions as stated in Section XI of the Amended Master Deed and Declaration of the Shadow Run Condominium Property Regime. Thereafter, and pursuant to the provisions of Section XI of the above-referenced Amended Master Deed and Declaration, the Executive Board shall be composed of not less than four (4) nor more than six (6) persons, all of whom shall be unit owners, their employees or members of their families, or in the event of ownership by an entity other than a natural individual, their employees, officers or members.

Section 2. Powers and Duties.

The Executive Board shall have the powers and duties necessary for the administration of the affairs of the Association and the Condominium Regime, and may do all such acts and things except such as by law, by the Amended Master Deed and Declaration, or by these Amended By-Laws may not be delegated to the Executive Board by the unit owners. Such powers and duties of the Executive Board shall include, but shall not be limited to, the following:

- (a) Operation, care, upkeep and maintenance of the general common elements, limited common elements, and facilities.
- (b) Determination of the common expenses required for the affairs of the Condominium, including, without limitation, the operation and maintenance of the Regime.
- (c) Collection of the assessments from unit owners.
- (d) Employment and dismissal of the personnel necessary for the maintenance and operation of the general common elements, limited common elements, and facilities.
- (e) Adoption, amendment and publication of rules and regulations covering the details of the operation and use of the Condominium Regime.
- (f) Opening of bank accounts on behalf of the Association and designating the signatories required therefor.
- (g) Obtaining the insurance for the Condominium Regime pursuant to the provisions of hereof and as required by law.
- (h) Making of repairs, additions and improvements to, or alterations of, the Condominium Regime and repairs to, and restoration of, the Condominium Regime in accordance with the other provisions of these Amended By-Laws after damage or destruction by fire or other casualty or as a result of condemnation or eminent domain proceedings.
- (i) The Executive Board may not act on behalf of the Association to amend the declaration pursuant to section 75-854 of the Uniform Condominium Act, to terminate the condominium pursuant to section 76-855 of the Uniform Condominium Act, or to elect

members of the Executive Board or determine the qualifications, powers and duties, or terms of office of Executive Board members pursuant to subsection (f) of Section 76-861 of the Uniform Condominium Act, but the Executive Board may fill vacancies in its membership for the unexpired portion of any term.

Section 3. Managing Agent and Manager.

The Executive Board may employ for the Condominium Regime a managing agent and/or a manager at a compensation established by the Executive Board to perform such duties and services as the Executive Board shall authorize, including but not limited to the duties listed in subdivisions (a), (c), (d), (g) and (h) of Section 2 of this Article III. The Executive Board may delegate to the manager or managing agent, all of the powers granted to the Executive Board by these Amended By-Laws other than the powers set forth in Subdivisions (b), (e), (f), of Section 2 of this Article III, notwithstanding any provisions to the contrary in the Uniform Condominium Act.

Section 4. Election and Term.

The members of the Executive Board shall be elected by ballot pursuant to the provisions of Section XI of the Amended Master Deed and Declaration of the Shadow Run Condominium Property Regime. At such times that the unit owners have rights to elect a member or members of the Executive Board, the appropriate number of members of the Executive Board shall be elected to serve until the next annual meeting of the Association unit owners; provided that if said next annual meeting is less than six (6) months from the date of the initial meeting, the Executive Board member so elected shall be elected to serve until the next annual meeting after the annual meeting which is less than six (6) months in the future. Each member of the Executive Board shall be elected thereafter to serve a term of one (1) year or until his or her successor shall have been duly elected by the Association unit owners. There shall be no cumulative voting for members of the Executive Board. The nominees receiving the most votes for the offices available shall be elected.

Section 5. Removal of Member of the Executive Board.

The unit owners, by a majority vote of all persons present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the Executive Board with or without cause, other than a member appointed by the Declarant and a successor may then and there or thereafter be elected to fill the vacancy thus created.

ARTICLE IV. OFFICERS

Section 1. Declarant Control.

All sections of this Article IV are subject to the provisions of Declarant Control as stated in Section XI of the Amended Master Deed and Declaration of Shadow Run Condominium Property Regime.

Section 2. President of the Executive Board.

Upon termination of the Declarant's control and following the election of the members of the Executive Board at each annual meeting, the newly elected members of such Board shall, by vote, select one of the members of the Executive Board as President of the Executive Board for the coming year. The President of the Executive Board shall also be the President of the Association and the Executive Board shall appoint or elect the remaining officers of the Association as follows:

- (a) The principal officers of the Association shall be a President, a Vice-President, a Secretary and a Treasurer, who, with the exception of President, shall not be required to be a member of the Executive Board; who shall be elected annually by the Executive Board at each annual meeting for a term of office of one (1) year; and who may succeed themselves in office.
- (b) The Executive Board may, from time to time, appoint, discharge, engage or remove subordinate officers or assistants to the principal officers as is deemed appropriate, convenient, or necessary for the management of the affairs of the Association.
- (c) The officers shall have the powers and rights and be charged with the duties and obligations usually vested in or pertaining to such offices or, as from time to time directed by the Executive Board.
- (d) Upon termination of Declarant's control, pursuant to Article XI of the Amended Master Deed and Declaration, the President of the Association shall prepare, execute, certify and record amendments to the Declaration on behalf of the Association, when and where appropriate and as provided by law, these Amended By-Laws and the Amended Master Deed and Declaration.

