The lower horizontal boundary of each such uppermost Unit is the horizontal plane of the upper surface of the sub-floor of such Unit, such that the sub-floor and framing thereunder shall not be a part of the Unit. The upper horizontal boundary of any Unit which has a Unit above it and a Unit below it is the horizontal plane or planes coinciding with the ceiling thereof. The lower horizontal boundary of each such Unit is the horizontal plane of the upper surface of the sub-floor of such Unit, such that the sub-floor and framing thereunder shall not be a part of such Unit. (v) incompatible with the architectural style, quality or aesthetics of existing Improvements or development plans for proposed Improvements, based in part on the criteria set forth in subsections (w) through (z) below in this Subsection 7.1(d).

The Committee shall not unreasonably withhold its approval of an Application submitted to it. In this connection, the Committee may also base its approval or disapproval on criteria which may include, but are not limited to, the following: (w) conformity and harmony of external design with neighboring structures; (x) effect of location of proposed Improvements on the other Units within the Condominium; (y) adequacy of screening of trash facilities, storage areas, mechanical and heating and air-conditioning facilities and rooftop installations; and (z) conformity of the Application to the purpose and general plan and intent of this Declaration. Any decision of the applicable Committee made after Declarant is no longer entitled to appoint the members of the Committee, may be appealed to the Board. The decision of the Board shall be final. As long as Declarant is appointing the members of the Committee, any decision of the Committee shall be final.

(e) Time for Decision. The Committee shall approve or disapprove each Application, whether a preliminary or final submittal, within thirty (30) days from the receipt thereof. If the Committee fails either to approve or disapprove the Application within said 30-day period; then it shall be irrevocably deemed that the Committee has approved the Application. At least one set of the Application shall, with the approval or disapproval endorsed thereon, be returned to the submitting person and one set shall be retained by the Committee for its permanent files. Notwithstanding Section 7.1(a), no application or Notice shall be deemed filed with the Committee until it is actually received by at least one Committee member by certified mail (return receipt requested).

(f) Time for Commencing. Upon receipt of approval from each Committee pursuant to this Section and upon receipt of approvals from the City, the Owner shall, as soon as practicable, satisfy all conditions thereof and diligently proceed with the commencement and completion of all approved construction, refinishing, alterations, excavations and landscaping. In all cases, work shall be commenced within twelve (12) months of the date of such approval, or the approval given or deemed given pursuant to this Article shall be deemed revoked unless the Committee, upon request made prior to the expiration of said 12-month period, extends the time for commencing work by written notice to the Owner, which may be withheld or conditioned in the Committee's discretion.

(g) Completion of Work. All construction, refinishing, alteration or excavation of any Improvements approved under this Section 7.1 shall be undertaken and pursued diligently to completion, but in any event shall be completed within two years after the date of approval by the Committee. However, the time for completion shall be extended for any period such completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, natural calamities or other similar supervening forces beyond the control of the Owner or its lessees. Failure to comply with this Subsection 7.1(g) shall constitute a breach of this Declaration and subject the defaulting party or parties to all enforcement procedures set forth herein or any other remedies provided by law or in equity.

(h) Disclaimer of Liability. Neither Declarant, the Committee nor any member thereof, nor any agents, officers or employees of Declarant or of the Committees, shall be

liable in any way for any damage, loss or prejudice suffered or claimed by an Owner, Lessee or any other Person who submits an Application; except to the extent of actual damages arising directly from the bad faith acts or intentional misconduct thereof. Any person or entity who submits an Application shall forever defend, indemnify and hold the Declarant, the Committees, the members thereof, and the employees, officers and agents of each, harmless from all damage, loss or liability (including reasonable attorneys' fees) suffered or claimed by any third party on account of (i) any defects in any plans, drawings, specifications or other documentation submitted in any Application, or revised or approved in accordance with the foregoing provisions, or for any structural or other defects in any work done according to such plans, drawings, specifications or other documentation; (ii) the approval or disapproval of any Application, whether or not defective; or (iii) the construction or performance of any work, whether or not pursuant to an approved Application, except to the extent of actual damages arising directly from the bad faith acts or intentional misconduct of the Declarant, a Committee or any member thereof, any agents, officers or employees of Declarant or of the Committee.

(i) No Representations or Warranties. In no event shall an approval by a Committee of any Application, or any written or oral statements made by the Board or any officer or employee of the Association, Declarant or any employee or officer or agent of Declarant, or the Committee or any member, agent or employee thereof, be deemed to constitute in any way any representations or warranties of any kind, express or implied, with regard to the Application and any plans, drawings, specifications or other documentation constituting a part of the Application, including without limitation representations or warranties regarding compliance with zoning, subdivision and land use laws, or compliance with any other applicable codes, regulations and laws, or with regard to fitness for a particular purpose.

(j) Presumption of Compliance; Estoppel Certificate. The foregoing notwithstanding, after the expiration of one (1) year from the date the Committee receives from an Owner either (i) a copy of the certificate of occupancy issued by the applicable governmental authority for any Improvement, or (ii) after an Improvement has been completed by an Owner and said Owner has delivered a valid notice of completion with respect to such Improvement to the Committee, then said Improvement shall, in favor of purchasers and encumbrances in good faith and

for value, be deemed to be in compliance with the provisions of this Article VII unless a notice of non-compliance or non-completion with respect thereto has been executed by Declarant or the Committee and recorded in the office of the Register of Deeds of Douglas County, Nebraska or unless legal proceedings shall have been instituted to enforce compliance or completion with respect to said Improvement.

(k) Approval Cannot be Assigned. Any approvals given pursuant to this Article VII shall be personal to the Owner submitting the Application and cannot be assigned or transferred by such Owner without the prior written consent of the Board, which shall not be unreasonably withheld. Without such consent, any subsequent Owner of a Unit for which a previous Owner has obtained approval of an Application shall submit a new Application pursuant to this Section 7.1 for review and approval as though no prior approvals had been received from the Committee with respect to such Unit.