Section 2. Vacancies.

The office of any principal officer shall be vacated and filled as follows:

- (a) Any principal officer may be removed from office at any time by a majority vote of the Executive Board, either for or without cause.
- (b) Any vacancy among the principal officers may be filled by appointment by the Executive Board for the unexpired term of office.

Section 3. Fees, Expenses and Wages.

The Executive Board and officers shall serve without remuneration for their services but shall be reimbursed for expenses incurred by them. The Executive Board may, from time to time, fix the wages and other compensation paid to any agent or an employee of the Association.

ARTICLE V. INDEMNIFICATION OF OFFICERS AND MEMBERS OF THE EXECUTIVE BOARD

Section 1. Indemnification.

Each Administrator and officer of the Association shall be indemnified by the Association against all costs and expenses, including attorney fees, reasonably incurred by or imposed upon him or her in connection with or resulting from any action, suit, or proceeding to which he or she may be made a party by reason of his or her being or having been a member of the Executive Board or a principal officer of the Association (whether or not he or she continues to be a member of the Executive Board or principal officer at the time of incurring such cost or expense), except in relation to matters as to which a recovery shall be had against him or her by reason of his or her having been finally adjudged in such action, suit or proceeding to have been derelict in the performance of his or her duty as a member of the Executive Board

or principal officer of the Association. The foregoing qualifications shall not, however, prevent a settlement by the Association prior to final adjudication when such settlement appears to be in the best interests of the Association. The right of indemnification herein provided shall not be exclusive of other rights to which any member of the Executive Board or principal officers may be entitled as a matter of law.

ARTICLE VI. DUES, ASSESSMENTS,
AND OTHER FINANCIAL MATTERS.

Section 1. Fiscal year.

The fiscal year of the Association shall coincide with the calendar year unless otherwise directed by the Executive Board.

Section 2. Annual Budget.

When one-third of the members of the Executive Board are elected by unit owners other than the Declarant, pursuant to Article XI of the Amended Master Deed and Declaration, assessments shall be based on a budget adopted at least annually by the Association. Thereafter, before each fiscal year, the Executive Board shall adopt and fix, in reasonably itemized detail, an annual budget for the then anticipated expenses, expenditures and general operational costs of the Association for said upcoming fiscal year. Within thirty (30) days after adoption of any proposed budget for the condominium, the Executive Board shall provide a summary of the budget to all the unit owners, and shall set a date for a meeting of the unit owners to consider ratification of the budget no less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all votes in the Association reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the Executive Board.

Section 3. Annual Assessments.

The first annual assessment made on all units included in the Amended Master Deed and Declaration shall be levied by the Executive Board on behalf of the Association against each unit and the owner thereof on January 1, 1985. The annual assessment shall be divided as evenly into twelve (12) monthly payments as possible with the first payment to include the remainder after division. These monthly payments shall become due and payable upon the 15th of January and the 15th of each month thereafter during the fiscal year. Annual assessments for each fiscal year thereafter shall be levied and shall become due payable in the manner as provided in Section 2 and Section 3 of this Article. Annual assessments to be levied against each unit and the owner thereof shall be computed according to such unit's pro-rata share of the total annual budget for the fiscal year based upon the percentage of such unit's basic square footage of living space as set forth in Exhibits to the Amended Master Deed and Declaration and pursuant to the provisions of Section VI of said Deed, except those expenses due to common expenses as listed in subsections (a) and (b) of the second paragraph of Section 5 of this Article should be treated accordingly.

Section 4. Increases and/or Decreases in Assessments.

Annual assessments may not be increased by more than ten percent (10%) above the level of the immediately preceding year except upon approval of owners holding more than fifty percent (50%) of the total basic square footage of living space of the Association as set forth in Exhibits to the Amended Master Deed and Declaration and subject to the provisions of Section VI of said Deed.

Section 5. Special Assessments.

Special assessments may be assessed and levied against each unit, in addition to the annual assessments provided for above, during any assessment year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, improvement, repair or replacement of a capital improvement of the common elements, including fixtures and personal property, subject to the owner approval provisions of the Amended Master Deed and Declaration and these Amended By-Laws or for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, improvement, repair or replacement of a limited common element. Where no owner approval provision is applicable, the discretion of the Executive Board shall control.

Special assessments with respect to common elements shall be levied upon an allocation formula based upon the percentage of each unit's basic square footage of living space as set forth in Exhibits to the Amended Master Deed and Declaration, and subject to the provisions of Section VI of said Deed, except for the following:

- (a) Assessments to pay a judgment against the Association, pursuant to subsection (a) of section 76-875 of the Uniform Condominium Act, may be made only against the units in the condominium at the time the judgment was entered, in proportion to their common expense liabilities;
- (b) If any common expenses is caused by the misconduct of any unit owner, the Association may assess that expense exclusively against his or her unit.

If common expense liabilities are reallocated, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities.