7.2 Variances. The Committee is hereby authorized and empowered to grant variances for Improvements or uses within the Condominium prohibited or regulated by this Declaration or the Development Guidelines and further to grant reasonable requests for relief from the provisions of this Declaration, or any portion hereof, in order to overcome practical difficulties and to prevent unnecessary hardship in the application of the provisions contained herein. Notwithstanding the foregoing, the Committee shall not grant such a variance to any Owner unless:

(a) such Owner has obtained all necessary governmental approvals,

(b) the construction of Improvements or the uses which are called for under the request for the variance shall be consistent in design, character, appearance and quality of construction with the other Improvements and uses within the Condominium,

(c) the variances do not materially injure, in the judgment of the Committee, any of the Units or Common Elements within the Condominium, and

(d) the construction of Improvements and/or the uses called for under the request for variance are otherwise subject to and conform with all applicable laws, ordinances, rules and regulations, including, but not limited to, zoning regulations of any governmental agency or political entity having jurisdiction over the Condominium.

No variance granted pursuant to the authority granted herein shall constitute a waiver of any provision of this Declaration as applied to any other Person or portion of the Property, and the grant of a variance shall not obligate the Committee to grant other variances. In addition to the variance powers provided herein, the Committee shall be empowered to issue from time to time reasonable interpretations of the intent of the provisions of this Declaration or the Guidelines, which interpretations shall not constitute variances from the provisions of this Declaration, but shall be designed to further the implementation of this Declaration in a manner consistent with its provisions.

7.3 Maintenance During Construction. All construction activities of any kind on any portion of the Property shall be governed by the provisions of this Subsection and corresponding provisions in the Development Guidelines. All construction activities shall be carried out in an orderly and timely manner and all partially completed Improvements shall be kept in an orderly condition during construction. Dust from all construction shall be controlled at all times in a manner specified in the Development Guidelines. If trucks entering and leaving the Property deposit mud or dust on any streets or walkways, the Owner of the Unit on which or for whose benefit the construction is being performed shall be responsible for maintaining the streets and walkways (or causing the same to be maintained) in a clean condition on a daily basis. If the provisions hereof conflict with the provisions of the Development Guidelines with respect to construction activities, the more restrictive provision shall control. Any repairs or replacements to the Common Elements, including any Limited Common Elements, necessitated by a Unit Owner's construction shall be performed by a contractor approved by the respective Committee having authority thereof.

ARTICLE VIII - RESTRICTIONS

Other than the Special Declarant Rights carried on by the Declarant or his assigns, agents or successors, during the Period of Declarant Control, the Units shall be restricted to single family residential use and may not be used for any other purpose. Nothing in this Section 8.1 is intended to prohibit an Owner from keeping his personal business or professional records or accounts therein, or handling his personal business calls or correspondence therefrom.

No boats, boat trailers,

campers, canoes, recreational vehicles, vehicles used primarily for recreational purposes, vehicles primarily used for commercial purposes, or vehicles with commercial writings on their exterior shall be stored, allowed to remain, or parked on any portion of the Condominium, except in an area, if any, designated by the Board of Directors or except as otherwise permitted by the Association's Board of Directors or Declarant. The Board shall have the right to designate areas within the parking garage, of the Condominium for the parking of motorcycles and bicycles.

(e) Signs. Except as placed or erected by Declarant or his assigns, agents or successors, no signs, billboards or objects shall be erected, placed, or permitted to remain on the Property, nor shall such Property be used in any way or for any purpose which may endanger the health or unreasonably disturb the Owner of any Unit. No Unit Owner shall display a "for rent" or "for sale" sign without the express written consent of the Board.

(f) Miscellaneous Prohibited Uses. No Unit shall be occupied, operated or maintained in an unsanitary or hazardous condition.

8.3 Security and Frozen Pipes. Should a Unit become vacant, the Owner is responsible for securing the Unit while it is unoccupied, including engaging all locks, providing security lighting, and heating the interior sufficient to keep pipes from freezing. Insurance claims or costs incurred by the Association or the Board for frozen pipe damage in unheated Unit may be offset by a special assessment levied against the Unit in an amount equal to the damage claim.

8.4 Unsightly Appearances. No offensive or unsightly appearance shall be maintained or allowed to exist on those portions of any Unit visible from the exterior of the Condominium or Common Areas i.e. halls, etc. All equipment, garbage cans, and storage areas shall be kept in a manner so as to conceal them from view of neighboring Units and streets, unless otherwise authorized by the Association's Board of Directors; provided, however, exterior personal patio furnishings, such as chairs, grills and swings, located within a Unit's balcony, patio, porch, terrace, or deck shall be permissible, subject to the rules and regulations of the Association. Provided further, however, that nothing shall be permitted which in the opinion of the Association's Board of Directors jeopardizes the structural integrity of any deck or other part of the Condominium, or which presents risk of damage to adjacent property shall be permitted.

8.5 Acts Affecting Insurance. An Owner shall not permit or suffer anything to be done or kept in his or her Unit which will increase the rate of insurance acquired by the Association or which will otherwise obstruct or interfere with the rights of other Owners.

8.6 Trash Containers and Collection. No garbage or trash shall be placed or kept on the Condominium except in covered containers of a type, size and style which are approved by the Association. The Association shall have the right to subscribe to a trash service for the use and benefit of the Association and all Owners; and to adopt and promulgate rules and regulations regarding garbage, trash, trash containers and collection. The Association shall have the right to require all Owners to place trash and garbage in containers located in areas designated by the Association. No incinerators shall be kept or maintained in any Unit. All rubbish, trash, and garbage shall be regularly removed from the Property and shall not be allowed to accumulate thereon. If trash dumpsters are used to facilitate trash, rubbish and garbage removal, all such trash, rubbish and garbage shall be placed therein for removal from the Property.

8.7 Machinery and Equipment. No machinery or equipment of any kind shall be placed, operated or maintained upon the Condominium except such machinery or equipment as is usual and customary in connection with the Declarant's sales, marketing, maintenance or construction of the Improvements which are within the permitted uses of such Property, and any use except that which Declarant or the Association may require or permit for the operation and maintenance of the Common Elements and Units.

8.8 Leasing of Units. A Unit Owner may lease his or her Unit and/or garage (but not less than his or her entire Unit) at any time and from time to time provided that:

(a) No Unit may be leased for transient or hotel purposes or for an initial term of less than one (1) year, unless such tenancy exists prior to the recordation of this Declaration;

(b) No Unit may be leased or subleased without a written lease or sublease;

(c) A fully executed copy of such lease or sublease shall be furnished to the Board for approval not less than thirty (30) days prior to the date the lessee or sublessee obtains possession of the Unit;

(d) The rights of any lessee of a Unit shall be subject to, and each such lessee shall be bound by, the covenants, conditions and restriction set forth in the Declaration, By-

Laws and Rules and Regulations, and a default thereunder shall constitute a default under the lease or sublease; provided, however, that the foregoing shall not impose any direct liability on any lessee or sublessee of a Unit to pay any Common Expenses or special assessments on behalf of the Owner of that Unit.

Notwithstanding the foregoing, the provisions of Section 8.8 shall not apply to a holder of a Eligible Mortgage who is in possession of a Unit following a default in such mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure.

No Owner, lessee, occupant, or other Person shall create a nuisance within the Condominium Regime, or use any portion of the Condominium Regime for any activity or purpose which is considered by the Board, its sole and absolute discretion, to be objectionable due to sound, odor, visual effect or physical impact and which in the opinion of the Board will disturb or tend to disturb other Owners or lessees in the Condominium, or which is deemed by the Board to constitute a nuisance. Included among the uses or activities prohibited because of their detrimental effect upon the general appearance, enjoyment and use of the Condominium are, without limitation, the following:

8.11 Enforcement. This Declaration, including all restrictions set forth herein, and the rules and regulations may be enforced by injunctive relief, specific performance or the imposition of reasonable monetary fines as provided in the Act and suspension of use and voting privileges. These powers, however, shall not be construed as limiting any other legal means of enforcing the use restrictions or rules and regulations of the Association. Any fines so imposed shall be considered an assessment against the Unit and may be collected in the manner provided for collection of other assessments. In addition to the foregoing, if any Person shall fail to maintain its Unit in a reasonably safe and sanitary condition, the Association may, at the Board's option, and after ten (10) days written notice to the Unit Owner, perform any clean-up, repair and/or replacement to cure any such condition, and all cost and expenses reasonably incurred by the Association, plus interest thereon at the rate of sixteen (16%) per annum, shall be reimbursed to the Association by such Unit Owner within thirty (30) days after work has been completed. The Association may levy a special assessment against any such Unit, which may be enforced in accordance with Section 10.9, below.

ARTICLE IX - MAINTENANCE

9.1 Maintenance of Condominium Units and Limited Common Elements.

(a) By the Owner. Except as provided in subsection (b) of this Section, each Owner shall have the obligation to maintain, keep attractive, keep in good repair, and replace (subject to applicable and available insurance proceeds) all portions of the Unit and any Limited Common Elements exclusively allocated to such Unit. Any maintenance, repair, replacement or upkeep required to be performed by an Owner hereunder shall be in conformance with the architectural standards as set forth by the Board.

In explanation of the foregoing and not to be construed as a limitation, each Owner shall maintain, repair, and keep in good condition (subject to the Association's obligations hereinafter set forth), his or her Unit.

(b) By the Association. The Association shall maintain, keep in good repair and upkeep, and replace (subject to available insurance proceeds), as a Common Expense

assessed in accordance with this Declaration, all of the Condominium property not required to be maintained and kept in good order by a Unit Owner and as otherwise set forth in this Section. The Association shall, by way of explanation and not limitation, be responsible to maintain, keep attractive, keep in good repair and replace all of the Common Elements. The Association shall, also, be responsible for the repair, upkeep and maintenance of all roofs and foundations in respect to Improvements containing the Units or otherwise and the parking garage. In the event the need for maintenance, repair or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, his or her family, guests, lessees, or invitees, then, the Association shall give the Owner written notice of the repair, replacement or maintenance work needed and an estimated cost to accomplish such repair, replacement or maintenance work. The Owner shall have fifteen (15) days within which to pay the Association such estimated costs, and in the event of a failure to pay, such costs shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

Despite any provision herein contained to the contrary, the Association shall not be liable for injury or damage to any Person or property: (i) caused by the elements or by any Unit Owner or by any other Person; (ii) resulting from any rain, water, snow or ice which may leak or flow from any portion of the Common Elements; or, (iii) caused by the leaking, failure or disrepair of any pipe, plumbing, drain, conduit, appliance, equipment or utility lines or facilities, the responsibility for the maintenance of which belongs to the Association.

In addition, the Association shall be responsible for the maintenance of sewer lines within the Units as extended from each Unit to the main sewer line connecting to on the Condominium Property.

(c) Failure to Maintain. If the Board of Directors of the Association determines that any Owner has failed or refused to discharge his or her obligations with regard to the maintenance, repair, upkeep or replacement of any items for which he or she is responsible hereunder, including, but not limited to, a failure to maintain, repair or replace a condition which may increase the possibility of fire or other loss or damage to the Condominium, then the Association (except no notice shall be required in an emergency situation in which case the Association may proceed immediately) shall provide the Unit Owner with written notice specifying the nature of the

maintenance, repair or replacement and the estimated costs thereof with reasonable particularity. The Owner shall have fifteen (15) calendar days to complete any such repairs, maintenance or replacements; provided, however, the Unit Owner shall have more than fifteen (15) days if such performance cannot reasonably be completed within fifteen (15) days and the Unit Owner is diligently pursuing the completion. In the event the Owner fails, neglects or refuses to repair, maintain or replace any such items within fifteen (15) days after the receipt of the notice, then the Association, through its Board, shall have the right to cause the repairs, maintenance or replacements to be made, and the Unit Owner shall, within thirty (30) days after the completion of such work, reimburse the Association. In the event any such repair or replacements are to the Common Elements the Association shall complete all such work, and the Unit Owner responsible for such repairs, maintenance or replacements shall have thirty (30) days after demand is made to reimburse the Association. Any costs incurred by the Association under this Section shall be added to and become a part of the assessment to which such Owner is subject and shall become a lien against the Unit.