Special assessments shall be due and payable thirty (30) days after the assessment is levied against the applicable unit or units and notice thereof has been given to the respective owners, and special assessments not paid within thirty (30) days thereafter shall be treated according to the interest and lien provisions hereafter provided.

Section 6. Escrow of Assessments.

The Executive Board of the Association may require that all assessments set forth in this Article be paid into an escrow fund to be held and managed by a bank or savings and loan association. Unit owners may be required to execute transmatic or similar automatic withdrawal authorizations with respect to annual assessments. Failure of a unit owner thereafter to pay his annual assessments according to such a plan shall constitute default thereof entitling the Association to accelerate the due date of such annual assessments.

Section 7. Personal Assessment Liability.

Each unit owner or, if more than one, owners, jointly and severally, shall be personally liable for the payment of assessments under the preceding Sections. Upon the expiration of thirty (30) days from the due date of an assessment, if said assessment remains unpaid, the Association may bring suit against the owner or owners of said unit for recovery of the same. If the assessment is a monthly installment of an annual assessment, the default in payment of one installment within said thirty (30) days, may, at the option of the Association, cause the remainder of the installments for that annual period to become immediately due and payable. The defaulting unit shall be liable for the unpaid assessment or assessments, interest thereon from the due date to the date paid at the highest legal rate chargeable to individuals in Nebraska under the Uniform Condominium Act, and attorney fees and expenses incurred in the collection of the same. No proceeding to collect defaulted assessments pursuant to this Section shall constitute a waiver of the lien of the Association against said defaulting owner's unit nor a waiver of the right of the Association to foreclose thereon.

The grantee of a unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor; provided, however, that upon payment of a reasonable fee and upon written request, any such prospective grantee shall be entitled to a statement from the Executive Board or the manager, which shall be conclusive upon the Association in favor of all persons relying thereon in good faith. Unless such request for a statement of indebtedness shall be complied with within ten (10) days of the date of receipt of request by the Association, then such grantee shall not be liable for, nor shall the condominium unit conveyed be subject to, a lien for any unpaid assessments accruing prior to the date of such request. However, the grantor shall remain personally liable therefor.

Section 8. Assessment Lien.

The Association has a lien on a unit for any assessment levied against that unit or fines imposed against its unit owner from the time the assessment or fine becomes due and a notice containing the dollar amount of such lien is recorded in the office where mortgages are recorded. The Association's lien may be foreclosed in like manner as a mortgage on real estate but the Association shall give reasonable notice of its action to all lienholders of the unit whose interest would be affected.

Assessments delinquent more than thirty (30) days after the due date shall bear interest at the highest legal rate for individuals in Nebraska under the Uniform Condominium Act from the due date until paid.

A lien under this section is prior to all other liens and encumbrances on a unit except (1) liens and encumbrances recorded before the recordation of the declaration, (2) a first mortgagee or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent, and (3) liens for real estate taxes and other governmental assessments or charges against the unit. The lien under this section is not subject to the homestead exemption pursuant to section 40-101.

The delinquency of one installment of an annual assessment beyond the thirty (30)-day period shall cause all remaining installments, at the option of the Association, to become immediately due and payable. The Executive Board shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit.

In any action brought by the Executive Board to foreclose a lien on a unit because of unpaid assessments, the unit owner shall be required to pay a reasonable rental for the use of his unit from the date of institution of the proceeding and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Executive Board acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale, and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving the lien securing the same.

Section 9. Statement of Unpaid Assessments.

The Association, upon written request, shall furnish to a unit owner a recordable statement setting forth the amount of unpaid assessments against his or her unit. The statement must be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Executive Board, and every unit owner.

Section 10. Nonwaiver.

The omission or failure to timely fix any assessments or deliver or mail a statement for any period shall not be deemed a waiver, modification or a release of the owners from their obligation to pay the same.

ARTICLE VII. INSURANCE

Section 1. Coverage.

(a) The Executive Board shall obtain and maintain, to the extent reasonably obtainable, the following insurance:

(1) Property insurance on the property including the common elements and including the entire condominium improvements and any other property, whether or not a common element (including all of the appliances and fixtures therein initially installed by the Declarant but not including furniture, furnishings, fixtures or other personal property, improvements and betterments supplied by or installed by unit owners), together with all service equipment contained therein, insuring against all risks of direct physical loss commonly insured against, including fire insurance with extended coverage, vandalism and malicious mischief. The total amount of insurance after application of any deductible shall be not less than eighty percent (80%) of the actual cash value of the insured property at the time the insurance is purchased, and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies.

(2) Liability insurance, including medical payments insurance, in an amount determined by the Executive Board but not less than any amount specified in the Declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(3) Public liability insurance in such limits as the Executive Board may from time to time determine, covering the Association, each member of the Board, the managing agent, agents and employees of the Association and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against the other and shall contain waivers of subrogation.

(4) Such additional coverage as the Executive Board may from time to time determine is appropriate. The cost of the above described policies as obtained and maintained by the Executive Board shall be a common expense.