ARTICLE X - ASSOCIATION AND BY-LAWS, ASSESSMENTS

10.1 General Information. The Association will administer the Condominium pursuant to the terms and conditions set forth in this Declaration and the By-Laws. The fiscal year of the Association shall be the calendar year. The Office of the Association shall be located at such location as the Board of Directors or the Managing Agent shall designate from time to time. All Unit Owners, by virtue of their ownership of a Unit in the Condominium, are automatically mandatory Members of the Association and shall be entitled to vote on all matters upon which Members of the Association are entitled to vote, pursuant to this Declaration and in accordance with the By-Laws. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Subject to the provisions of the Condominium Documents, the Owner or Owners of each Unit shall be entitled to one (1) vote for such Unit in which the interest required for membership is held. Each Unit is allocated a vote equal in weight to each other Unit. Provided however, if a Unit Owner shall have, in the sole opinion of the Board, an unresolved financial delinquency with respect to the Association, such Owner's vote shall not be eligible and shall not be entitled to be cast or counted.

10.2 Meetings and Voting. Annual and Special Meetings of the Association, including all notice and quorum requirements and voting of the membership shall be set forth in the By-laws. .

10.3 Directors. During the Period of Declarant Control, the business of the Association shall be managed by a Board of Directors comprised of at least three (3) Directors who shall be appointed by the Declarant and shall serve without compensation. Without regard to the time when the Period of Declarant Control terminates, the Association shall hold a First Transitional Election not later than sixty (60) days after the conveyance of twenty-five (25%) percent of the Units to Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. A Second Transitional Election shall be held by the Association not later than sixty (60) days after the conveyance of fifty (50%) percent of the Units to Unit Owners other than Declarant, at which election one (1) additional member shall be elected to the Board. The qualification, election, term, removal, resignation and replacement of each Board member shall be determined in accordance with the By-laws. The Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board before termination of the foregoing. In that event, the Declarant may require, during the Period of Declarant Control, that the actions of the Association or Board of Directors, as might be described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective. At end of the Period of Declarant Control, the membership of the Board shall always be comprised of five (5) Persons.

10.4 Director's Meetings. Regular and Special Meetings of the Board of Directors, including the notice and quorum requirements and voting of the Board, shall be set forth in the By-laws.

10.5 Powers and Duties of the Board of Directors. All of the powers and duties of the Association existing under the Act, the Declaration of Condominium and By-Laws shall be exercised by the Board of Directors, its duly appointed agents, contractors or employees, subject only to approval by the Unit Owners where specifically required. Compensation of employees of the Association shall be fixed by the Directors. A Director may be an employee of the Association and a contract for management of the Condominium may be entered into with a Director or the Declarant.

10.6 Officers. The executive officers of the Association shall consist of a President, who must also be a Director, a Vice-President, Treasurer, and Secretary. The By-laws shall provide for: (i) the election of officers; (ii) the resignation; (iii) removal; (iv) vacancy; and (v) powers, duties and responsibilities of the officers of the Association.

10.7 Assessments.

(a) All Owners shall be obligated to pay the estimated assessments imposed by the Board of Directors of the Association to meet the Common Expenses. The Common Expenses of the Association shall be assessed among all of the Condominium Unit Owners in accordance with the Owner's share in the Common Elements or Limited Common Elements as set forth in Article III of this Declaration. Assessments for the estimated Common Expenses of the Association shall be due in advance of the first day of each calendar month or less frequently as may be determined by the Board of Directors.

(b) Each Unit Owner's obligation of payment of assessments shall begin on the first day of the month in which the closing of the purchase of the Condominium Unit occurs. Each Unit Owner shall pay two (2) months of assessments in advance on the date the closing of the Condominium Unit occurs. On any subsequent sale of a Unit, the Unit Owner shall receive the two (2) month reserve advance from the Purchaser. Within sixty (60) days after the filing of this Declaration, the Declarant shall fund the Association with two (2) months of assessments for each Unit to cover any maintenance of the Common Elements.

(c) In the event the ownership of a Condominium Unit, title to which is derived from Declarant, commences on a day other than the first day of the assessment period, the assessment for that period shall be prorated.

(d) Assessments shall be based upon the cash requirements deemed to be such aggregate sum as the Board of Directors of the Association shall from time to time determine and is to be paid by all of the Condominium Unit Owners to provide for the payment of all estimated expenses growing out of or connected with the maintenance, repair, operation, additions, alterations and improvements of and to the Common Elements and those Limited Common Elements which are the responsibility of the Association, and the Property and Improvements owned thereby, which sum may include, but shall not be limited to: management fees, expenses and liabilities incurred by the

Managing Agent, taxes and special assessments (until separately assessed), snow removal, road and sidewalk repair, premiums for insurance, landscaping and care of grounds, common lighting and heating, repairs and renovation, trash and garbage collections, wages, common water and sewer charges, legal and accounting fees, management fees, expenses and liabilities incurred by the Managing Agent, if any, on behalf of the Unit Owners under or by reason of the Declaration and By-Laws of the Association for the creation of a reasonable contingency, reserve, working capital and sinking funds as well as other costs and expenses relating to the Common Elements or Limited Common Elements which are the responsibility of the Association.

(e) Pursuant to the provisions of the Declaration and By-Laws, the Board of Directors may levy such assessments for the purpose of defraying the cost of repair or reconstruction of the Improvements in the event of their damage.

(f) The Association by its Board of Directors may levy a special assessment against any individual Unit or any Unit Owner for the reasonable expense incurred in the reconstruction or repair to the Common Elements, Limited Common Elements or the individual Unit for damage or destruction caused by the misconduct, negligence or infraction of the published rules and regulations of the Association by the Unit Owner or his guests, invitees.

(g) The omission or failure to fix the assessment or deliver or mail a statement for any period of time shall not be deemed a waiver, modification or release of the Owner's obligation to pay the same.

(h) The Board shall, pursuant to Section 76-844(c) of the Act, have the power and authority to assess any Common Expenses benefitting fewer than all of the Units exclusively against the Units benefitted thereby as contemplated in the Act.

(i) The Association shall have all of the powers of the Association enumerated in the Act.

(j) Within thirty (30) days after adoption of any proposed budget for the Condominium, the Board of Directors shall provide a summary of the budget to all the Unit Owners, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget, which date shall not be less than fourteen (14) no more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all the Unit Owners, reject the budget, the budget is ratified,

whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the Unit Owners shall be continued until such time as the Unit Owners ratify a subsequent budget proposed by the Board of Directors.