(b) If the insurance described in subsections (a)(1) and (a)(2) of this section is not reasonably available, the Association promptly shall cause notice of that fact to be hand-delivered or sent prepaid by United States mail to all unit owners.

(c) Insurance policies carried pursuant to subsection (a)(1) and (a)(2) of this Section 1 must provide that:

- 1) Each unit owner is an insured person under the policy, with respect to liability arising out of his or her interest in the common elements or membership in the Association;
- 2) The insurer waives its right to subrogation under the policy against any insured, unit owner or member of his or her household and waives any defenses based on co-insurance or of invalidity arising from any acts of the insured, unit owner or member of his or her household;
- 3) No act or omission by any unit owner or member, unless acting within the scope of his or her authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and
- 4) If, at the time of a loss under the policy there is other insurance in the name of a unit owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

(d) Any loss covered by the property policy under subsection (a)(1) of this section must be adjusted with the Association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any mortgage or beneficiary under a deed of trust. The insurance trustee or the Association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (g) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the condominium is terminated.

(e) An insurance policy issued to the Association does not prevent a unit owner from obtaining insurance for his or her own benefit. Insurance coverage on furnishings and other items of personal or other property belonging to an owner and public liability coverage within each unit shall be the sole and direct responsibility of the unit owner thereof, and the Executive Board and the Association shall have no responsibility therefor. No unit owner shall have the right to insure any of the common elements individually.

(f) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the Association and, upon written request, to any

unit owner, mortgagee, or beneficiary under a deed of trust. The insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Association, each unit owner and each mortgagee or beneficiary under a deed of trust to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

(g) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the Association, unless (1) the condominium is terminated; (2) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (3) eighty percent (80%) of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If the entire condominium is not repaired or replaced, (1) the insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the condominium; (2) the insurance proceeds attributable to units and limited common elements which are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (3) the remainder of the proceeds must be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under §(a) of Section 76-831 of the Uniform Condominium Act, and the Association promptly shall prepare, execute, and record an amendment to the Declaration reflecting the reallocations. Notwithstanding the provisions of this subsection, section 76-855 of the Uniform Condominium Act governs the distribution of insurance proceeds if the condominium is terminated.

ARTICLE VIII. MAINTENANCE AND ALTERATIONS

Section 1. Maintenance.

The unit owner shall have the obligation to maintain and keep in good repair the interior surfaces of walls, ceilings and floors (including carpeting, tile, wallpaper, paint or other covering) as well as all fixtures and appliances, located within such owner's unit. An owner shall not be responsible to the Association for repair to common elements or limited common elements by casualty, unless such casualty is due to the act or negligence of the owner, his guests, invitees or tenant. All maintenance, including lawn maintenance and snow removal, repairs and replacements to the general and limited common elements, shall be made by the Association and be charged to all the unit owners as a common expense, unless such maintenance, repair or replacement is necessitated by the negligence, misuse or neglect of a unit owner, in which case, such expense shall be charged by the Association to such unit owner. All maintenance, repairs and replacements to the limited common elements shall be made by the Association, and the Executive Board, in its sole discretion, shall determine if the cost of such maintenance, repair, or replacement is to be charged to all the unit owners as if a common expense or if such cost is to be charged to the unit or units to which said limited common element is appurtenant as shown on Exhibits C-1, C-2 and C-3 to the Amended Master Deed and Declaration.

Section 2. Alterations by Unit Owner.

No unit owner shall make any structural addition, alteration or improvement in or to his or her unit, or the limited common elements pertaining thereto, including any exterior painting or exterior alteration or addition (including awnings, grills, etc.) without the prior written consent thereto of the Executive Board. The Executive Board shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Executive Board to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Executive Board only, without, however, incurring any liability on the part of the Executive Board or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this Section 2 shall not apply to units owned by the Declarant until such units shall have been initially sold by the Declarant and paid for.

Section 3. Alterations or Enlargement of Common Elements by Association.

There shall be no improvement nor enlargement of the common elements nor additions thereto if such improvement, enlargement or addition shall cost more than One Thousand Dollars (\$1,000.00) during any single fiscal year, unless and until such proposal is approved in writing by owners holding at least seventy-five percent (75%) of the total basic square footage of living space of the condominium regime, using the percentages set forth in Exhibits to the Amended Master Deed and Declaration and subject to the provisions of Section VI of said Deed, and until a proper amendment of the Amended Master Deed and Declaration, if required, has been duly executed, acknowledged and recorded pursuant to law.

The cost of the alteration or enlargement and of amending the Amended Master Deed and Declaration shall be a common expense and shall be collected by special assessment against all unit owners.

ARTICLE IX. RESTRICTIONS AND RESERVATIONS

Section 1. Use Restrictions.

In order to provide for congenial occupancy of the Condominium Regime and for the protection of the value of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

- (a) The units shall be used for residences only by the owner or owners thereof, their families, guests, invitees, lessees, and licensees. This restriction shall not apply to units owned by the Declarant until such units shall have been initially sold by the Declarant and paid for.
- (b) The common elements and facilities, including the limited common elements and facilities, shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of the units.