10.8 Owner's Personal Obligation for Payment of Expenses. The amount of the Common Expenses assessed by the Association against each Condominium Unit shall be the personal and individual debt of the Owner thereof. No Owner may exempt themselves from liability for this contribution towards the Common Expenses by waiver of the use or enjoyment of any of the Common Elements, the real property and Improvements owned by the Association or by abandonment of their Unit. The Board of Directors shall have the responsibility to take prompt action to collect any unpaid assessments which remain unpaid for more than ten (10) days from the date for payment thereof. The failure to make payment of any assessments or installment thereof related to any Unit before the tenth (10^{th}) day after the due date shall constitute a default and such Unit Owner shall: (a) pay a late charge of five (5%) percent on the outstanding balance; and (b) all amounts that are delinquent shall bear interest from the due date at a rate equal to sixteen (16%) percent per annum or the maximum interest rate allowed by law, whichever is less, and all costs and expenses incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees and costs, shall be part of the assessment past due and the full assessment shall be a lien against such Unit. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing the lien nor shall such suit be construed to be a waiver of the lien.

10.9 Association Lien for Non-Payment of Common Expenses.

(a) All sums assessed by the Association but unpaid for the share of Common Expenses chargeable to any Condominium Unit shall constitute a lien on such Unit superior to all other liens and encumbrances, except for (i) taxes and special assessment liens of the Condominium Unit in favor of any assessing entity, and (ii) all sums unpaid on a Eligible Mortgage of record, including all unpaid obligatory sums as may be provided by such encumbrances. To evidence such lien, the Board of Directors shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of the accrued interest and late charges thereon, the name of the Owner of the Condominium Unit and a description of the Condominium Unit. Such notice of lien shall be signed by one of the members of the Association's Board of

Directors or by one of the officers of the Association on behalf of the Association and shall be recorded in the Office of the Register of Deeds of Douglas County, Nebraska. Such lien shall attach and be effective from the due date of the assessment until all sums, with interest and other charges thereon, shall have been fully paid.

(b) Such lien may be enforced by the foreclosure of the defaulting Owner's Condominium Unit by the Association in the manner of a deed of trust or mortgage on real property upon the recording of a notice of claim thereof. In any such proceedings, the Owner shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure, all additional costs, all expenses and reasonable attorney's fees incurred. The Owner of the Condominium Unit being foreclosed shall be required to pay the Association the monthly assessment for the Condominium Unit during the period of foreclosure, and the Association shall be entitled to a receiver during foreclosure. The Association shall have the power to bid on the Condominium Unit at foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey and otherwise deal with the same.

(c) Any Qualified Lender holding a lien on a Condominium Unit may pay, but shall not be required to pay, any unpaid Common Expenses payable with respect to such Unit, and upon such payment, such Qualified Lender shall have a lien on such Unit for the amount paid of the same rank as the lien of its mortgage or encumbrance without the necessity of having to record a notice of claim of such lien. The Association shall report to the Qualified Lender of a Condominium Unit any assessments remaining unpaid for longer than sixty (60) days after the same are due; provided, however, that a Qualified Lender shall have furnished to the Association notice of its encumbrance.

(d) The recorded lien may be released by a Release of Lien signed by one of the members of the Association's Board of Directors or by one of the officers of the Association on behalf of the Association and recorded in the Office of the Register of Deeds of Douglas County, Nebraska.

(e) Notwithstanding any of the foregoing provisions, any Qualified Lender who obtains title to a Condominium Unit pursuant to the remedies set forth in its mortgage or deed

of trust shall take title to the Unit free and clear of all Common Expense assessments levied thereon prior to such transfer of title and free and clear of all liens created as a result of such assessments.

10.10 Ascertainment of Unpaid Common Expenses.

(a) The Unit Owners and their mortgagees, prospective mortgagees or prospective grantees, upon ten (10) days written notice to the Board of Directors and upon payment of a reasonable fee, shall be furnished a statement of their account. The statement of account shall include the amount of any unpaid Common Expenses, the amount of the current assessments, the dates that assessments are due, the amount for any advanced payments made, prepaid items such as insurance policy premiums and reserves therefor and any deficiencies in reserve accounts such statement shall be conclusive upon the Association in favor of all persons who rely therein in good faith. Unless such request shall be complied with within twenty (20) days after receipt of such written request, all unpaid Common Expenses which become due prior to the date of such request will be subordinate to the rights of the Qualified Lender requesting such statement.

(b) The provisions set forth in this Section shall not apply to the initial sales and conveyances of the Condominium Units made by Declarant, and such sales shall be free from all unpaid Common Expenses to date of conveyance made or to a date as agreed upon by Declarant and Declarant's grantee.

10.11 Priorities of Association and Recreational and Maintenance Association Lien for Common Expenses. The Owner of a Condominium Unit may create junior deeds of trust or mortgages (junior) to the lien, deed of trust or other encumbrances of an Eligible Mortgage or other liens or encumbrances of the Condominium Unit; provided, however, that any such junior mortgage, deed of trust, lien or encumbrance will always be subordinate to the prior and paramount lien of the Association for Common Expenses, and subject to all of the terms, conditions, covenants, restrictions, uses, limitation and obligations under this Declaration and By-Laws, and, provided, further, that the holder of any such junior encumbrance shall release its security interest in any Unit for the purposes of restoring any Improvements upon the encumbered Condominium Unit and all of the Unit Owner(s) rights, title and interest in and to the proceeds under all insurance policies upon said premises by the Association. Such release shall be furnished forthwith by a junior mortgagee upon written request

of the Association, and if such request is not granted, such release may be executed by the Association as attorney-in-fact for such junior mortgagee.

ARTICLE XI - INSURANCE - DAMAGE, DESTRUCTION AND RECONSTRUCTION

11.1 Scope of Coverage. Commencing not later than the date of the first conveyance of a Unit to a Purchaser, the Association shall maintain, to the extent reasonably available, the following insurance coverage:

(a) Property insurance on the Common Elements, Limited Common Elements and Units, exclusive of any improvements and betterments installed in Units by the Owners thereof, and other than the original improvements and betterments installed or constructed within any Unit by the Declarant (which shall be covered by the Association's insurance), insuring against all risk of direct physical loss commonly insured against in an amount equal to the maximum insurable replacement value of the Common Elements, Limited Common Elements and Units, as determined by the Board of Directors; provided, however, that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property policy.

(b) Comprehensive general liability insurance, including medical payments insurance, in an amount determined by the Board of Directors, but not less than One Million Dollars ($1,000,000.00) per injury or injuries, including death, arising out of a single occurrence, and Fifty Thousand Dollars ($50,000.00) property damage; or, in the alternative, a liability policy affording coverage for bodily injury and property damage with a combined single limit in an amount not less than One Million Fifty Thousand Dollars ($1,050,000.00). The policy or policies shall cover the Association, the Association's Board of Directors and the officers of the Association, committee members, all agents and employees of the Association and all Owners and other Persons entitled to occupy any Unit or other portion of the Condominium Unit for occurrences commonly insured against, arising out or in connection with the use, ownership or maintenance of the Common Elements, Limited Common Elements, or other portion of the Condominium which the Association has the responsibility to maintain and shall also include hired automobile and non-owned automobile coverage with cost liability endorsements to cover liabilities of the Owner.

(c) Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners.

(d) The insurance policies purchased by the Association, to the extent reasonably available, shall contain the following provisions:

(i) Each Owner shall be an insured under the policy with respect to liability arising out of his ownership of an undivided interest in the Common Elements or their membership in the Association.

(ii) There shall be no subrogation with respect to the Association, its agents, servants, and employees, or with respect to the Owners and members of their household. Each party hereby waives, releases and discharges any right of subrogation against the other for any loss arising out of damage to or destruction of all or any portion of the Property or contents thereof when such loss is caused by any perils included within either party's insurance provisions.

(iii) No act or omission by any Owner, unless acting within the scope of their authority on behalf of the Association, shall void the policy or be a condition to recovery on the policy.

(iv) The coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased separately by Owners or their mortgagees or beneficiaries under deeds of trust.

(v) A "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners.

(vi) Statement of the name of the insured as Southbridge Condominium Association, Inc., for the use and benefit of the individual Owners (designated by name if required by the insurer).

(vii) For policies of hazard insurance a standard mortgagee clause providing that the insurance carrier shall notify the Qualified Lender named in the policy at least ten (10) days in advance of the effective date of any reduction or cancellation of the policy.

(viii) "Agreed Amount" and "Inflation Guard" endorsements.

It shall be the duty of the Board at least annually to conduct an insurance review to determine if the policy enforced is adequate to meet the need of the Association and to satisfy the requirement of this Declaration and the Act. Such responsibility may be performed and shall be deemed reasonably performed, by the Board's Managing Agent requesting the Association's insurance agent to verify that the insurance policies in existence meet the needs of the Association as set forth herein and satisfies the requirements of this Declaration and the Act. In all events, each Owner shall have the right to obtain additional coverage for such improvements, or betterments or personal property within the Unit as its own expense. Each policy may contain reasonable deductibles and the amount thereof shall be added to the face amount of the policies in determining whether the insurance equals at least full replacement cost.

11.2 Certificate of Insurance. An insurer that has issued an insurance policy under this Article shall issue certificates or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee or beneficiary under a deed of trust. Any insurance obtained pursuant to this Article may not be canceled until thirty (30) days after notice of the proposed cancellation has been mailed to the Association, each Owner and each Qualified Lender who is listed as a scheduled holder of a Eligible Mortgage in the insurance policy.

11.3 Payment of Premiums. Premiums for all insurance obtained by the Association pursuant to this Article shall be Common Expenses and shall be paid for by the Association.

11.4 Insurance Obtained by Owners. The issuance of insurance policies to the Association pursuant to this Article shall not prevent an Owner from obtaining insurance for their own benefit and at their own expense covering their Unit, personal property and providing personal liability coverage.

11.5 Payment of Insurance Proceeds. Any loss covered by property insurance obtained by the Association in accordance with this Article shall be adjusted with the Association and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. The Association shall hold any insurance proceeds in trust for Owners and lienholders as their interests may appear. Subject to the provisions of Section 11.6 and 11.7 of this Article, the proceeds shall be disbursed for the repair or restoration of the damage to Common

Elements, Limited Common Elements and Units. Owners and lienholders shall not be entitled to receive payment of any portion of the proceeds unless there is a surplus of record after the Common Elements, Limited Common Elements and Units have been completely repaired or restored, or the Declaration terminated.

11.6 Use of Insurance Proceeds. In the case of fire or any other casualty, the insurance proceeds, if sufficient to reconstruct any Improvements so damaged or destroyed, shall be applied to such reconstruction. Reconstruction of the Improvements, as used herein, means restoring the insured Improvements to substantially the same condition in which it existed prior to the fire or other disaster, with each Unit and the Common Elements having the same vertical and horizontal boundaries as before.

11.7 Procedure where Insurance Proceeds are Insufficient. In case of fire or other casualty, if the insurance proceeds are insufficient to reconstruct the Improvements and the Condominium Unit Owners and all other parties in interest do not voluntarily make provision for reconstruction of the Improvements within 180 days from the date of damage or destruction, the Association may record a notice setting forth such facts; and upon the recording of such notice:

(a) The Property shall be deemed to be owned as tenants-in-common by the Condominium Unit Owners;

(b) The undivided interest in the Property owned in common of each Condominium Unit Owner shall be the percentage of undivided interest previously owned by such Unit Owner in the Common Elements.

(c) Any liens affecting any of the Condominium Units shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Condominium Unit Owner in the Property as provided herein; and

(d) The Property shall be subject to an action for partition at the suit of any Condominium Unit Owner, in which event the net proceeds of such sale, together with the net proceeds of the insurance on the Property, if any, shall be considered as one fund, and shall be divided among all the Condominium Unit Owners in a percentage equal to the percentage of undivided interest owned by each Unit Owner in the Property, but only after first paying out of the respective

share of each Condominium Unit Owners, (to the extent sufficient for the purpose) all liens on the undivided interest in the Property owned by such Condominium Unit Owner.

11.8 Insurance Deductibles. If maintenance is required as a result of an insured loss, the amount of the deductible shall be considered a maintenance expense to be paid by the Person or Persons who would be responsible for such repair in the absence of insurance. If the loss affects more than one (1) Unit, or a Unit and Common Elements, the cost of the deductible may be apportioned equally by the Board of Directors among the parties suffering loss in accordance with the total cost of repair.