- (c) No nuisances shall be allowed on the regime nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the regime.
- (d) No improper, offensive or unlawful use shall be made of the Regime or any part thereof, and all valid laws, zoning laws and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Regime shall be corrected, by and at the sole expense of the unit owners or of the Executive Board, whichever shall have the obligation to maintain or repair such portion of the Condominium Regime.

Section 2. Rules of Conduct.

Rules and regulations concerning the use of the units and the common elements and facilities, including the limited common elements and facilities, may be promulgated and amended by the Executive Board with the written approval of a majority of the unit owners. Copies of such rules and regulations shall be furnished by the Executive Board to each unit owner prior to the time when the same shall become effective. The original rules and regulations, effective until amended by the Executive Board with the approval of a majority of the unit owners, are annexed hereto and made a part hereof.

Section 3. Right of Access.

A unit owner shall grant a right of access to his unit to the Executive Board or to the manager and/or managing agent or any other person designated by the Executive Board, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or a common element or facility, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other facilities in his unit or elsewhere in the Buildings, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 4. Abatement and Enjoining of Violations.

The violation of any rule or regulation adopted by the Executive Board or the breach of any of these Amended By-Laws contained herein, or the breach of any provisions of the Amended Master Deed and Declaration, shall give the Executive Board the right, in addition to any other rights set forth in these Amended By-Laws:

- (a) To enter into the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Executive Board shall not thereby be deemed guilty, in any manner, of trespass.
- (b) To enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

- (c) To deny partially or wholly access to, benefit from, or use of all or any facilities, functions, or services, or suspend, partly or wholly, all or any rights or privileges of membership, or to take any other disciplinary action directed by the Executive Board.

ARTICLE X. MORTGAGES

Section 1. Notice to Executive Board.

A unit owner who mortgages his unit shall notify the Executive Board of the name and address of his mortgagee and shall file a conformed copy of the note and mortgage with the Executive Board. The Executive Board shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Default.

The Executive Board, when giving notice to a unit owner of a default in paying assessments or other default, shall send a copy of such notice to each holder of a mortgage covering such unit whose name and address has therefore been furnished to the Executive Board.

Section 3. Examination of Books.

Each unit owner, each mortgagee of a unit and each prospective purchaser designated in writing by an owner shall be permitted to examine the books of account of the Association at reasonable times, upon a business day and during normal business hours as determined by the Executive Board, but in no event more often than once every three (3) months. Special requests for such examinations upon days other than those designated shall be granted or denied at the sole discretion of the Executive Board.

ARTICLE XI. DESTRUCTION, DAMAGE, REPAIR, OBSOLESCENCE, TERMINATION OF CONDOMINIUM, CONDEMNATION AND ASSOCIATION AS ATTORNEY-IN-FACT

Section 1. Association Attorney-In-Fact.

These Amended By-Laws, as a part of the Amended Master Deed and Declaration, hereby make mandatory and irrevocable the appointment of the Association as attorney-in-fact to deal with the property and any insurance proceeds upon the damage of the property, its destruction, obsolescence, repair, reconstruction, improvement and maintenance, all according to the provisions of this Article XI, provided nothing herein is contrary to the provisions of the Uniform Condominium Act. Title to any condominium unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by a grantee of a deed, mortgage or other instrument of conveyance from the Declarant or from any owner or grantor shall constitute and appoint the Association his true and lawful attorney in his name, place, and stead for the purpose of dealing with the property upon its damage or destruction or obsolescence as is hereinafter provided and pursuant to all requirements of the Uniform Condominium Act. As attorney-in-fact, the Association, by its President and Secretary or Assistant Secretary or its other duly authorized officers or agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of a unit owner which are necessary and appropriate to exercise the powers granted in this Article and the Uniform Condominium Act notwithstanding any provisions to the contrary in said Act. Repair and reconstruction of the

improvements shall mean restoring the improvements to substantially the same condition in which they existed prior to the damage, with each unit and the general and limited common elements having substantially the same vertical and horizontal boundaries as before.

Section 2. Damage or Destruction-Repair and Reconstruction.

In the event of damage or destruction due to fire or other disaster, the provisions of this Article, Article VII and any applicable requirements of the Uniform Condominium Act shall apply. In the event that insurance proceeds are insufficient to repair and reconstruct the improvements, the Association shall levy a special assessment upon all units of the Regime to provide an amount sufficient to conduct said repair and reconstruction along with insurance proceeds. Such assessment shall be levied and collected according to Section 5 of Article VI, and the Association shall also have the rights noted in Section 3 of Article VI. The owner approval provisions of Section 5 of Article VI or other similar provisions contained herein shall not apply, notwithstanding any provision to the contrary of the Uniform Condominium Act.

Section 3. Termination of Condominium.

Except in the case of a taking of all units by eminent domain as provided in section 7 of this Article, a condominium may be terminated only by agreement of unit owners of units to which at least eighty percent (80%) of the votes in the Association are allocated.

An agreement to terminate must be evidenced by the execution of a termination agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement will be void unless it is recorded before that date. A termination agreement and all ratifications thereof must be recorded, and is effective only upon recordation.