ARTICLE XII - MORTGAGES

12.1 Requirements.

(a) Any mortgage or other lien on a Unit and the obligations secured thereby shall be deemed to provide, generally, that the mortgage or other lien instrument and the rights and obligations of the parties thereto shall be subject to the terms and conditions of the Act and this Declaration and shall be deemed to provide specifically, but without limitation, that the mortgagee or lien holder shall have no right (i) to participate in the adjustment of losses with insurers or in the decision as to whether or not, how to repair or restore damage to or destruction of the Property, or (ii) to receive or apply the proceeds of insurance to the reduction of the mortgage debt or otherwise, except in the event and to the extent either of a distribution of such proceeds to Unit Owners pursuant to Section 76-871 of the Act or of insurance proceeds in excess of the cost of repair or restoration being received by the Owner of the Unit encumbered by such mortgage; or (iii) to accelerate the mortgage debt or to have any other remedies by virtue of waste or alleged waste or other conditions occurring anywhere on the Property other than within the affected Unit, and the obligation secured shall be pre-payable, without penalty, upon the happening of any termination of the Condominium or determination not to restore or replace the affected Unit. Nothing contained in Section 12.1(a) hereinabove or elsewhere in this Declaration shall give a Unit Owner, or any other party, priority over any rights of the mortgagee of a Unit pursuant to its mortgage in case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for loss to or a taking of one or more Units and/or Common Elements.

(b) No Unit Owner or purchaser of a Unit shall deliver any mortgage or other lien instrument secured by a Unit, or any obligation to be secured thereby, unless it has first notified the Board of the name and address of the proposed mortgagee or lien holder, the amount of the debt proposed to be so secured, and has submitted to the Board a copy of the form of the proposed mortgage and note or other instrument of obligation. When a mortgage other than (i) a first mortgage or (ii) a junior mortgage to the Declarant or Seller of a Unit is delivered to the Board, the Board shall promptly notify the proposed mortgagee whether such mortgagee has been approved by the Board as a Qualified Lender.

12.2 Qualified Lenders.

(a) When a mortgage is delivered to a Qualified Lender or other lien holder, the Unit Owner shall simultaneously provide executed or conformed copies to the Board. Upon receipt of such copy of a mortgage or other lien, the Secretary of the Board shall instruct the insurer of the property to add the name of the Qualified Lender to the mortgagee loss payable provision of the hazard insurance policy covering the property and to provide such Qualified Lender with a Certificate of Insurance showing that the Qualified Lender's name has been so added.

(b) The Secretary shall maintain a register of Qualified Lender showing the names and addresses of the Qualified Lender, the amount secured by each Qualified Lender, and whether such amount secured is a first mortgage.

12.3 Rights of Qualified Lenders.

(a) Upon the specific written request of a holder of an Eligible Mortgage on a Unit or its servicer to the Board, the mortgagee shall be entitled to receive some or all of the following as designated in the request;

(v) Notice of the commencement of any condemnation or eminent domain proceedings with respect to any part of the Property;

The Board need not inquire into the validity of any request made hereunder by a Qualified Lender. The Board may refuse to honor any request where, after reasonable inquiry, it shall determine that the person making such request is not entitled to the material so requested and may establish reasonable rules to implement this Section 12.3(b).

(c) Failure to comply with the requirements set forth above shall in no way invalidate the otherwise proper actions of the Association and the Board.

Section 3: Qualifications. The Directors appointed by the Declarant need not be resident of the State of Nebraska nor members of the Association. The Directors elected by the Unit Owners need not be residents of the State of Nebraska, but must be members of the Association. If a Director shall cease to meet such qualifications during their term, he or she will thereupon cease to be a Director, and his or her place on the Board shall be deemed vacant. The requirements of this Section shall not apply to Directors appointed by the Declarant.

Section 4: Removal. Other than the Directors appointed by the Declarant, any Director may be removed from the Board, with or without cause, by concurrence of a Super-Majority Vote of the Members.

Section 5: Vacancies. In the event of the death, resignation or removal of a Director, their successor shall be selected by a majority of the remaining members of the Board and shall serve for the unexpired term of their predecessor.

ARTICLE VII
NOMINATION AND ELECTION OF DIRECTORS

Section 1: Nomination. After the termination of the Period of Declarant Control, nomination for election to the Board shall be made by any Unit Owner. Nominations may also be made from the floor at the annual meeting by a Member in good standing.

Section 2: Election. The election shall be by ballot (unless dispensed with by unanimous consent) and by a plurality of votes cast. Each person entitled to vote may cast his vote for each of as many nominees as there are vacancies to be filled. There shall be no cumulative voting.

ARTICLE VIII
MEETING OF DIRECTORS

Section 1: Regular Meeting. Regular meetings of the Board of Directors shall be held at such times and places which are determined, from time to time, by a majority of the Association's Board of Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or equivalent service, at least five (5) days prior to the date of any regular meeting. Notice of meeting may be waived before or after any such meeting.

Section 2: Special Meetings. Special meetings of the Board of Directors may be held at the request of the President, Vice-President or Secretary, and must be held at the written request of two-thirds (2/3) of the Directors. Notice of special meetings shall be given to each Director, personally or by mail, telephone or equivalent service, at least five (5) days prior to the date of any special meeting. Such notice shall state the time, date, place and purpose of the special meeting. Notice of meeting may be waived before or after any such meeting.

Section 3: Quorum. A quorum at Director's meetings shall consist of fifty (50%) percent of the votes (in person or by proxy) thus represented of the entire Association's Board of Directors present at the beginning of a meeting. The acts approved by a majority of those Directors present at any meeting at which a quorum is present shall constitute the acts of the Association, except where approval by a greater number of Directors is required by the Declaration of Condominium or these By-Laws. If at any meeting of the Board of Directors less than a quorum is present, the majority of those present may adjourn the meeting until a quorum is present. Upon reconvening an adjourned meeting, any business called may be transacted without the necessity of providing any further notice.

Section 4: Action Taken Without A Meeting. The Directors shall have the right to take any action in the absence of a meeting which they could take at a meeting by obtaining the written approval of all Directors. Any action so approved shall have the same effect as though taken at a meeting of the Directors.

Section 5: Common or Interested Board Members. Each Director shall exercise such Director's powers and duties in good faith and with a view to the interests of the Condominium. No contract or other transaction between the Association

and any of its Board members; or between the Association and any corporation, firm or association (including the Declarant) in which any of the Board members of the Association are directors or officers or are pecuniarily or otherwise interested, is either void or voidable because any such member is present at the meeting of the Board or any committee thereof which authorizes or approves the contract or transaction, or because such Director's vote is counted for such purpose, if any of the conditions specified in any of the followings subsections exist:

(a) The fact of the common directorate or interest is disclosed or known to the Board or a majority thereof or noted in the minutes, and the Board authorizes, approves or ratifies such contract or transaction in good faith by a vote sufficient for the purpose;

(b) The fact of the common directorate or interest is disclosed or known to at least a majority of the Unit Owners, and the Unit Owners approve or ratify the contract or transaction in good faith by a vote sufficient for the purpose; or

(c) The contract or transaction is commercially reasonable to the Association at the time it is authorized, ratified, approved or executed.

Any common or interested Board members may be counted in determining the presence of a quorum of any meeting of the Board or committee thereof which authorizes, approves or ratifies any contract or transaction, and may vote at the meeting to authorize any contract or transaction with like force and effect as if such Board member of the Association were not an officer or director of such other corporation, firm or association or not so interested.

ARTICLE IX
POWERS AND DUTIES OF THE BOARD OF DIRECTORS

Section 1: Powers. The Board of Directors shall have the power to:

(a) Elect and remove the officers of the Association;

(b) Adopt and publish rules and regulations governing the use of the Common Elements, Limited Common Elements and related facilities, and the personal conduct of the Members and their guests thereon, and to establish penalties for the infraction thereof;

Any agreement for the services of any such agent, manager, independent contractor or employee shall provide for termination by the Association with or without cause, and without payment of a termination fee, upon thirty (30) days' written notice, and no such agreement shall be of a duration in excess of one (1) year, renewable by agreement of the parties for successive one (1) year periods;

(e) Make repairs within the individual Condominium Units where such repairs are required for the welfare or safety of other Condominium Unit Owners, or for the preservation or protection of the Common Elements;

(f) Grant or relocate easements over, across or through the Common Elements as the Board may determine to be beneficial to the Members;

(g) Declare the office of a Member of the Board to be vacant in the event such Member shall be absent from three (3) consecutive regular meetings of the Board;

(h) Exercise for the Association all powers, duties and authority vested in or delegated to the Association and not reserved to the Members by other provisions of these By-Laws, the Articles of Incorporation or the Declaration.

Section 2: Duties. It shall be the duty of the Board of directors:

(c) As more fully provided herein and in the Declaration:

(i) To fix the annual assessment amount of each Unit at least thirty (30) days in advance of each annual assessment period, and

(ii) To send written notice of any change in assessment to every Owner subject thereto at least fifteen (15) days in advance of each annual assessment period;

(d) To issue, or cause an appropriate officer to issue, upon demand by any person, a certificate setting forth whether any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of the payment of any assessment therein stated to have been paid;

(e) To procure and maintain adequate liability insurance, and to procure adequate hazard insurance on property owned by the Association;

(f) To cause all officers or employees having fiscal responsibilities to be bonded;

Any officer may resign at any time by giving written notice to the Board, the President or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6: Vacancies. A vacancy in any office may be filled by a majority vote of the quorum present of the Directors. The officer elected to such vacancy shall serve for the remainder of the term of the officer replaced.

Section 7: Multiple Offices. Any two or more offices may be held by the same person, except the offices of President and Secretary.

Section 8: Duties. The duties of the officers are as follows:

(a) President. The President shall be the Chief Executive Officer of the Association, and shall supervise and control all of the business and affairs of the Association. The President shall, when present, preside at all meetings of the Members and all meetings of the Board. The President may sign, with or without any other officer of the Association as authorized by the Board, deeds, mortgages, bonds, contracts or other instruments which the Board has authorized to be executed, except where the signing and the execution thereof shall be expressly delegated by the Board or by these By-Laws to some other officer or agent of the Association or shall be required by law to be otherwise signed or executed. The President shall have the power to appoint and remove one or more administrative Vice-Presidents of the Association and such other assistants to the various elected officers of the Association as is necessary of the accomplishment of their duties. In general, the President shall perform all duties incident to the office of the President and such other duties as may be prescribed by the Board.

(b) Vice-President. In the absence of the President, or in the event of the President's death, inability or refusal to act, the Vice-President, or if there is more than one Vice-President, the Senior Vice-President, shall perform the duties of the President, and when so acting shall have all the powers, of, and be subject to, all the restrictions upon the President. Otherwise, such Senior and other Vice-Presidents shall perform only such duties as may be assigned by the President or by the Board.

(c) Secretary. The Secretary shall keep the minutes of the meetings of the Members and the Board in one or more books provided for that purpose; see that all notices are duly given in accordance with the provisions of these By-Laws, or as required by law; be custodian of the records of the Association except those of the Treasurer; keep or cause to be kept under their general supervision by a registrar or transfer agent appointed by the Board, a register of the name and post office address of each Member as furnished by such Member; have general charge of the transfer books of the corporation; and in general perform all duties incidental to the office of the Secretary and such other duties as may be assigned to them by the President or by the Board.

(d) Treasurer. The Treasurer shall have charge and custody of, and be responsible for, all funds and securities of the Association; receive and give receipts for monies due and payable to the corporation from any source whatsoever, and deposit all monies in the name of the Association in such banks, trust companies or other depositories as shall be directed by the Board; shall sign all checks and promissory notes of the Association except in those instances where the Board has delegated the authority to sign checks to a managing agent employed by the Association; shall keep proper books of account; shall cause an annual audit of the books of the Association to be made by an independent certified public accountant at the completion of each fiscal year; and shall prepare an annual budget and a statement of income and expenditures to be presented to the Members at the regular annual meeting of the Members, and shall deliver a copy of such to the Members. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses including, by way of illustration but not of limitation, attorney's fees and costs reasonably incurred in connection with the defense of any claim, action or proceeding, whether civil, criminal, administrative or other, in which any such Director, Officer, Committee Member, or Declarant may be involved by virtue of such person having the status of a Director, Officer, Committee Member, or Declarant, provided, however, that such indemnity shall not be operative with respect to any matters to which such person shall have been finally adjudged in such action or proceeding to be liable for gross negligence or criminal intent in the performance of his duties.