The termination agreement may provide that all the common elements and units of the condominium shall be sold following termination. If, pursuant to the agreement, any real estate in the condominium is to be sold following termination, the termination agreement must set forth the minimum terms of the sale.

The Association, on behalf of the unit owners, may contract for the sale of real estate in the condominium, but the contract is not binding on the unit owners until approved pursuant to paragraphs 1 and 2 of this section above. If any real estate in the condominium is to be sold following termination, title to that real estate, upon termination, vests in the Association as trustee for the holders of all interests in the units. Thereafter, the Association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the Association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in proportion to the respective interests of unit owners as provided below. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his or her unit. During the period of that occupancy, each unit owner and his or her successors in interest remain liable for all assessments and other obligations imposed on unit owners by the Amended By-Laws, the Amended Master Deed and Declaration and the Uniform Condominium Act.

If the real estate constituting the condominium is not to be sold following termination, title to the common elements and, in a condominium containing only units having horizontal boundaries described in the Declaration, title to all the real estate in the condominium, vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided below and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted his or her unit.

Following termination of the condominium, the proceeds of any sale of real estate, together with the assets of the Association, are held by the Association as trustee for unit owners and holders of liens on the units as their interests may appear. Following termination, creditors of the Association holding liens on the units, which were recorded before termination, may enforce those liens in the same manner as any lienholder. All other creditors of the Association are to be treated as if they had perfected liens on the units immediately before termination.

The respective interests of unit owners referred to in paragraphs above of this section are as follows:

(a) Except as provided in paragraph (b) of this subsection, the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one or more independent appraisers selected by the Association. The decision of the independent appraisers shall be distributed to the unit owners and becomes final unless disapproved within thirty days after distribution by unit owners of units to which twenty-five percent (25%) of the votes in the Association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and common element interest by the total fair market values of all the units and common elements.

(b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereof before destruction cannot be made, the interests of all unit owners are their respective common element interests immediately before the termination.

Except as provided in the following paragraph of this section, foreclosure or enforcement of a lien or encumbrance against the entire condominium does not of itself terminate the condominium, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium, other than withdrawable real estate, does not withdraw that portion from the condominium. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate does not of itself withdraw that real estate from the condominium, but the person taking title thereto has the right to require from the Association, upon request, an amendment excluding the real estate from the condominium.

If a lien or encumbrance against a portion of the real estate comprising the condominium has priority over the Amended Master Deed and Declaration, and the lien or encumbrance has not been partially released, and the parties foreclosing the lien or encumbrance have not assented to or are not joining the Amended Master Deed and Declaration establishing such condominium, such parties may upon foreclosure, record an instrument excluding the real estate subject to that lien or encumbrance from the condominium.

In addition to the owner approval requirement, in the event of the adoption of a plan of sale, the mortgagees and other lienholders of record upon each unit in the Regime must likewise approve, in writing, the plan of sale within the time period provided. No such mortgagee or lienholder approval shall be required for the effectiveness of a plan of repair and reconstruction.

Section 4. Obsolescence of Buildings.

Upon request of the Executive Board or upon receipt of a written request signed by owners holding a majority of the total basic value of the Condominium Regime, the Secretary shall, pursuant to the provisions of Article II, issue notice of a special members' meeting to consider the question of obsolescence of the condominium buildings. At such meeting, owners holding eighty percent (80%) or more of the total basic square footage of living space of the Condominium Regime, pursuant to Article VI of the Amended Deed and Declaration, voting in person or by proxy, may agree that the condominium buildings are obsolete. In the event that the owners agree that the buildings are obsolete, the Secretary shall forthwith issue notice of a special meeting of the members to be held sixty (60) days from the date of the members' meeting at which the owners agreed upon the obsolescence of the buildings. During this sixty (60)-day period, the Executive Board shall make such studies, with the aid of such experts as deemed advisable by the Executive Board, as are necessary to present estimates as to the costs of remodeling or reconstructing the buildings, the amount of reserves therefor accrued by the Association to date and the amount, if any, of special assessments necessary to cover any deficiency between available reserves and remodeling or reconstruction expense, the projected sale price of the property as is, and the projected distribution of all funds, including reserves and other funds of the Association, should the owners choose sale rather than remodeling or reconstruction. At the subsequent special meeting of the members, the Executive Board shall present these estimates to the owners and the owners may adopt either a plan of remodeling or reconstruction, pursuant to Section 5, or a plan of sale pursuant to Section 6 of Article XI. At the meeting, if a quorum is present, either plan must be adopted by agreement of unit owners of units to which at least eighty percent (80%) of the votes in the Association are allocated prior to such plan becoming effective. If any such plan is not approved by the requisite number of votes, the plan will fail and no plan under this Section shall be adopted by the unit owners for a period of one calendar year from the date of adoption of the plan failing to obtain the required approval. In addition to the owner approval requirement of a plan of sale, the mortgagees and other lienholders of record upon each unit in the Regime must likewise approve, in writing, the plan of sale within the time period provided. No such mortgagee or lienholder approval shall be required for the effectiveness of a plan of remodeling or reconstruction.

Section 5. Plan of Remodeling or Reconstruction-Obsolescence.

In the event that a plan of remodeling or reconstruction is adopted by the owners and subsequently approved by the required number of owners, as above set forth, the Executive Board shall forthwith proceed to remodel or reconstruct the improvements, with rights as to special assessments as follows: The special assessment shall be a debt of each unit owner and a lien on his condominium unit and may be enforced and collected as is provided in Section 8 of Article VI.

Section 6. Plan of Sale-Obsolescence.

In the event that a plan of sale is adopted and approved by the required number of owners and approved by the mortgagees and lienholders of record, as above set forth, then the Executive Board shall forthwith proceed pursuant to the provisions of Section 3 of this Article - Termination of Condominium.

Section 7. Condemnation.

In the event of a taking by condemnation or eminent domain of all or part of the common area, the award made shall be paid to the Association. If owners holding eighty percent (80%) or more of the basic square footage of living space of the Condominium Regime, pursuant to Article VI of the Amended Master Deed and Declaration, do not within sixty (60) days from the date of the award approve the use of the proceeds from the award for use in repairing, expanding or restoring the common area, the Executive Board shall forthwith disburse the net proceeds of the award for the same purpose and in the same order as is provided in Section 8 of this Article. The provisions of Section 76-831 of the Uniform Condominium Act regarding condemnation or eminent domain shall govern under this Section.

Section 8. Application of Proceeds.

Proceeds received as set forth in the preceding Section and as applicable to each unit, and notwithstanding any provision to the contrary and required in the Uniform Condominium Act, shall be used and disbursed by the Association as attorney-in-fact in the following order:

- (a) For payment of taxes and special assessments liens in favor of any assessing governmental entity and the customary expense of sale;
- (b) For payment of the balance of the lien of any mortgage or other encumbrance having priority over the lien of items set forth in (c), below, in the order of and to the extent of their priority;
- (c) For payment of unpaid assessments and all costs, expenses and fees incurred by the Association;
- (d) For payment of junior liens and encumbrances in the order of and to the extent of their priority; and
- (e) The balance remaining, if any, shall be applied to the the funds of the Association in the case of condemnation or eminent domain regarding common elements.

Section 9. Power of Sale.

In the event of sale of the entire Regime pursuant to this Article, or upon adoption of such a plan upon termination of the Condominium Regime pursuant to Section 3 of this Article, or otherwise, the Association shall have all the powers set forth herein in dealing with a purchaser or purchasers as attorney-in-fact, anything to the contrary in the provisions of Sections 76-825 through 76-894 notwithstanding.

Section 10. No Abatement of Assessments.

Assessments for common expenses shall not be abated during the period of insurance adjustment and repair and reconstruction; remodeling or reconstruction; nor prior to sale of any unit for delinquent unpaid assessments unless a resolution to such effect shall be adopted by the Executive Board.

Section 11. Approvals.

As used in this Article, the percentage voting requirements of unit owners shall be based upon the percentages and allocated interests as set forth in Exhibits to the Amended Master Deed and Declaration and subject to the provisions of Section VI of said Deed. Unless otherwise explicitly stated, those percentages shall refer to total percentages and not merely to percentages of owners in attendance, in person or by proxy, at meetings where votes are conducted.

ARTICLE XII. MERGER OR AMENDMENTSection 1. Merger or Consolidation.

Except as otherwise provided, owners holding eighty percent (80%) or more of the basic square footage of living space of the Condominium Regime, using the percentages set forth in Exhibits to the Amended Master Deed and Declaration and subject to the provisions of Section VI of said Deed, shall have the right to consolidate this Condominium Regime, or to merge this Condominium Regime with another condominium regime duly organized and existing under the laws of this state, all subject to the conditions of Section 76-858 of the Uniform Condominium Act.

Section 2. Amendment by Owners.

Section 3. Amendment by Declarant.

Anything contained in these Amended By-Laws or in the Amended Master Deed and Declaration or the Uniform Condominium Act, to the contrary notwithstanding, Declarant, so long as it has not terminated control of the Association, shall have the right to amend these Amended By-Laws for the clarification hereof or for the benefit of all unit owners without the requirement of unit owners approval, subject to the restrictions imposed to amendments to the Amended Master Deed and Declaration, pursuant to Section 76-854 §(a) and (d) of the Uniform Condominium Act; provided that it obtains the prior written consent of more than fifty percent (50%) in number, of all first mortgagees of record; provided, further, that if such modification is for the addition of units or lands to the condominium regime pursuant to the powers reserved to the Declarant in the Amended Master Deed and Declaration, the prior written consent of more than fifty percent (50%) in number, of all first mortgagees of record shall not be required.

ARTICLE XIII. RECORDSSection 1. Records and Audit.

The Executive Board or the managing agent shall keep detailed records of the actions of the Executive Board and the managing agent, minutes of the meetings of the Executive Board, minutes of the meetings of unit owners, and financial records and books of account of the Association and the Condominium, including a chronological listing of receipts and expenditures, as well as a separate account for each unit which, among other things, shall contain the amount of each assessment of common charges against such unit, the date when due, the amounts paid thereon, and the balance remaining unpaid. In addition, an annual report of the receipts and ex-

FOURTH AMENDMENT TO
AMENDED MASTER DEED AND DECLARATION
OF SHADOW RUN CONDOMINIUM PROPERTY REGIME

THIS FOURTH AMENDMENT TO AMENDED MASTER DEED AND DECLARATION OF SHADOW RUN CONDOMINIUM PROPERTY REGIME is made effective as of this 28th day of August, 1995, by SHADOW RUN ASSOCIATION, INC., a Nebraska non-profit corporation and the owners and mortgagees more particularly identified on Exhibit "A", attached hereto and incorporated herein by this reference, by themselves, and their respective successors, grantees and assigns.

W I T N E S S E T H:

1. Purpose. The purpose of this Fourth Amendment to Amended Master Deed and Declaration of Shadow Run Condominium Property Regime is to provide for the sale and conveyance of certain portions of the common elements in Phase II and to convert the common elements so sold and conveyed into units, as follows (the "Additional Phase II Units"):

2 - G - 1
2 - G - 2
2 - G - 3

The Additional Phase II Units are pictorially depicted on the Combined Amended Exhibit C-2 and C-4 attached hereto.

2. Amendment to Create New Units. The Additional Phase II Units (2-G-1, 2-G-2, 2-G-3) shall become units of the Shadow Run Condominium Property Regime pursuant to the Amended Master Deed and Declaration of Shadow Run Condominium Property Regime dated November 15, 1984, and recorded in the office of the Register of Deeds of Douglas County, Nebraska, in Book 1743, Page 624, the Amendment to Amended Master Deed and Declaration of Shadow Run Condominium Property Regime dated July 11, 1985, and recorded in Book 744, Page 508, the Second Amendment to Amended Master Deed and Declaration of Shadow Run Condominium Property Regime dated July 19, 1985, and recorded in Book 745, Page 511, and the Third Amendment to Amended Master Deed and Declaration of Shadow Run Condominium Property Regime dated October 2, 1987, and recorded in Book 828, Page 194 (as amended referred to hereinafter as the "Declaration"). The Additional Phase II Units created hereby together with their location on the land, dimensions, boundaries of each unit and identifying number are more particularly described on the Combined Amended Exhibits C-2 and C-4, attached hereto, which shall serve to supplement and amend Exhibits "C-2" and "C-4", whenever and wherever referred to in the Declaration.

3. Description of Phase II Units. The third full paragraph of Article IV of the Amendment to Amended Master Deed and Declaration of Shadow Run Condominium Property Regime dated July 11, 1985, recorded in Book 744, Page 508, is amended in its entirety to provide as follows:

Phase II - This portion of the condominium will consist of a total of two (2) buildings housing living units and one (1) building housing garage units, consisting of ten units as described on Exhibit C-2 attached hereto (2-C-2, 2-B1-3, 2-B-3, 2-A-2, 2-B1-2, 2-B-2, 2-A-1, 2-G-1, 2-G-2, and 2-G-3 units), and situated as follows: one fourplex building consisting of one C-type unit, two B-type units

and one A-type unit, one triplex building consisting of two B-type units, and one A-type unit, and one garage building consisting of three garage units. The total ground floor area of the Phase II buildings consisting of living units aggregates 8,161 square feet, the total ground floor area of Phase II buildings consisting of garage units aggregates 1,216 square feet, and the total land area in Phase II aggregates 43,364 square feet. Said buildings and improvements are further described in the Combined Amended Exhibits C-2 and C-4.

4. No Change in Allocated Interest. The Amended Master Deed and Declaration of Shadow Run Condominium Property Regime, did not take into consideration garages in the determination of the basic value of the condominium regime using only living space. Since the Additional Phase II Units are garages and have no living space, the allocated interest and basic value, and the percentage which each unit shall share in the expenses and rights in the common elements and the number of votes incident to the ownership of each respective unit, are not changed. Notwithstanding the foregoing, an separate annual assessment for the Additional Phase II Units shall be as follows:

<u>Unit</u>	<u>Annual Assessment</u>
2-G-1	\$240.00
2-G-2	\$120.00
2-G-3	\$120.00

The annual assessments for the Additional Phase II Units may be increased or decreased as permitted by the Declaration and Amended Bylaws of the Association. The assessments for the Additional Phase II Units need not be segregated as a separate fund but may be commingled with the other annual assessments and the income and expenses thereof shall become part of the total annual budget of the Association.

5. Agreement of Unit Owners to Convey Portions of the Common Elements. This Fourth Amendment constitutes the agreement and has received affirmative approval of at least eighty percent (80%) of the total voting power of the Association, and was approved in writing by first mortgagees and purchase money mortgagees holding mortgages on not less than eighty percent (80%) of the units subject to mortgages. This Fourth Amendment must be recorded on or before September 1, 1995, after which date this Fourth Amendment, if not recorded, will be void. Upon recording of this Fourth Amendment, the Association, on behalf of the unit owners, may convey the Additional Phase II Units by appropriate deed or other instrument.

All other terms and conditions contained in the Declaration shall remain in full force and effect.

DATED effective as of the 28th day of August, 1995.
